Report on a program “SWANATRATA” organized by the Women Development Cell, VIVA Institute of Technology.

The Women Development Cell of VIVA Institute of Technology celebrated International Women’s Day on 7th March. On the auspicious eve, a skit performance by our college students titled “SWANATRATA” based on the theme of ‘Women Empowerment’ was presented before the mob of college students. The motto was to bring out the awareness amongst young generation about women and empowerment which includes the action of raising the status of women through education, raising awareness, literacy, and training. Women's empowerment is all about equipping and allowing women to make life-determining decisions through the different problems in society.
