Report on Webinar on Cloud Computing with Microsoft Azure(Monthly Event-1)-2021

Date: 26th August 2021

Time: 10:00 AM to 12:00 AM

Venue: Virtual, Google Meet

The CSI-VIVA successfully organized the event Webinar on Cloud Computing with Microsoft Azure at the Computer Engineering Department, VIVA Institute of Technology. The event was conducted by T.E Student MS. Priya Pathak, Ms. Mansi Patil who was very knowledgeable about Cloud Computing and Microsoft Azure and was attended by Computer Engineering students. The event was conducted to encourage students and to improve their technical and general knowledge on platforms used for Cloud Computing with Microsoft Azure.

They covered Microsoft Azure and Cloud Computing from the very basics, starting by explaining to the students, then handed a session on Azure, also covering various other elements such as Q&A session, Compute Models and Deployment Models. Finally, discussion on Microsoft Learn Student Ambassador Program with their journey towards MILSAP. There was large participation from students of T.E and B.E Computer Engineering.

Overall it was an Informative event. Thanking You

Report on Webinar(Monthly Webinar-II)-2021-22

Date: 5th October 2021

Time: 03:00 PM to 04:30 PM

Venue: Virtual, Google Meet

The CSI-VIVA successfully organized the Webinar on Cyber Security and Ethical Hacking at the Computer Engineering Department, VIVA Institute of Technology. The Webinar was conducted by CSI Members, who was very knowledgeable about the process involved in Cyber Security and Ethical Hacking and was attended by Computer Engineering students. The event was conducted to encourage students and to improve their technical and general knowledge on platforms used for Cyber Security and Ethical Hacking.

He covered all the points from the very basics, starting by explaining to the students, the complete need for Cyber Security, also covering various other elements such as Stages of Hacking, and the complete overview of Attack Vectors, Penetration Testing, along with teaching the implementation. Finally, discussions on Prevention from Cyber Attacks were done. There was a large participation from students of T.E and B.E Computer Engineering.

Overall it was an Informative Webinar.

Thanking You

Report on Guest Lecture

Topic: Industry 4.0

Resource Person: Mr. Bhaveshkumar Pasi (Consultant, Tata steel)

Conducted on: 24/03/2022

The Department of Mechanical Engineering organized a Guest Lecture on the title "Industry-4.0" for final year BE students. Mr. Bhaveshkumar explained the various levels of Industrialization happening in the world giving lucid examples and practical illustrations and made the students understand the status of Indian Industrialisation. He brought clarity on the distinctions between Science, Engineering and Technology. The resource person also elaborated about the need for automating an Industry in order to improve in terms of productivity, reliability and repeatability. He shared about how the automated robots, IoT, Cloud computing, Big Data, Augmented reality, Cyber Security etc., play a major role in Industry 4.0. And a description was given about building a 4.0 Environment that included Plan/Design of an architecture, Simulating, Validating, Fine Tuning and Implementing. It was a very interactive session and the students clarified their doubts. The Session was attended by the students and the Faculty members of the Department of Electrical and Electronics Engineering and Mechatronics Engineering.

Mumbai.

Subject: Letter of Appreciation.

Respected Sir,

We are grateful to you for your valuable time and effort in conducting workshop on “**Training on Microsoft Word & Excel**” for our Third year (Semester-V) and Final Year (Semester-VII) students of Mechanical Engineering on 30th June 2022 & 1st July 2022. Your workshop was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in the future too.

Thanking you.

Yours faithfully,
