Department of Mechanical Engineering

5 days Student Workshop:	Industrial Automation
Name of the Guest Speaker:	Sainath Phaujadar, Dakshish Kosambia, Prathamesh Chaphekar & Rahul Yadav
Designation:	Heads of different departments
Organization/Institution:	Bassein Automation, Mumbai
Date:	21st March to 25th March 2022
Time:	9.30 am Onwards

Programme Summary/Details:

The five-day student workshop organized by the Department of Mechanical Engineering provided participants with comprehensive insights into various aspects of industrial automation. The workshop covered topics such as CAD/CAM, Industrial Electronics, Industrial Automation, 3D Printing, and Solar Panels, allowing students to gain practical knowledge and experience in these fields. The workshop fostered a learning environment that combined theoretical concepts with practical applications, empowering participants with the skills and understanding necessary for a successful career in industrial automation. One of the highlights of the workshop was the practical demonstration of live projects involving Solar Panels. Throughout the workshop, participants actively engaged in hands-on activities, group discussions, and interactive sessions. They received guidance from experienced faculty members and industry experts who shared their insights and practical knowledge.
