Events organized during A.Y. 2023-2024

1. TEACHER'S DAY CELEBRATION

Teachers' Day is celebrated on September 5th, marking the birth anniversary of Dr. Sarvapalli Radhakrishnan, a philosopher and the second President of India, who was also a respected educator. The day is dedicated to appreciating teachers and their contributions to education.

To celebrate this, the event was organized on 6th September 2023 by Civil Engineering Student Association.

The event left a lasting impression on everyone involved. Students celebrated Teachers' Day with a range of heartfelt activities designed to honor and appreciate their teachers. The day featured a series of events including special performances, speeches, and creative presentations that highlighted the impact of educators. Students presented gifts, cards, and flowers as tokens of their gratitude. The atmosphere was filled with enthusiasm and respect as students expressed their thanks through various personalized gestures. Overall, the celebration was a joyful and meaningful acknowledgment of the dedication and hard work of teachers, reinforcing the strong bond between students and their educators.

2.TECHCHASE 2023

A technical event in engineering which helps students to show their talent was held on 30th Sept & 1st October 2023.

The event was a resounding success, showcasing the latest innovations and developments in the field. The event featured a series of presentations, interactive sessions led by industry experts and academics. The event provided valuable networking opportunities and fostered collaboration among professionals, students, and industry leaders. Overall, it was an informative and inspiring occasion that highlighted the dynamic nature of civil engineering and its impact on shaping the future.

Various events were held in techchase 2023 such as :

- EVENT 1. LAND THE CHANDRAYAAN
- EVENT 2. FLOAT A BLOAT
- EVENT 3. GEOCACHING (TREASUREHUNT)
- EVENT 4. STICKS AND SPANS
- EVENT 5. SAVE THE WATER

3. AAKAAR-PROJECT EXHIBITION(2023)

A project exhibition was held by CESA students on 6th April 2023.

The project exhibition was a vibrant showcase of innovation and creativity, featuring a diverse array of student and professional projects. Each display demonstrated thoughtful design and technical expertise, with presenters offering detailed explanations and answering questions from an engaged audience. The exhibition fostered an environment of learning and collaboration, allowing participants to exchange ideas and gain feedback. Overall, the event highlighted the impressive talents and contributions of the participants, serving as a platform for inspiration and discovery.
