Department of Computer Engineering

Topic Name:	**Workshop on OOP and Algorithms**
Name of the Guest Speaker:	**Ms. Smita Sankhe**
Designation:	**Professor**
Organization/Institution:	**K.J. Somaiya College of Engineering**
Date:	**9th & 10th August, 2023**
Time:	**8:45am**

Programme Summary/Details:

The CSI-VIVA successfully organized A two day workshop on "ALGORITHMIC FOUNDATIONS: OOP AND ALGORITHMS" at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Prof. Smita Sankhe". She is working in the department of Computer Engineering at K.J. Somaiya College of Engineering from the last 17 years as an assistant professor. Her areas of interest include Programming, Algorithm Analysis, Machine Learning, Deep Learning, and Data Science. She has guided more than 30 undergraduate and 10 Post-graduate projects in a variety of thrust areas. In the past, she has completed research projects funded by Mumbai University. In addition, she has published two copyrights under the government of India in the field of Machine Learning. She has published over 25 research papers in reputed international and national journals and conferences. She is pursuing her Ph.D. in Machine Learning and Deep Learning.
