Computer Engineering Department

Topic Name:	Seminar on Internet Of Things
Name of the Guest Speaker:	Prof. Anita Chaudhary
Designation:	HOD IT
Organization/Institution:	St. John College of Engineering
Date:	24/9/19
Time:	10:00 am to 12:30pm

Programme Summary/Details: The CSI-VIVA Tech successfully organized the seminar on Internet Of Things at VIVA Institute of Technology, Computer Engineering Department. The seminar was conducted by CSI VIVA-Tech and was attended by Computer Engineering Students and Prof. Anita Chaudhary (HOD IT) of St. John College of Engineering was the lecturer for the day.

The students got an idea about the prerequisites needed in Internet Of Thing and also discussed about various fields and domain in engineering. In the seminar various sensors where discussed on raspberry pi3 i.e. ultrasonic, temperature, humidity, sound, fire, smoke, sensors. It was an interactive seminar session where student put forth their questions and opinions and got their doubts cleared regarding Internet Of Things. There was large participation from students of T.E. Computer Engineering.
