Department of Mechanical Engineering

Topic Name:	How to Prepare for GATE Exam
Name of the Guest Speaker:	Mr. Trapesh Meena
Designation:	Engineering Services
Organization/Institution:	Air India
Date:	21/08/2021
Time:	03.00 Onwards

Programme Summary/Details:

The guest lecture on the topic of how to prepare for the GATE (Graduate Aptitude Test in Engineering) exam provided valuable insights and strategies to help students effectively prepare for this highly competitive examination. The lecture covered key aspects such as understanding the exam structure, creating a study plan, utilizing resources, and developing effective study techniques.

The guest speaker emphasized the importance of thoroughly understanding the GATE exam pattern and syllabus. They highlighted the need to familiarize oneself with the different sections, marking scheme, and time constraints. The lecture stressed the significance of analyzing previous years' question papers to identify recurring topics and understand the question format.

Furthermore, the lecture emphasized the need for a well-structured study plan. The guest speaker recommended breaking down the syllabus into manageable sections and allocating dedicated time for each topic. They emphasized the importance of consistency and regular revision to retain and reinforce the learned concepts. The lecture also provided guidance on setting realistic goals and milestones throughout the preparation period.
