To,  
The Chairman,  
Ice Factory,  
Vasai Machhimar Sarvoday Sahakar Sanstha,  
Vasai (W),  
Dist-Palghar, Maharashtra.

**Subject: Permission for two days visit to Ice Factory, Vasai (W).**

Respected Sir,

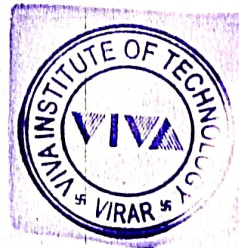

VIVA institute of Technology established in the year 2009, nurtures the unique system of education for creating the dynamic leaders in corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi and DTE, Govt. of Maharashtra. It offers courses such as **Mechanical**, Electrical, Electronics and Telecommunication, Civil and Computer Engineering.

This institute believes in empowering the young students through rigorous curriculum, students participation in R & D, Mentor system, value added programs and strong industrial interface.

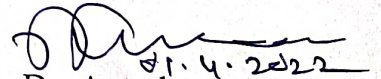

To enhance the knowledge in Heating, Ventilation, Air-Conditioning and Refrigeration, our students and faculty members are interested to visit your esteemed organization in 2<sup>nd</sup> week of April 2022 or as per your convenience preferably on 11<sup>th</sup> & 12<sup>th</sup> April 2022. Altogether there will be **146 students and 6 faculty members**.

Kindly grant the permission to visit your reputed organization on 11<sup>th</sup> & 12<sup>th</sup> April'2022 as students will have their examinations after that.

With warm regards,

Yours faithfully,

  
Dr. Arun Kumar  
Principal

# Report on Industrial Visit

## Industry Name: Ice Factory

**Place of Visit: Pachu Bander, Vasai (W)**

**Date of Visit: 11<sup>th</sup> April and 12<sup>th</sup> April 2022**

Department of Mechanical Engineering of VIVA Institute of Technology, Virar organized an Industrial Visit to “Ice Factory” at Pachu Bander, Vasai (W) for the subject Heating, Ventilation & Air Conditioning and Refrigeration (Sem VI). The visit was conducted for 2 days on 11<sup>th</sup> and 12<sup>th</sup> April 2022 and for 146 T.E. Mechanical Engineering students and 6 faculty members. 62 students from TE-A division and 3 faculty members attended the visit on 11<sup>th</sup> April 2022 and 63 students from TE-B division and 3 faculty members attended the visit on 12<sup>th</sup> April 2022.

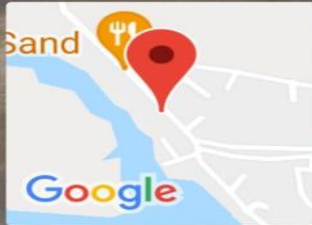

The Ice plant consist of Ammonia Compressors, Condensers/Heat Exchangers, Ammonia Receiver, Cooling coil/Evaporator, Chilling tank, Paneling (Electrical equipments). The compressors used are suitable to operate with Ammonia and Freon refrigerant. They make use of water cooled condensers for condensing the refrigerant. The Ammonia receiver is used to prevent excessive liquid ammonia from staying in the condenser. The cooling coil evaporator is used as a heat transfer surface in which a volatile liquid is vaporized for the purpose of removing heat from refrigerated space. The chilling tank consist of ice tank, insulation of ice tank and ice block. The ice tank holds the cans, coils and the agitator which is insulated with twelve to eighteen inches of insulating material. The size of ice cans vary according to the requirement. Apart from these there are other electrical equipments like voltmeter, ammeter, temperature sensor etc. The ice produced is utilized in fisheries, chemical, pharmaceutical industries etc.

**Subject: Letter of Appreciation.**

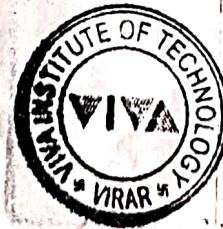

Respected Sir,

On behalf of Mechanical Engineering Department, VIVA Institute of Technology, we would like to extend our heartfelt appreciation for your time and effort for conducting a two day visit at Ice Factory on 11<sup>th</sup> & 12<sup>th</sup> April 2022. Our Students enhanced the knowledge in the subject of Heating, Ventilation, Air-Conditioning and Refrigeration. The time you dedicated to the event is highly appreciated not only by students but also by the faculties who attended.

We also want to thank you for your contributions for making the event successful. The assistance and effort you gave was tremendously remarkable. We hope that you will continue your great work in teaching students like us in dealing with these matters in future too.

Thanking you,
