## **Satellite Earth Station Yeur, Thane.**

Satellite Communication is the fast growing / having advanced uninterrupted features and on huge demand in global market. Every Engineering / Science student should have a fair knowledge in this fast growing technology for the glorious next generation India.

Satellite Earth Station at Yeur, Thane, is about 9Kms from Thane Railway station and located in the vicinity of Sanjay Gandhi National Park, Borivali, Mumbai. Entry is available from Thane West (Upvan). This is the only Satellite Earth Station available in Mumbai, Maharashtra and West Zone. This beautiful station is situated in the naturally surrounded green forests of Yeur village. Thane Municipal Corporation has declared this village as a tourist and picnic spot. One can spot different types of floras & faunas, birds, animals (occasionally leopards also) in this forest range of Yeur.

Total 75 students with 4 staff visited BSNL Yeur, Thane on 2<sup>nd</sup> August 2019.
