### Programme Summary/Details:

Team Aries from Maharashtra achieved an impressive 9th rank in the SAE E-BAJA INDIA 2020 event held in Pitampur. They also secured the 1st rank in the Mumbai region, showcasing their exceptional skills and dedication. In terms of cost, the team achieved a commendable 15th rank, indicating their efficiency in managing resources. Their performance in sales earned them a respectable 25th rank, demonstrating their marketing prowess. Furthermore, they achieved a design rank of 31, highlighting their innovative and creative approach to vehicle design. With their remarkable achievements across various categories, Team Aries secured an impressive overall All India ranking of 22 in the SAE E-BAJA INDIA 2020 competition. This speaks volumes about their technical expertise, teamwork, and perseverance throughout the event. The team's success can be attributed to their meticulous preparation, rigorous training, and relentless efforts. They showcased their knowledge and understanding of the event's requirements through a well-structured presentation that impressed the judges. Their performance in the rulebook and automotive knowledge examination further showcased their depth of understanding in the field. Team Aries also demonstrated their ability to balance cost-effectiveness with performance by achieving a strong position in the cost category. Their sales and marketing strategies contributed to their success in reaching a wide audience and generating interest in their vehicle. The design rank reflects their commitment to innovation and pushing the boundaries of vehicle design. It is evident that Team Aries invested considerable effort in developing a unique and functional design that stood out among the competitors. Overall, Team Aries can be proud of their exceptional performance in the SAE E-BAJA INDIA 2020 event. Their impressive rankings across multiple categories and their strong All India ranking exemplify their dedication, technical prowess, and commitment to excellence.
