Report on IOT Workshop-2019

Date: 19th & 20th September, 2019

Time: 9:00am – 4:30 pm

Venue: Room No. 303

The CSI-VIVA Tech successfully organized the workshop on Internet Of things at VIVA Institute of Technology, Computer Engineering Department. The workshop was conducted by Tech Cryptors and was attended by Computer Engineering Students from T.E. They had experience in their field. They had a vast knowledge about this subject and also have experience in conducting workshops for the same. In the workshop, they covered all the basic topics required for IOT.

They taught students how to use Arduino for writing and executing arduino chip code. They covered various topics in detail. In this session, they also covered use of IOT for better user Interface .various topics such as home automation ,wifi connectivity with devices,etc were performed. At the end of the workshop they also conducted a small competition among participating groups.They conducted the whole workshop by maintaining constant interaction with the students.

Overall it was an interactive session.

Thanking You

Report on Mobile App Control Bluetooth Robot Car Workshop-2019

Date: 19th & 20th September, 2019

Time: 9:00am – 4:30 pm

Venue: Room no 302

The CSI-VIVA Tech successfully organized the workshop on Mobile App Development at VIVA Institute of Technology, Computer Engineering Department. The workshop was conducted by **Rex Researchers** and was attended by Computer Engineering Students from S.E. They had experience in various fields. They had a vast knowledge about this subject and also has experience in conducting workshops for the same. In the workshop, they covered all the basic topics required for Mobile App Development.

They taught students how to use App for writing and executing automatic car code. They covered various topics in detail. In this session, they also covered use of Mobile App Development for better user Interface. They conducted the whole workshop by maintaining constant interaction with the students.

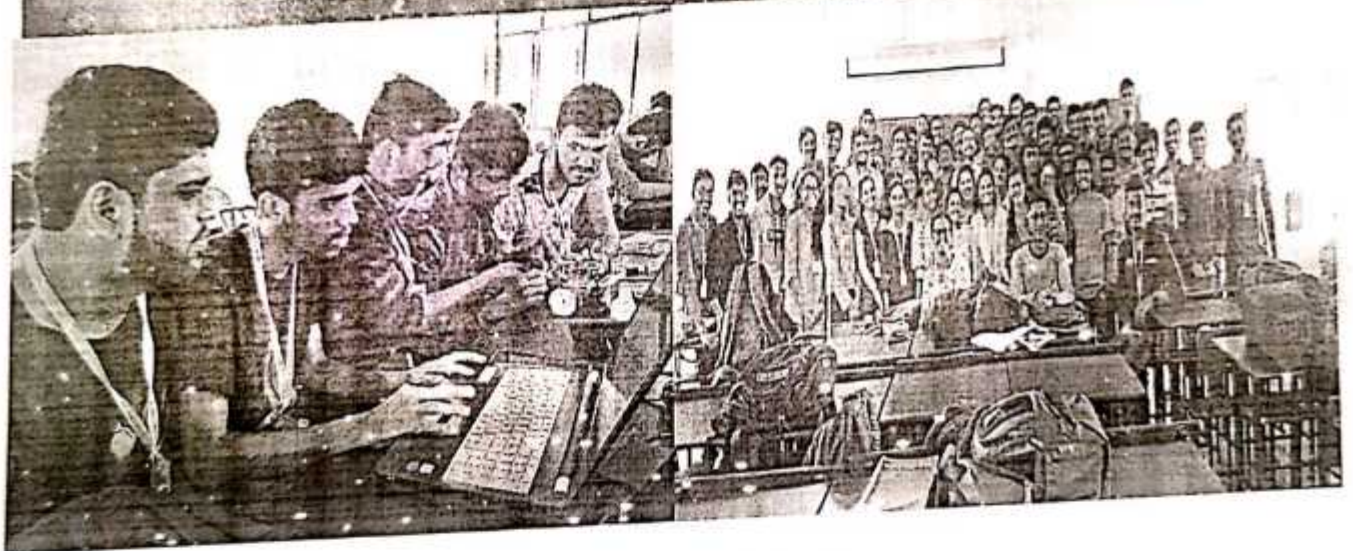

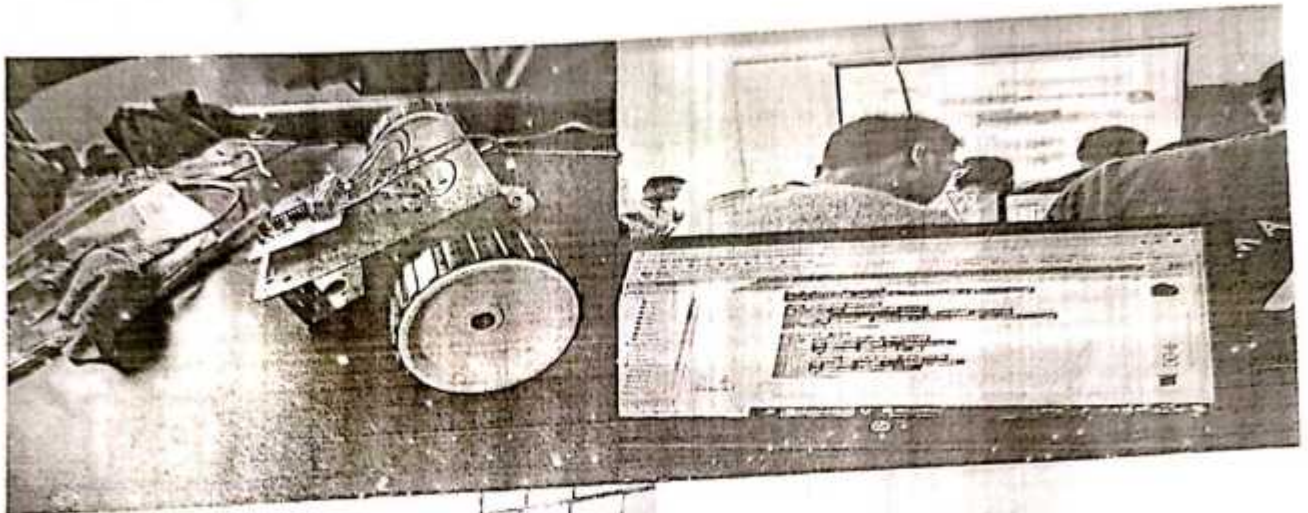

Overall it was an interactive session.

Thanking You

ADINATH PRADIP PATIL	31	B.E	Workshop was very knowledgeable. Sir have maintained friendly environment during sessions and I like the way of teaching.
RAVI NANDKUMAR VISHWAKARMA	78	B.E	Awsome workshop and good teaching technique.
RAJNARAYAN ARJUN BHAGAT	28	B.E	Nice.
Sonali Suresh Gaikar	56	B.E	Informative, Nice
shruti pawar	57	B.E	Nice
Sheetal Rasal	19	B.E	Enjoyed the workshop and get much more knowledge about Big Data and Hadoop. Thank you for giving your wonderful time for us.
Suyog pednekar	8	B.E	It was a very nice experience.
Bhoite Pranali Shivaji	8	B.E	Stunning Experience
Rajiv Tarsarya	65	T.E	very Interactive and enjoyable session
Sarjak Chawda	13	T.E	Good Workshop for learning the basics of Big Data processing.
Pujan Aditya Mukesh	53	T.E	Nice workshop got to learn many things! Hoping of attending many workshop like this.
Deepal s thakur	67	T.E	Interactive session...
Kunal Deepak Mestry	38	T.E	It was really a nice experience...got to learn many more things around the world and things currently being used in the market....!!

Report on Internet Of Things (Seminar) -2019

Date: 24th September 2019

Time: 10:00 am to 12:30 pm

Venue: Room No. 303

The CSI VIVA-tech successfully organized the seminar on Internet Of Things at Computer Engineering Department, VIVA Institute of Technology. The seminar was conducted by CSI VIVA-tech and was attended by Computer Engineering students and Prof. Anita Chaudary (HOD IT) of St. Johns College Of Engineering was the lecturer for the day.

The students got an idea about the prerequisites needed in Internet Of Things and also discussed about various fields and domains in engineering. In the seminar various sensors were discussed on raspberry pi 3 i.e ultrasonic, temperature, humidity, sound, fire, smoke sensors. It was an interactive seminar session where students put forth their questions and opinions and got their doubts cleared regarding Internet Of Things. There was large participation from students of T.E Computer Engineering.

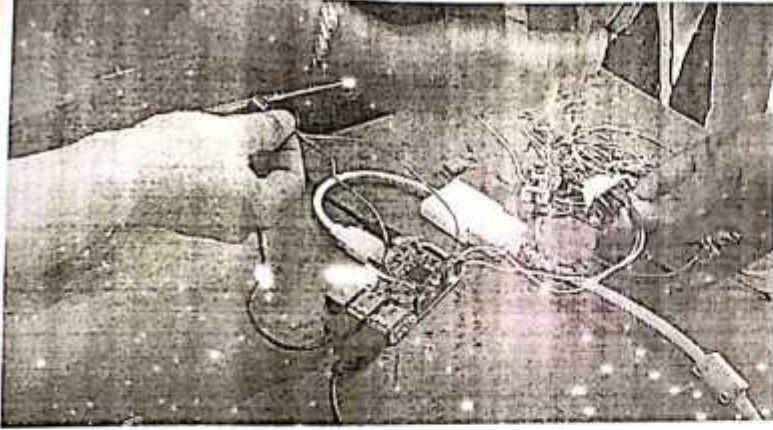

Overall it was an interactive and helpful seminar.

Thanking You.

Report on Advanced IOT Workshop-2020

Date: 27th & 28th February, 2020

Time: 08:45 am – 04:30 pm

Venue: Room No. 303

The CSI-VIVA Tech successfully organized the workshop on Advanced IOT(Internet Of Things) at VIVA Institute of Technology, Computer Engineering Department. The workshop was conducted by Tech Cryptors and was attended by Computer Engineering Students from T.E and S.E. The deliverer had experience in their field and had a vast knowledge about the subject. They were also experienced in conducting workshops for the same and well versed about the topic. In the workshop, they covered all the topics for the advanced IOT and also helped clear the basics.

They covered various topics in detail. In this session, they also covered use of IOT for better user Interface. Various topics such as home automation ,wifi connectivity with devices,etc were performed. At the end of the workshop they also conducted a small competition among participating groups. They conducted the whole workshop by maintaining constant interaction with the students and also cleared their doubts.

Overall it was an interactive session.

Thanking You

Report on Compiler Designing Guest Lecture-2020

Date: 4th March, 2020

Time: 11:00 am – 01:00 pm

○ Venue: Room No. 303

The CSI-VIVA Tech successfully organized the guest lecture on Compiler Designing at VIVA Institute of Technology, Computer Engineering Department. The lecture was delivered by Prof. Lynette D'mello and was attended by Third Year Computer Engineering Students. The lecturer had an experience of 10 years of teaching the subject and had a vast knowledge about the subject. She was very efficient in interacting with students and drawing the interest of students in the topic of lecture. In the lecture, she covered all the details about the Compiler Designing and also helped students clear the basics.

○ The lecturer covered various topics in detail such as the phases of Compiler Designing. In this session, she also covered the use of various advanced compiler tools and their use in current technology. The lecture motto was made successful by maintaining constant interaction with students and also clearing their doubts.

Overall it was an interactive session.

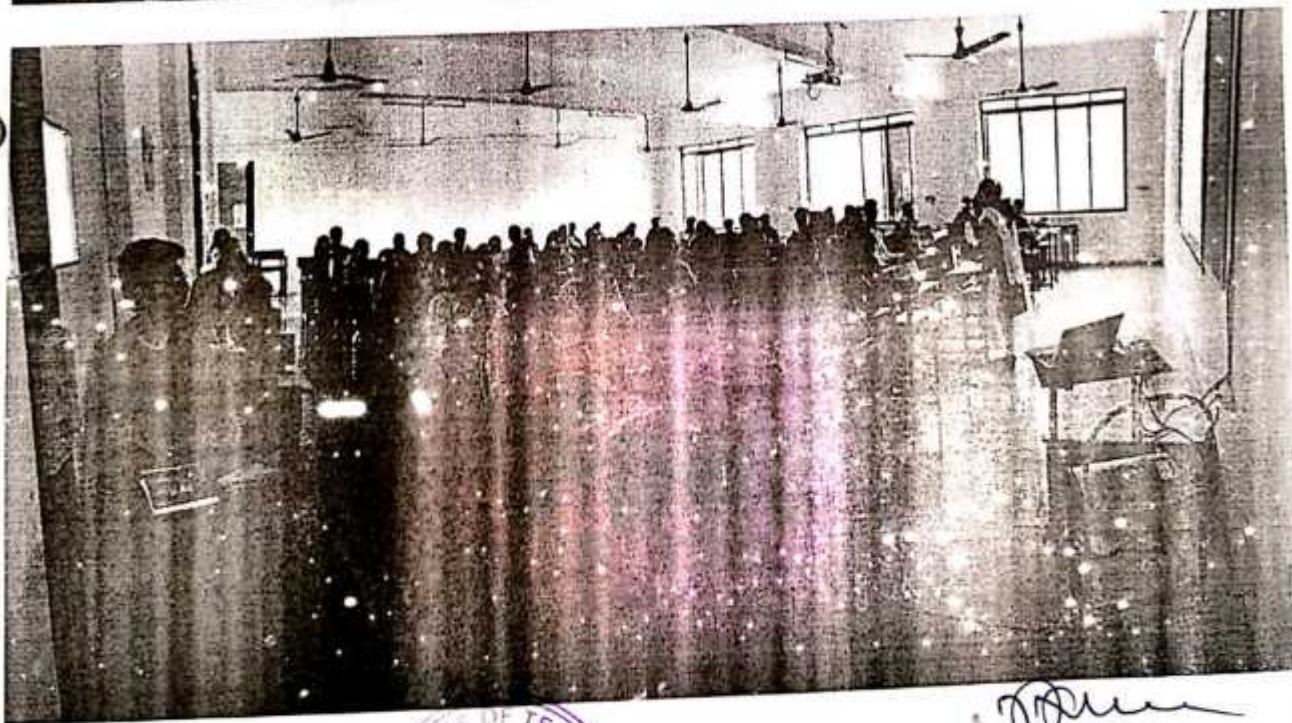

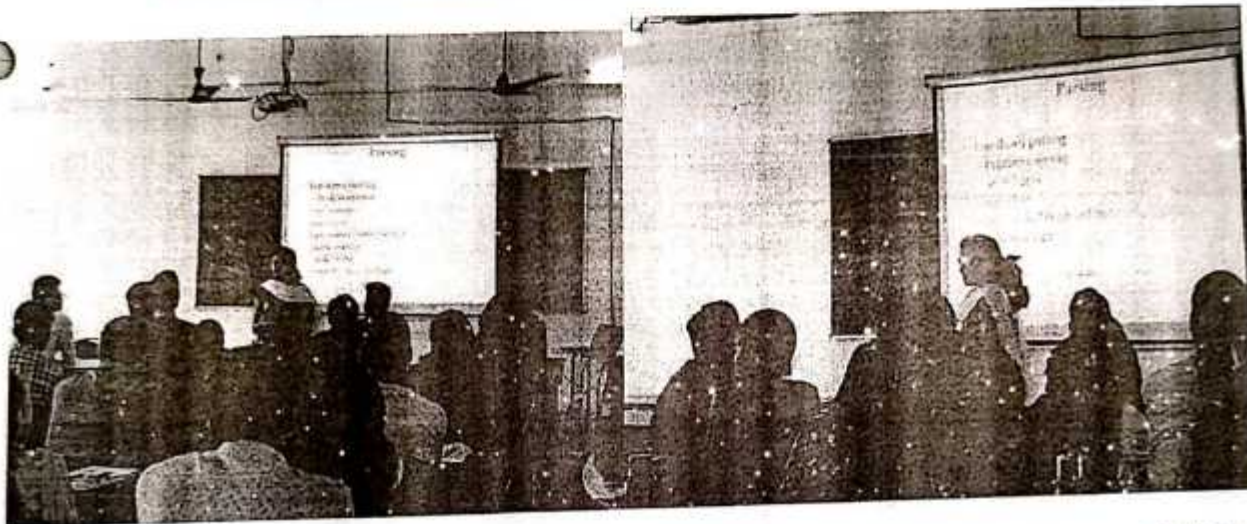

Thanking You

Report on Cybersecurity (Seminar) -2020

Date: 12th March 2020

Time: 02:00 pm to 03:00 pm

Venue: Seminar Hall

The CSI VIVA-tech successfully organized the seminar on Cybersecurity at the Computer Engineering Department, VIVA Institute of Technology. The seminar was conducted by CSI VIVA-tech and **Mr. Nishant Sawant and Mr. Vishal Shah** from **Meta Infotech** were the lecturers for the day. The lecturers were very well versed in their domain knowledge and also shared their experience of working in the Cybersecurity industry.

The students got an idea about the prerequisites needed in Cybersecurity and also discussed various fields related to Cybersecurity. The students were also explained about the current needs and trends of Cybersecurity and about the modern day tools of Cybersecurity. It was an interactive seminar session where students put forth their questions and opinions and got their doubts cleared regarding Cybersecurity. There was large participation from students of the Third Year and Second Year Computer Engineering Department and MCA.

Overall it was an interactive and helpful seminar.

Thanking You.

Subject: Regarding the payment of 2 days' workshop on PLC & SCADA

Respected Sir,

We, the Department of Electrical Engineering, have arranged a Two-day Workshop on PLC & SCADA under IESA for third-year electrical engineering students by Prolific Automation on 26th & 27th September 2019. The session charge per student is Rs 250/-.

A total of 54 students have registered for the workshop. The total amount collected is Rs 13500. We have to pay the amount through cheque. So, I request to make the cheque of Rs 13500 in favor of Prolific Systems and Technologies Pvt. Ltd.

Thanking you.

Yours Faithfully,

26/09/19.
