Department of Mechanical Engineering

2 Days Student Workshop:	Kaizen
Name of the Guest Speaker:	Mr. Faizal Shaikh
Designation:	Owner
Organization/Institution:	Factories of Future
Date:	03 rd & 4 th October 2019
Time:	10.00 am Onwards

Programme Summary/Details:

The Department of Mechanical Engineering organized a student workshop on Kaizen. The workshop aimed to educate students about the principles and techniques of Kaizen. The session included an introduction to Kaizen principles and the various symbols used in Kaizen charts. The students received practical training on how to prepare Kaizen charts, which proved beneficial for their final year subjects like Production Planning and Control. The workshop equipped students with practical knowledge and skills that can be applied in real-world scenarios, especially in the field of production and manufacturing. The workshop provided a comprehensive understanding of the application of Kaizen symbols and the process of chart preparation. The workshop aimed to enhance students' understanding of Kaizen and its application in fields like production planning and control. It offered valuable insights into lean manufacturing and advanced trends in Kaizen methodology.
