Certificate of Appreciation

This is to certify that **Mr. Amit Bhagwat** from Robertshaw Controls Pvt. Ltd., delivered guest lecture on "**Robotics**" for our S.E. students of Electronics and Telecommunication Engineering on 23rd February 2018.

Our faculty and students are very much delighted with his lecture.

Seminar on Parallel and Distributed Computing 2017.

Date: 27th July 2017.

Time: 09:30am to 12:00pm

Venue: Seminar Hall, VIT.

The CSI-VIVA successfully organized the seminar on "Parallel and Distributed Computing" at VIVA Institute of Technology. The workshop was conducted by Mr. Supratim Biswas and was attended by third and fourth year Computer Engineering students. He has conducted various workshops and seminars before and has experience in this field. He has vast knowledge about the subject and has experience in conducting workshops. In the seminar, he covered all the basic topics required for anyone to understand above mentioned techniques of computing. He discussed various algorithms and explained them with usage and efficiencies.

He covered various aspects of parallel computing as well as distributed computing, from basic environment issues operations to use of different functions. In this session, he also covered the different ideas about computing. He conducted the whole workshop using PPT's and by maintaining constant interaction with the students. He shared his content, knowledge and also his contact details for further queries.

Overall it was an interactive session.

Thanking You

Report on Big Data Hadoop Workshop-2019

Date: 23th & 24th September, 2019

Time: 9:00am – 4:30 pm

Venue: Lab no-07

The CSI-VIVA Tech successfully organized the workshop on Big Data Hadoop at VIVA Institute of Technology. The workshop was conducted by **Mr. Prakash Andhale** and was attended by Computer Engineering Students from B.E. They had experience in various fields. They had a vast knowledge about this subject and also has experience in conducting workshops for the same. In the workshop, they covered all the basic topics required for Big Data Hadoop.

They taught students how to use Big Data Hadoop for writing and executing code. They covered various topics in detail. In this session, they also covered use of Big Data Hadoop for better user Interface. They conducted the whole workshop by maintaining constant interaction with the students.

Overall it was an interactive session.

Thanking You

Report on Python Workshop-2018

Date: 9th April, 2018

Time: 9:00am – 4:30 pm

Venue: Room no 303, VIVA Institute of Technology.

The CSI-VIVA Tech successfully organized the workshop on Python at VIVA Institute of Technology. The workshop was conducted by Prof. Dnyaneshwar Bhabad from Viva Institute of Technology and was attended by Computer Engineering Students from T.E. He has experience in various fields. He has a vast knowledge about this subject and also has experience in conducting workshops for the same. In the workshop, he covered all the basic topics required for running Python3 codes.

He taught students how to use Jupyter Notebook for writing and executing python3 code. He covered various topics in detail such as creating GUI, evaluating regular expression, file handling and creating basic component by using Python3 language. In this session, he also covered how Python3 can be a better option for the topic of web development, data analysis and artificial intelligence rather than using different software's for different ecosystems. He conducted the whole workshop by maintaining constant interaction with the students.

Overall it was an interactive session.

Thanking You
