Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite

& transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

**#Provident Fund Contribution Option:**

As permitted by the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and its Rules, at the time of joining, if you give your written consent, Company will provide you an option to limit your Provident Fund Contribution to maximum monthly wage ceiling defined by EPF authority (Currently it is Rs. 15,000/- per month) instead of on the entire basic salary mentioned in this salary break-up sheet. You understand and agree that if you explicitly consent to choose the above mentioned option, you will see following impact in your monthly pay slip.

- There is no impact on your Gross salary and CTC salary as stipulated under Annexure A.
- Both Employee's contribution and Company contribution to E.P.F will be lesser than what is mentioned in the salary break-up sheet under Annexure A -I point no. 3. Differential amount will be shown under "Special Pay I" in your pay slip. Income tax deduction benefit would reduce to that extent.
- As EPF deductions are less, your take home pay would be more than what is stipulated under Annexure A. This will attract appropriate income tax.

You agree and understand that as and when the EPF authorities revise maximum monthly wage ceiling (currently Rs. 15,000/- per month) appropriate changes will be made keeping the same principle, i.e. limiting both employee and employer contribution to statutory wage ceiling, as long as it is permitted by the law.
