### Programme Details:

Convergence 2023 is an inter collegiate event which include different track as Major project , Minor project , Poster making and Reel making competition. Various colleges took part in the competition. Students of EXTC branch were competing in 4 fields of competition at VIVA Institute of Technology.

The major project competition was organised specially for the BE students who showcased their final major projects. In the minor project competition TE and SE students were competing. In poster making competition students showcased their projects in the form of attractive posters which provided information about their projects. Reel making competition was an interesting one and was judged on the basis of likes through department instagram account and different parameters as per rules and regulations.

Indeed it was an amazing event where different projects related to different topics were at display like robots, IOT based, drones, software based systems. The event ended with the deserving projects winning exciting cash prizes.
