Department of Mechanical Engineering

Topic Name:	Alternative Career Option for an Engineering Graduate
Name of the Guest Speaker:	Mr. Shreyesh Parab
Designation:	SEO
Organization/Institution:	PGE Industries Pvt Ltd
Date:	07/08/2021
Time:	10.00 – 12.00

Programme Summary/Details:

The guest lecture on the topic of alternative career options for engineering graduates provided valuable insights and guidance for those seeking diverse career paths beyond traditional engineering roles. The lecture covered key aspects such as the growing demand for interdisciplinary skills, emerging industries, entrepreneurship, and the importance of personal and professional development.

The guest speaker emphasized the need for engineering graduates to adapt to the changing job market and acquire skills beyond their technical expertise. They discussed the value of interdisciplinary skills such as project management, communication, problem-solving, and leadership abilities. The lecture highlighted the importance of lifelong learning and continuous professional development to remain competitive in today's dynamic job market.

Furthermore, the lecture explored emerging industries and alternative career paths that align with engineering qualifications. The guest speaker discussed fields such as renewable energy, sustainable development, data science, artificial intelligence, and cybersecurity, which offer promising opportunities for engineering graduates. The lecture emphasized the importance of staying updated with industry trends and identifying areas where engineering skills can be applied innovatively.
