Industry visited Summary/Details: VIVA Institute of Technology had organized an Industrial visit on 8th August 2019 to Technofour Pvt Ltd. It was conducted for one day visit. Under the guidance of our Professor Mr. Anoj Kumar, Electrical Engineering Department.

An objective of industrial visit is to provide students an insight regarding internal working of companies It provides students with an opportunity to learn practically through interaction, working methods, and employment practices. It gives them exposure to current work practices as opposed to possibly theoretical knowledge being taught at college. It opens a window of opportunity for the students to observe the current scenario and work on an industrial level.

The company is empowered with modern communication facilities. A competent workforce is leading the company towards newer heights. All the professionals who have enriched the company with their expertise in their respective fields are determined to achieve the targets by displaying impeccable credentials. Finally we leaved the place at 4:30 pm and concluded the visit.
