(26<sup>th</sup> June to 1<sup>st</sup> July 2023)

Organized by

**Internal Quality Assurance Cell (IQAC)**

**VIVA INSTITUTE OF TECHNOLOGY**

## OBJECTIVE OF THE STTP

A fundamental component of realizing human potential is education. The terrain of knowledge is changing quickly on a global scale. The objective of every educational institution must be excellence and quality. In higher education, accreditation and quality assessment are essential. The purpose of this STTP is to provide a conceptual understanding of the functions performed by different accreditation bodies and the process followed for assessing higher education institutions. Further, the program is designed in such a way that the participants will get the necessary inputs for acquiring Accreditation for their Institution.

The participants will be able

- ◆ To appreciate the importance of Quality Assurance and Accreditation in Higher Education.
- ◆ To understand the Revised Assessment and Accreditation Framework for Higher Educational Institutions

## ABOUT INSTITUTE

VIVA Institute of Technology was established in 2009 with a definite mission to raise the standard of the Institute above the benchmark level by providing students with advanced knowledge and the latest technology in their chosen discipline, tapping their hidden and obvious potential, and molding them into good and responsible citizens by playing a meaningful role in industry and society. The Institute is approved by AICTE, New Delhi, and DTE, Government of Maharashtra State, and affiliated with the University of Mumbai. The main objective of the Institute is to promote education at all levels.

## ABOUT IQAC

The Internal Quality Assurance Cell of VIVA Institute of Technology integrates itself into the institution's structure and works to achieve the objectives of quality improvement. The main objective of the IQAC is to create a framework for consciously, consistently, and catalytically improving institutions' overall performance. The IQAC committee of the college works to promote quality education by enhancing the academic and administrative performance of the institution. The primary duty of the IQAC committee is to establish a quality culture for the institution for intentional and continuous improvement. The Committee aims to internalize a quality ambience and institutionalize best practices in order to advance the technological growth of the institution.
