Programme Summary/Details.

To bridge the gap between syllabus and recent trends in Industry requirements, the concept of content beyond syllabus is introduced. Seminar on Journey from Institute to industry is conducted for students in order to get the practical knowledge about advanced technologies used in IT Industries.

The Seminar started with the Introduction of Mr. Nirav Patel to all participants and by presenting a flower bouquet to him and to Dr. Arun Kumar, Principal of VIVA Institute of Technology, Shirgaon Virar(East). Dr. Arun Kumar, welcomed all the participants and guests and highlighted the importance of this Seminar. In his welcome address he explained that new technologies learning is rapidly becoming one of the most cost effective ways to educate the world's rapidly expanding workforce. In view of this, a day like today is very important for all of us, as it provides us the opportunity to learn about the requirements of IT Industries, which is very Important for technical education fields. He also explained that the aim of this Seminars is to create maximum awareness among students and faculty members about need of IT industries trends and its various initiatives.
