Designation:	Tech Product Associate
Organization/Institution:	Corpcare, BKC
Date:	15/09/2022
Time:	10.00 am Onwards
Number of Students:	58

Programme Summary:

On account of engineer's day in the department of electronics and telecommunication a small celebration was done. All the teachers and students of Electronics and Telecommunication department gathered together in the seminar hall for the celebration. It started with the introduction and wishing all the student and the chief guest alumni of Electronics and Telecommunication department who graduated from the academic year 2021-2022.

The chief guest Nikhil Naidu is a young yet experienced EXTC graduate who has 8+ years' experience in the field of "BACKENED SYSTEM". He shared his experience of the market and how the industry works. He even shared detailed information about networking, database, API, cloud he even explained how servers work and he made it easy to understand to all by giving day to day life experience if the application "HOTSTAR". He even advised the students to pay attention to "BLOCK CHAIN SYSTEM" which according to him will be a revolutionary change in future.

The celebration ended by giving a token of thanks to NIKHIL NAIDU through the hands of HOD madam and with a lot of photographs and smiling faces.
