Dear Mr. Cyril,

This is Ishita Jacob here, Mr. Jacob Macwan's (ex- Anandalaya) daughter.

Further to our telephonic conversation, I'm forwarding you the email and the Industrial Visit request letter for Amul plant, Virar for the students of 3rd year, Mechanical Engineering, Viva College of Technology, Virar, Mumbai.

As discussed, there are 120 students and 4 faculties who'd like to visit the milk plant. If there is a logistical problem managing this huge number, the visit can be done in batches as well.

I'm also looping in Ms. Henisha Raut, faculty and IV coordinator for the college who's looking into this.

I request you to kindly with the same and I humbly thank you for helping out this fellow Anandite in good faith. Trust everything is fine at your end.

Anticipating a positive response.

Thanks and regards,
Ishita Jacob Macwan

Report on Industrial Visit

Industry Name: Amul Plant

Place of Visit: Kaner Vaitarna Road, Tokre village, Virar (E)

Date of Visit: 09th April and 10th April 2019

Department of Mechanical Engineering of VIVA Institute of Technology, Virar organized an Industrial Visit to “Amul Plant” at Kaner Vaitarna Road, Tokre village, Virar (E) for the subject Refrigeration and Air Conditioning (Sem VI). The visit was conducted for 2 days on 09th and 10th April 2019 and for 125 T.E. Mechanical Engineering students and 4 faculty members. 57 students from TE-A division and 2 faculty members attended the visit on 9th April 2019 and 64 students from TE-B division and 2 faculty members attended the visit on 10th April 2019.

The plant has as a large milk storage plant where around 10 lakh liters of milk is collected every day. The milk samples are first tested in the laboratory and then the amount of milk collection is decided. Further milk is sent for pasteurization which destroys the bacteria present in the milk and then is sent to the chilling center for instant chilling. This chilled milk is supplied to the milk tankers which are provided with internal insulation pads to maintain the temperature of the milk while transportation. Milk packets are also made using automated milk filling and packaging machine. They are also into the production of ice- creams which is a total automated process and also makes use of SAP ERP application in its work environment.

Dear Mr. Cyril,

I'd like to take this time to thank you and the entire Team at Amul Virar and Anand, for making this Industrial Visit possible.

The students of Viva College of Technology, were highly enthusiastic about it and have conveyed their heartfelt thanks for making this a fruitful experience.

Thank you for making this possible at such a short notice.

Regards,
Ishita
