NSS Volunteers of VIVA INSTITUTE OF TECHNOLOGY attended a radio channel program where in “Events and Activities conducted by NSS Mumbai (West zone) were covered.” The event was conducted on 9th May 2021 morning at 11:20am and we could hear the appreciative story of NSS Mumbai zone unit through FM Gold Mumbai 100.1 MHz. In this session we were told to download Prasara Bharati newsonair App from google play store and were told to select FM Mumbai. We had listened to it using Gold FM without headphones and quality was also good. All India Radio covered many events which actually were praised by the speaker and it was an indeed nostalgic moment for all the volunteers. During the course of Covid-19 pandemic NSS units of Mumbai with the help of state/Central Government inducted various program related to not only pandemic but also on Severe issues such as mental health, importance of vaccination protocols and awareness program. Speaker also appreciated all the colleges, their principal and program officer without their co-ordination these events hadn't been so successful. After listening to it we were also told to share this with our friends and family, so that they can be inspired by it. And help us to do good work for society and our nation. We all felt very happy while listening to the story.
