Department of Electrical Engineering

Topic Name:	Emerging Technologies in Electrical Engineering
Name of the Guest Speaker:	1. Mr. Vijay Sonavane 2. Mr. Pramod Bambulkar 3. Mr. Shreyash Patil 4. Mr. Sanjay Sonune 5. Mr. Manoj Mawle 6. Mr. Anish Bhurke
Designation:	1. Advisor MERC 2. Asst. General Manager, TCS, Mumbai 3. Network Lead Accenture, Pune 4. Maintenance Engineer, Reliance Energy, Chembur 5. MEP Manager, Shapoorji & Pallonji Real Estate, Mumbai 6. Asst. General Manager, TCS, Mumbai
Organization/Institution:	Viva Institute of Technology
Date:	29/05/2018 to 04/06/2018
Time:	10.00 am Onwards

Programme Summary/Details: The AICTE-ISTE-approved seminar on emerging technologies in the electrical energy sector, organized by the Department of Electrical Engineering at VIVA Institute of Technology, aimed to provide participants with an understanding of the recent trends and challenges in renewable energy sources, and to familiarize them with the basic concepts and challenges in the electrical distribution network. The workshop covered a variety of topics, such as load management, HVAC and firefighting, the Internet of Things, distribution networks, electrical testing, UPS and DG, and solar PV systems. Each speaker had in-depth knowledge about their respective topics, and the participants were able to learn about the latest advancements and their applications in the field. Overall, the AICTE-ISTE-approved short-term training program provided an excellent platform for teaching faculty to become competent in the new and recent technologies. By the end of the workshop, the participants gained valuable knowledge and skills to help them in their professional careers in the electrical energy sector.
