Agenda:

1. Change in teaching-learning process from online mode to physical mode.
2. Identify the students having difficulty in study due to covid-19 and resolve the same.
3. Guidance to students for offline examination
4. Any other matter with permission of chair

chairperson of IQAC, Dr. Arun Kumar welcomed all the members and meeting commenced.

Discussion was made on the above agenda and following points were noted.

1. Due to covid-19 lockdown, both students and faculty members should change

teaching-learning process i.e. modules to be covered in limited time as per guidelines given by university of Mumbai. Students should be trained for multiple choice questions/answers as well as subjective questions/answers.

2. It was suggested to identify the students who had difficulties during Covid-19 and could not appear at the test/end semester examinations. Their problems should be solved so that such students will come under normal situation.

3. As per university of Mumbai, students should be aware of the SOP for offline examinations. They should be explained about the possibility of revaluation of answer books.

4. Actions taken:

a) Sufficient precautions were taken by the staff as well as students in the campus to safe guard themselves from Covid-19.

b) Reduced portion was given to students and mock test was conducted.

c) Attempt was made to bring the students and staff in comfort zone by giving the facility on physical mode as well as online.

d) We tried our level best to adopt positive approach only.

5. Meeting ended with vote of thanks by the principal.
