**Events organized during A.Y. 2019-2020**

### **1. GURUPURNIMA**

Guru or teacher has always been considered akin to a god in the Hindu culture. Guru Purnima or Vyasa Purnima is the day to celebrate and pay our gratitude to our Gurus. Guru Purnima is celebrated to honour our teachers, who remove the darkness from our minds. They have a special place in the lives of their followers since ancient times.

To celebrate the festival of Guru Purnima CESA had celebrated in our department on 16th July, 2019.

To express the feeling of respect towards teachers, the student felicitated H.O.D. Prof. Lissy Jose and other teachers of civil engineering department. It was an informal activity of value inculcation.

### **3. TECHCHASE 2019**

The CESA VIVA-TECH successfully organized the Inter collegiate Technical Festival Techchase-2019 on 29<sup>th</sup> August to 30<sup>th</sup> August 2019. Techchase was inaugurated by Principal Dr. Arun Kumar. Management members & the director, Mr. Hires Lohar of Vishnu Waman Thakur Charitable Trust graced the occasion. The team CESA worked very successfully. We also got very good response from all civil students. All Faculty and President of CESA helped everyone to accomplish the task and entire team was inspired by our chairman. Our publicity team worked excellent they worked very hard for publicity and we got great response. Also the role of purchase head was also hard but our purchase head did all things very well. They provided each an everything on time and thus we did our work very well. Everyone was very energetic and the main role of treasurer and accountant did their work in proper manner. The team behind all this was our creativity team. Their ideas were rocking and very helpful. Especially Our taskforce & CESA Members helped us a lot. Because of all them we carried out this event successfully.

### **4. POSTER MAKING COMPETITION**

To make students active poster making competition was held in our department on 11<sup>th</sup> October 2019. As a part of academics model was compulsory for SE students , so keeping it in mind model making competition was also organized by CESA on 11<sup>th</sup> October. We got very good response from students from different branches.
