Approved by AICTE, New Delhi, DTE, Government of Maharashtra
And Affiliated to University of Mumbai

Department of Electrical Engineering

Industry Name:	ZENITH ENGINEERING COPRATION, VASAI
Name of the Expert Speaker:	Mr. R. Prajapati
Designation:	Asst. Engineer
Organization/Institution:	Viva Institute of Technology
Date:	19/03/2019
Time:	10:am onwards

Industry visited Summary/Details: An objective of an industrial visit is to provide students an insight into the internal workings of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides the student a practical perspective on the world of work. It provides students with an opportunity to learn practically through interaction, working methods, and employment practices. It gives them exposure to current work practices as opposed to possibly theoretical knowledge being taught at college. Under the guidance of our, Prof. MUKESH MISHRA, Electrical Engineering Dep, Viva Institute of Technology, an Industrial visit was organized on 19th March 2019. The electrical engineering department of Viva Institute Of Technology organized an industrial visit for the electrical student at Zenith Engineering Corporation, Vasai under the coordination of Prof Anuj Yadav, Prof. Chitralekha Vangla, and Prof.Sunil Sukhna. The aim of the industrial visit was to have a very good response for the students to have practical and industrial knowledge. The educational visit was organized to raise awareness on different types of load consumption by us and what is the effect of load on the power system. Finally we left the place at 4:30 pm and concluded the visit.
