Respected sir,

We are grateful to you for your valuable time and efforts for delivering a lecture on **Automation (PLC, SCADA, VFD & HMI)** for our second year electrical engineering students on 18th April, 2022 at 11.00.AM. Your lecture was very informative, knowledge, and motivating. Our students will cherish your value-adding words in their heart.

Hope for similar support in the future.

Thanking you.

Yours faithfully

Subject: Letter of Appreciation.

Dear Sir,

We are really grateful to you for your valuable time and effort as a Guest Speaker on "Industrial Automation" for our Final year Electrical Engineering students on 19th July, 2018. Your lecture was very much informative, knowledgeable and motivating to students. Our students will cherish your value adding words in their hearts.

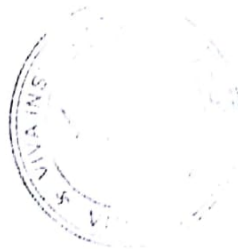

Hope for similar support in future too.

Thanking you

Yours faithfully,

Dr. Arun Kumar

SUB : Permission for Ameya RMC Plant Visit.

Respected Sir,

VIVA Institute of Technology established in the year 2009, nurtures a unique system of education for creating dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi, and DTE, Govt. of Maharashtra. It offers courses such as Mechanical, Electrical, Electronics and Telecommunication, Civil, Computer Engineering and MCA.

This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

As a part of curriculum, our students (div. A & B) of IV Semester Civil Engineering are interested to visit your AMEYA RMC plant, Nallasopara, on 16th March 2022(Wednesday) at 10:00 a.m. Four faculty members and 135 students will be there all together.

Kindly grant permission to visit your RMC plant.

Thanking you

For AMEYA CONCRETECH PVT. LTD.

Sub: Letter of appreciation

Respected Sir,

We are thankful to you for spending your valuable time for us and explaining the concrete mix design and working of RMC plant. Also we would like to convey our special thanks for arranging a visit at your RMC plant. The students thoroughly enjoyed the visit. It gave them a wide exposure in this field and helped develop a special interest in identifying different tests on concrete and its design. It will be credited to their practical experience to what they study theoretically.

Thanking you once again,

With warm regards,

HOD (Civil Engineering)

SUB : Permission for Ameya RMC Plant Visit.

Respected Sir,

VIVA Institute of Technology established in the year 2009, nurtures a unique system of education for creating dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi, and DTE, Govt. of Maharashtra. It offers courses such as Mechanical, Electrical, Electronics and Telecommunication, Civil and Computer Engineering.

This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

As a part of curriculum, our students of IV Semester Civil Engineering are interested to visit your RMC plant, Nallasopara, on 6th & 7th March 2018(Tuesday & Wednesday) for div A&B respectively at 10:00 a.m. Two faculty members will accompany 73 students each day.

Kindly grant permission to visit your RMC plant.

Thanking you

Principal

Dr. Arun Kumar

Santosh Bhavan,
Nallasopara East.

Subject: Letter of Appreciation

Respected Sir,

Thank you for providing our students an opportunity to visit your site in spite of your busy schedule. Your time talent and expertise on the subject of **Mix Design** was really helpful to our students in their understanding of the subject, creating in them a keen interest to learn the practical details. Your ideas, input, and enthusiasm were most helpful and have assisted us in making valid improvements to our program.

Report on Guest Lecture

Topic: Guest lecture on Operation Research

Resource Person: Mr. Pramod Shetty (Sams Techno Mech pvt ltd, Vasai).

Conducted on: 28/08/2019

Guest lecture was organized by the Department of Mechanical Engineering of Viva Institute of Technology, Virar for the BE students. Mr. Pramod Shetty delivered a discourse on the topic "Operation Research". He delivered enriching lecture on Analytical method of problem solving, Decision making and real time use of operation research in an organization. He has also thrown some light on various techniques of operation research. There were total 84 students present in seminar hall. He explained recent advancements and career scope in operation research. e. The lecture ended with an interactive session with the students.

Sr. No	Academic Year	Activity
1	2018-19	Guest Lecture on Industrial Engineering Management by Mr. Pramod Shetty

A short report on a guest lecture on "Industrial Engineering Management"

The lecture has been delivered by sir **Pramod Shetty, Production Manager SAMS Technomech Pvt. Ltd.** into which they covered the following major topics for Industrial Engineers work to make things better, be they processes, products or systems

• Typical focus areas include: – Project Management – Manufacturing, Production and Distribution – Supply Chain Management – Productivity, Methods and Process Engineering – Quality Measurement and Improvement

Project Management • Develop the detailed work breakdown structure of complex activities and form them into an integrated plan • Provide time based schedules and resource allocations for complex plans or implementations • Use project management techniques to perform Industrial Engineering analyses and investigations • Conduct facility planning and facility layout development of new and revised production plants and office buildings • Form and direct both small and large teams that work towards a defined objective, scope & deliverables • Perform risk analysis of various project options and outcomes

Manufacturing, Production and Distribution • Participate in design reviews to ensure manufacturability of the product • Determine methods and procedures for production distribution activity • Create documentation and work instructions for production and distribution • Manage resources and maintain schedule requirements to meet required production and distribution schedules • Process Optimization utilizing Simulation tools (Arena, etc) • Facilitate and Lead process improvement teams

Supply Chain Management • Manage Supplier relationships • Managing and report on company Supplier Cost / Performance Indices to management • Audit Suppliers and ensure supplier processes and procedures are being followed • Travel to suppliers to resolve issues • Coordinate first article Inspections

Productivity, Methods and Process Engineering • Define proper work methods for tasks • Define appropriate processes for work flow activities • Define key production measures • Define goals and data capture/analysis for key measures • Perform root cause analysis to improve poor performing processes • Develop appropriate incentive plans for work tasks • Determine capacity requirements and subsequent investment options

Quality Measurement and Improvement • Resolve quality-related issues in all aspects of the business • Work with design and production teams and outsource manufacturers to ensure product quality is maintained during the design and production phases • Audit defined processes and procedures to ensure that they are being followed • Coordinate and Facilitate 3rd Party Quality Audits.

They have been well co related how to study to tackle industrial problem in efficient manner.

Subject: Letter of Appreciation

Dear Sir,

We are really grateful to you for your valuable time and effort for delivering a lecture on "**Industrial Engineering Management**" for our Third year & Final year Mechanical Engineering students on 22nd March'2019. Your lecture was very informative, knowledgeable and motivating. Our students will cherish your value adding words in their hearts.

Hope for similar support in future too.

Thanking you.

Yours faithfully,

Dr. Arun Kumar

Ref. No.: **OFFER LETTER** Date:

To,
Mr. Sainath Satavse,
Your Ref: Bio Data & Interview held at STMPL, Vasai Plant on 21.05.2018.
Our Ref: No. 005/STMPL/18-19 Dtd.22.05.2018

Dear Sir,

With reference to your Bio-data and the subsequent Interview you had with us, we are pleased to appoint you as **"Graduate Engineer Trainee (GET)- Design"**. During this period your salary will be as discussed on 21.05.2018.

We would like you to join our Organization on 03.06.2018 as discussed.

You will be governed by rules and regulations of the company during the period of service.

You may please note that company reserves the right to transfer you to any other department or in any of its (Sister Concern) plants in or out of Mumbai. Your refusal to accept such a transfer would be considered as voluntary resignation on part of your employment in the company.

We look forward to your association with us and make a rewarding career with long term association.

Kindly return the duplicate copy of this letter duly signed by you as token of acceptance of this appointment. Please confirm the date of joining.

You will be given an appointment letter on the date of your joining along with your responsibilities.

You will be required to serve a notice period of one month in case of separation from the company.

Your Probation is for a Period of 1 Year and your Next Increment falls on 1st August 2019.

Thanking you,
Yours faithfully,
For **SAMS TECHNO MECH PVT. LTD.**
