The institute is approved by AICTE, New Delhi & DTE, Maharashtra State and affiliated to Mumbai University. The main objective of the institute has always been promoting education at all levels. VIVA institute is well equipped with workshop, laboratories, computer center with latest machineries, tools, instruments, softwares etc.

ABOUT COMPUTER ENGINEERING DEPARTMENT

The computer engineering department was established in 2009. The department offers regular undergraduate program in "Computer Engineering" with an intake of 60.

Our vision is to develop competent citizens who will be valuable contributors in the field of technology and science. Our mission is to create an environment which will stimulate research, creativity and innovation and to provide students with comprehensive knowledge of the latest developments in Computer Engineering.

ABOUT THE COURSE

By definition accreditation means to the process of recognizing someone or something as having a particular status or being qualified to perform a particular activity.

For Engineering colleges and professional higher education colleges All India Council for Technical Education (AICTE) is making mandatory that the AICTE approved colleges go for accreditation through National Board of Accreditation (NBA). For accreditation through National Board of Accreditation (NBA) the colleges has to work and prepare the Self Assessment Report (SAR); the format of which has been provided by the NBA.

This course aims at providing the understanding Self Assessment Report (SAR) and Self Evaluation Report (SER) for Tire II engineering colleges going for accreditation by National Board of Accreditation (NBA).

COURSE OBJECTIVES

- ◆ To familiarize with the idea of and importance of accreditation
- ◆ To help the participants in understanding Self Assessment Report (SAR) and Self Evaluation Report (SER)
