<b>Time:</b>	10.00 am Onwards

### Programme Summary/Details:

TechChase 2019 was held on the 29th and 30th of August, at VIVA Institute of Technology. The inauguration ceremony started in the seminar hall with blessings from principal sir and other dignitaries. The TechChase Shield made by Scrap and Waste Materials was revealed. An important environmental message to plant trees was conveyed by watering a sapling. With this, TechChase kicked off. 25 events across the five departments of engineering were organized. Registrations were online through Google Forms. This year, TechChase saw a higher footfall because of a great social media influence on the promotion of the event. Students showed good participation in the events across the five departments. The students applied their knowledge and textbook concepts in real life. Students, those organizing and those participating, were able to learn and enhance their knowledge in the field of technology. Overall, TechChase 2019 was full of amazing experiences and knowledge enhancing for all.
