**Industry visited Summary/Details:** VIVA Institute of Technology had organized an Industrial visit on 20th September 2019 to Gas Turbine Power Station, Uran. It was conducted for one day visit. Under the guidance of our Professors Mrs. Bhavita Patil & Mr. Rahul Abhyankar, Electrical Engineering Department. One of the aims of the educational excursion was to educate students about the crucial aspects related to the power plant. The students were exposed to practical things like boilers, Control Units, Generation, and Transmission Systems. The plant is regulated by Maharashtra state electricity generation. Students were able to gain information about the functioning of the Gas and Thermal Power Plant. The visit was organized to raise awareness on electricity Generation and Transmission. Finally we leaved the place at 4:30 pm and concluded the visit.
