Industrial Visit: Amul India Pvt, Ltd

PERMISSION LETTER

Permission to visit your Industry for students of engineering External

CSI - VIVA <csi.comp@viva-technology.org>
to dnc

Thu, Feb 2, 2:36 PM ☆ ↶ ⋮

Dear Sir,

We, the Committee of CSI_VIVA TECH, Computer engineering Department, VIVA Institute of Technology, Virar (E), want to conduct an official Industrial Visit for Second Year students of engineering.

The IV has been initiated under CSI_VIVA TECH. Approximately 40-50 students and 2-3 staff members will be coming for the industrial visit. Seeking your permission to conduct an industrial visit to your reputed company on 17th February 2023, Friday.

This visit aims to make students understand the real-world industry process and how things get implemented. We intend to take a round of the entire industry and show the tasks handled in different departments. We hope you will respond to this request.

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same.

Thank you,

CSI VIVA-TECH,

Computer Engineering Department,

VIVA Institute of Technology, Virar (E)

Virar(E)

Respected Sir/Madam,

Thank you for your email & showing interest to visit our Dairy Plant.

We welcome you along with 50 students + 03 teachers of Computer Engineering Section, VIVA Institute of Technology, Virar (E) to our Dairy Plant located at Virar on 17/02/2023 at 2:00 pm (Friday)

As per your expectations, the students will get exposure to see our Dairy Plant, set up in the year 2013 near Virar in 11 acres of lush green land surrounded by mountains having automated process technology and good hygienic condition with facility to manufacture Fresh milk, Dahi, Butter Milk, Ice cream, Paneer and sweet plant (Rasmalai, Gulab Jamun, Rasgulla, Rabadi and Kaju Katri).

Please get in touch with Ms Sobha Menon / Mr Baby Dezusa on Mobile - 8550999709 / 8550999706 who will take care of your Visit on 17/02/2023.

We request you to kindly share list of students/teachers along with their Aadhar & contact details so that Gate pass can be issued accordingly.

PFA - Road Map for your ready reference, please. Seeing you at our Dairy Plant on 17/02/2023.

--

Thanks & Regards

Dhiraj Chauhan

Report on Industrial Visit (Amul India)-2022-23

Date: 13th FEBRUARY 2023

Time: 02.00 PM onwards

Venue: Amul India Pvt. Ltd., Virar (East)

Event: Industrial Visit

The CSI-VIVA successfully organized an Industrial Visit for S.E of Computer Engineering Department students at “**Amul India Pvt. Ltd**”. The industrial visit to Amul Company was arranged by CSI-VIVA TECH, and the students were eagerly looking forward to it with great enthusiasm and excitement. Students got the opportunity to gain comprehensive insights into the company's rich history, innovative operations, and meticulous production processes. As part of the visit, students were taken on a tour of their state-of-the-art factory or dairy plant, where they witnessed first-hand, the efficient and automated production of various dairy products. They were even privy to the entire process, from milk collection and pasteurization to packaging and distribution, as the company prides itself on providing high-quality dairy products that meet stringent safety standards. Moreover, during their visit in Amul, they made students understand their in-depth understanding of the different production techniques and quality control measures implemented by the company to maintain its reputation for producing top-of-the-line dairy products such as milk, butter, cheese, yogurt, and ice cream. You would get to observe the various stages involved in the production of these dairy products, such as the churning of butter or the making of cheese, and learn about the specific equipment and machinery used in each stage. In addition, students had the chance to interact with the company's knowledgeable and experienced employees, who could share their expertise and insights into the company's unique cooperative business model and successful marketing strategies. They could also provide you with a glimpse of the company's culture, values, and work environment, making it an enriching learning experience. The Industrial Visit to Amul proved to be a valuable and insightful experience for the

students, enabling them to gain extensive knowledge about the dairy industry and cooperative business model. The visit also presented an opportunity for the students to expand their perspectives and explore a different atmosphere firsthand. Witnessing the entire process of production and distribution of dairy products helped the students to understand how a company like Amul has achieved tremendous success and become a household name in India. Overall, the visit proved to be an enriching experience that provided the students with a unique learning opportunity.

Overall it was an Informative Event.

Thanking You
