CLEAN AND GREEN CAMPUS INITIATIVE
"Swachata Campaign"
Organized by
VIVA Institute of Technology on
1.10.2018

VIVA institute of Technology has always been taking care of overall growth of the students, staffs and surroundings. Keeping this in mind, some active students along with the help of our Principal Dr. Arun Kumar and some staffs have organized an awareness program and Swachata Campaign in the college and nearby area on 1st October, 2018

A clean India would be the best tribute India could pay to Mahatma Gandhi on his 150 birth anniversary in 2019," said Shri Narendra Modi as he launched the Swachh Bharat Mission at Rajpath in New Delhi. On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement.Taking this thought of our prime minister Shri Narendra Modi we Have taken up this initiative in inculcating the value of cleanliness in our students by organising such activities.We aim to continue doing such activity and keep inspiring others.

RECYCLE WORKSHOP

NSS Unit of VIVA-Tech organized a workshop on "Use of Newspaper bags as an alternative to plastic bags" in our mission to eradicate the use of plastic bags on **5th Oct, 2019**. The session was conducted by Prof. Pallavi Vartak and our principal Dr. Arun Kumar also participated in the workshop. A total of 300 Newspaper bags were made and 30 portable easy to make dustbins were also prepared. This paper bags will be distributed to students of our Institute. The highlight of this paper bags are that it doesn't require scissors or glue to prepare. The only raw material used is newspaper and origami. Paper bags are the oldest types of packaging material and are very much prevalent in the modern days in various fields. Infect, paper bag is one of the most common and popular form of packaging.
