Report on Industrial Visit

Industry Name: Amul Plant

Place of Visit: Kaner Vaitarna Road, Tokre village, Virar(E)

Date of Visit: 12th March and 13th March 2020

Department of Mechanical Engineering of VIVA Institute of Technology, Virar organized an Industrial Visit to “Amul Plant” at Kaner Vaitarna Road, Tokre village, Virar (E) for the subject Refrigeration and Air Conditioning (Sem VI). The visit was conducted for 2 days on 12th and 13th March 2020 and for 129 T.E. Mechanical Engineering students and 4 faculty members. Later on with our telephonic and email conversation they also gave permission for faculties to visit their plant. 56 students from TE-A division, 11 faculty members and 1 lab assistant attended the visit on 12th March 2020 and 61 students from TE-B division, 10 faculty members and 1 peon attended the visit on 13th March 2020.

The plant has as a large milk storage plant where around 10 lakh liters of milk is collected every day. The milk samples are first tested in the laboratory and then the amount of milk collection is decided. Further milk is sent for pasteurization which destroys the bacteria present in the milk and then is sent to the chilling center for instant chilling. This chilled milk is supplied to the milk tankers which are provided with internal insulation pads to maintain the temperature of the milk while transportation. Milk packets are also made using automated milk filling and packaging machine. They are also into the production of ice- creams which is a total automated process and also makes use of SAP ERP application in its work environment.

Respected Sir,

On behalf of Mechanical Engineering Department, VIVA Institute of Technology, we would like to extend our heartfelt appreciation for your time and effort for conducting a two day visit at Amul Plant on 12th & 13th March 2020. Our Students enhanced the knowledge in the subject of Refrigeration and Air Conditioning System. The time you dedicated to the event is highly appreciated not only by students but also by the faculties who attended.

We also want to thank you for your contributions for making the event successful. The assistance and effort you gave was tremendously remarkable. We hope that you will continue your great work in teaching students like us in dealing with these matters in future too.

Thanking you,

Yours faithfully,

Dr. Arun Kumar
