## ABOUT OUR TRUST

Late Shri Vishnu Waman Thakur Charitable Trust was formed in the year 1988 under the president-ship of Shri Hitendraji Thakur, MLA of Vasai Taluka. The trust was formed to handle several concern and uplift a remote area like Vasai. The provision of education, medical and social facilities to the residents of such area was the primary focus. For providing educational facility and an opportunity for the students dwelling in the rural belt, the trust started a school "UTKARSHA VIDYALAYA", in 1989. In the year 2000, the trust started a college known as "VIVA COLLEGE Of Arts, Commerce & Science". Having updated itself with concerned requirements, the college now provides different courses in addition to the traditional courses of the Science, Commerce and Art streams.

## ABOUT THE INSTITUTION

VIVA Institute of Technology was established in the year 2009 with a definite mission to develop the standard of the institute above benchmark level, providing students with advanced knowledge and latest technology in the chosen discipline by tapping their hidden and obvious potential, molding them into good and responsible citizens by playing a meaningful role in industry and society. The institute is approved by AICTE, New Delhi & DTE, Maharashtra State and affiliated to Mumbai University. The main objective of the institute has always been promoting education at all levels. VIVA institute is well equipped with workshop, laboratories, computer center with latest machineries, tools, instruments, softwares etc.

## ABOUT THE DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION (EXTC)

Department of Electronics and Telecommunication Engineering was established in 2009. The sanctioned intake of the department is 60 at UG level. The Vision of the Department is to emerge as a "Centre for Excellence" offering Technical Education by developing the total personality of the individual, imparting high levels of discipline, making our students professionally competent and ethically strong, who in turn shall contribute to the advancement of society.

## OBJECTIVES

The objective of the "Research methodology with Management techniques and tools in research" training program is to teach the techniques and technical paper writing and ethics in research. This STTP provides relation building of the institute with industry for collaboration.

The purpose of this STTP is to bring together researchers, PG students, Engineers & Scientists to have discussions on the recent management tools and techniques in engineering research.

## TOPICS TO BE COVERED

- Introduction to technical paper writing and online research strategy
- Optimization in research methodology
- Industry and institute collaboration techniques
- Applications of Multivariate Data Analysis techniques in research

## EXPECTED OUTCOME

- The participants will learn the skills of technical paper writing.
- After the completion of this course the participants will have knowledge of industry and institute collaborative research.
- The participants will learn different online strategies and methods using different software and tools.
- The participants will learn optimization in research methods
- The participants will learn the Multivariate Data Analysis techniques in research

## EVENT SPEAKERS

- Mr. Uday Pandit Khot, SFIT, Borivali
- Mr. Vaibhav Kotwal, Accenture pvt ltd.
- Mr. Bhushan Patil, Fr. CRCE, Bandra
- Mrs. Aarti Karande, SPIT, Andheri

## ELIGIBILITY

Post -graduate students, research scholars, faculty members from academic institutions and universities and industry professionals

## EVENT DETAILS

Date: 02nd-07th January 2019

Time : 9.00 am to 5.00 pm

Venue: VIVA Institute of Technology

Shirgaon, Virar(E), District-Palghar,

State- Maharashtra,

## REGISTRATION FEE

- **P.G. Student or Research Scholar** : Rs. 1000/
- **Academicians (Faculty)** : Rs. 1500/-
- **Academicians (Faculty) ISTE Member** : 1000/-
- Registration fee includes breakfast, tea/coffee, lunch during the period of STTP
