## Policy for Green-Energy-Environment Audit

VIVA Institute of Technology is very much concerned for protecting environment for ensuring a clean and healthy environment within and outside the institute. Our policy is to meet following objectives.

### Objectives:

1. To develop awareness among students & staff members towards environmental conservation.
2. To take initiative for protecting environment.
3. To utilize the resource properly.
4. To utilize wastes and dispose safely.
5. To use water, paper, electrical energy and other resources efficiently.
6. To participate in the environmental protection events.
7. To take initiative for plantation and protecting the existing trees/plants.
8. To minimise the use of electrical energy.
9. To install solar cell.
10. To check and maintain the quality of water.

### Audit :

For conducting Green-Energy-Environment audit, certified agency to be identified and work order to be given.

### Scope for improvement:

As per report given by auditor, corrective measures should be taken to comply the deficiencies.
