Subject: Invitation Letter

Dear Sir,

I hope this letter finds you in good health and high spirits. It is with great pleasure that I extend an invitation to you to be a guest speaker at our upcoming "2-Days Workshop on Advanced JavaScript & React JS" organized by the Department of Master of Computer Applications, VIVA Institute of Technology on November 9th & 10th, 2023.

We would be honored if you could deliver sessions for this workshop. The participants and organizers will be benefited a lot from your sessions. Kindly accept the invitation and grace the occasion.

If you have any queries, kindly contact 95118 78141.

Thanking You,

### Subject: Letter of Appreciation

Dear Sir,

Thank you very much for delivering an informative & thought-provoking session as Guest Speaker on "2-Days Workshop on Advanced JavaScript & React JS" held on "9th & 10th December 2023" at VIVA Institute of Technology, Department of Master of Computer Applications, Shirgaon Campus, Virar East.

It was really a splendid presentation which exposed students to the field practices. All the students appreciated and got benefited from your views on the subject and conceptual & hands-on implementation on "JavaScript & React JS".

Thank you for your valuable time & consideration and hope for the similar support & guidance in future also.

Thanking You,

Received

Virtual Salesforce Mumbai Group,
Maharashtra.

Subject: Letter of Appreciation
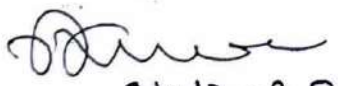

Dear Mam,

Thank you very much for delivering an informative & thought-provoking session as Guest Speaker on "1-Day seminar on Tech Now: Trends in Modern Technologies" held on "1st December 2023" at VIVA Institute of Technology, Department of Master of Computer Applications, Shirgaon Campus, Virar East.

It was really a splendid presentation which exposed students to the field practices. All the students appreciated and got benefited from your views on the subject and conceptual & hands-on implementation on "Salesforce Career & Development".

Thank you for your valuable time & consideration and hope for the similar support & guidance in future also.

Thanking You,

Dr. Arun Kumar

Subject: Letter of Appreciation
Dear Sir,

Thank you very much for delivering an informative & thought-provoking session as **Guest Speaker** on "2-Days Workshop on "Programming Concepts using Advanced Java" held on "23rd & 24th November 2023" at VIVA Institute of Technology, Department of Master of Computer Applications, Shirgaon Campus, Virar East.

It was really a splendid presentation which exposed students to the field practices. All the students appreciated and got benefited from your views on the subject and conceptual & hands-on implementation on "Advanced Java".

Thank you for your valuable time & consideration and hope for the similar support & guidance in future also.

received

Thanking You,

Seminar on Building gaps between industry and academia (7th August 2023 at VIT, Virar) `External` `Inbox x`

CSI VIVA-TECH <csi.comps@viva-technology.org>   Aug 4, 2023, 6:47 PM (3 days ago) ☆
to amey ▾

Dear,
Amey Raut Sir.

The subject of writing this mail is to inquire about the details of the seminar to be conducted on 7th August 2023 at VIVA Institute of Technology.

As we discussed previously, for the seminar on **'Building the gaps between industry and academia'** (7th August 2023, 2:00 pm onwards.) for Second year & Third year Engineering Students.

For this seminar, there will be around 100-120 students from engineering (SE & TE) and the seminar will work for about 1hr.

Do Provide Us With More Formal Information About The Speaker, If Any.

Thank you and best regards,
CSI VIVA-Tech,
Computer Engineering Department,
VIVA Institute of Technology, Virar.

Report on Event(Monthly Event-I)-2023-24

Date: 07th AUGUST 2023

Time: 1.30 PM onwards

Venue: VIVA Institute of Technology

Event: Seminar: Seminar on Building gaps between industry and academia

Total Participants: 67+40=107

The CSI-VIVA successfully organized the seminar on **"Building gaps between industry and academia"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Mr. Amey Raut". He is a serial entrepreneur, Founder of OTET infosystems and Director of TechTantra Automation Pvt Ltd. He has achieved a Master of Science in Management of Technology and a Master of business administration(MBA in general) from Murray State University, Kentucky, USA. His software development company OTET infosystems which he started along with his partner Parag Nerurkar back in 2017. OTET infosystems is well known to its customers for excellent mobile applications and website development. OTET infosystems has developed more than 600+ websites and 50+ more mobile applications in the last 7 years. OTET has a strong team of 15 developers. Mr. Amey Raut's another company Techtantra Automation pvt ltd is into IOT and electronics related product development. Recently their home automation products division which they have developed completely in house has been acquired by Pune based mnc. Techtantra has a product called Mobi Pump which helps farmers to turn On and Off their water pump from anywhere in the world. The Mobi Pump product is very helpful to farmers and it has gained popularity among farmers across India since 2020. He is a proud member of ghar. He is currently president of Business Network International (

Subject: Letter of Appreciation

Respected Sir,

We are grateful to you for your valuable time and effort in delivering a seminar on **"Building Gaps between Industry and Academia"** to Second Year and Third Year students of Computer Engineering on 07th August, 2023. Your seminar was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in future too.

Thanking You.

Yours faithfully,

Dr. Arun Kumar

Dear,
Smita Sankhe Ma'am.

The subject of writing this mail is to invite the respected speaker for the workshop which is to be conducted on 9th and 10th August 2023 at VIVA Institute of Technology.

As we discussed previously, for the workshop on **'ALGORITHMIC FOUNDATIONS: OOP AND ALGORITHMS'** (9th and 10th August 2023, 10:00 am onwards.) for Second year Computer Engineering Students.

For this workshop, there will be around 70-80 students from engineering (SE)

Thank you and best regards,
CSI VIVA-Tech,
Department of Computer Engineering,
VIVA Institute of Technology, Virar.

CSI VIVA-TECH

Report on Event(Monthly Event-I)-2023-24

Date: 09th and 10th AUGUST 2023

Time: 8:45 AM onwards

Venue: VIVA Institute of Technology

Event: ALGORITHMIC FOUNDATIONS: OOP AND ALGORITHMS

Total Participants: 49 (Day1), 37(Day2)

The CSI-VIVA successfully organized A two day workshop on **"ALGORITHMIC FOUNDATIONS: OOP AND ALGORITHMS"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Prof. Smita Sankhe". She is working in the department of Computer Engineering at K.J. Somaiya College of Engineering from the last 17 years as an assistant professor. Her areas of interest include Programming, Algorithm Analysis, Machine Learning, Deep Learning, and Data Science. She has guided more than 30 undergraduate and 10 Post-graduate projects in a variety of thrust areas. In the past, she has completed research projects funded by Mumbai University. In addition, she has published two copyrights under the government of India in the field of Machine Learning. She has published over 25 research papers in reputed international and national journals and conferences. She is pursuing her Ph.D. in Machine Learning and Deep Learning.

She covered all the points from the very basics, starting by explaining to the students about the algorithm. There was a large participation from students of S.E of Computer Engineering Overall it was an Informative Workshop.

Thanking You

The CSI-VIVA successfully organized A two day workshop on " PLAGIARISM AND REFERENCE MANAGEMENT" at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Dr. Devshree Ugvekar". She holds Master's degree in Library & Information Science in 2009 and achieved 1st rank in University of Mumbai. She got selected for UGC approved Post Graduate short-term course in Digital Library & Information Management from TATA Institute of Social Sciences in 2016-2017. She has been awarded Ph.D. in the field of Library & Information Science on the topic of "Academic Plagiarism: Innovative Integration of Libraries in Higher Education". She has also completed "Course on Academic Writing". Dr. Devshree started her professional career from All India Local self-government as Assistant Librarian & Documentation Service officer throughout networked Indian Regional offices. At present working as a Librarian & Information head with VIVA Institute of Technology & Integrated Campus. She has provided consultation, training to the faculties, students and researchers related to the Academic Writing, research tools & techniques aiming to inculcate research habits and provide knowledge base to research scholars. She is a Member of Bombay Library Association and Mumbai University & College Library Association (MUCLA). Coordinator of VIVA IMR organ..........................gramme and as a resource person to conduct the event of National I

Dear Ma'am,

The subject of writing this mail is to invite you as a guest speaker for the workshop which is to be conducted at the Department of Computer Engineering, VIVA Institute of Technology.

As we discussed previously, for the workshop on **'Python for Data Science'** (12th and 13th September 2023, 10:00 am onwards.) for Third-year Computer Engineering Students.
For this workshop, there will be around **70-80** students from engineering (TE)

Kindly send us the details of the speaker for the workshop as per the following:

1. Required details of Speaker (Bio):-

2. Position at current organization-

3. Current working organization-

4. The previous organization worked with-

5. Career Achievements-

6. Years of experience-

Do provide us with more Formal Information About The Speaker, if any.

Thank you and best regards,
CSI VIVA-Tech,
Department of Computer Engineering,
VIVA Institute of Technology, Virar.

Report on Event(Monthly Event-I)-2023-24

Date: 26th and 27th SEPTEMBER 2023

Time: 10:00 AM onwards

Venue: VIVA Institute of Technology

Event: WORKSHOP: PYTHON FOR DATA SCIENCE

Total Participants:24

     The CSI-VIVA successfully organized A two day workshop on **"PYTHON FOR DATA SCIENCE"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Prof. Shraddha More". She is an Assistant Professor and Deputy HOD at St. John College of Engineering and Management, pursuing a Ph.D. in Technology. Her research interests include on-device machine learning, computer vision, data science, machine learning, internet programming, Python programming, network security, digital logic design, big data analytics, and MERN/MEAN stack development. She has 11 years of academic experience, at St. John College of Engineering and Management, and Universal College of Engineering, Vasai. She is a life member of ISTE and IAENG and has published in various journals and conferences. Her research has been published in various journals, such as Flusser Studies, GIS Science Journal, Compliance Engineering Journal, IOSR Journal of Computer Engineering.

     She covered all the points from the very basics, starting by explaining to the students about Python. There was a large participation from students of T.E of Computer Engineering Overall it was an Informative Workshop.

Subject: Letter of Appreciation

Respected Sir,

We are grateful to you for your valuable time and efforts in conducting a workshop on **"Language Independence"** for Second Year and Third Year students of the **Department of Computer Engineering** for Five days from **9/10/2023** to **13/10/2023**. Your workshop was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in future too.

Thanking you.

Received

Yours faithfully,

13.10.2023

Report on Seminar-2023-24

Date: 27th SEPTEMBER 2023

Time: 11.00 AM onwards

Venue: VIVA Institute of Technology

Event: Seminar: Seminar on Importance of technical communities

Total Participants: 44

The CSI-VIVA successfully organized the seminar on **"Importance of technical communities"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Mr. Saksha Gotad". He is a student of TE computer engineering at VIVA Institute of Technology. He actively participated in technical communities and seminars outside the college and was enthusiastic to share his experience with his juniors in the department.

He covered all the points from the very basics, starting by explaining to the students about the importance of involvement in technical communities and making contacts with industry experts in the field. There was a large participation from students of S.E of Computer Engineering.

Overall it was an Informative Event.

Thanking You

Thu, Feb 8, 3:10 PM (6 days ago)

Dear,
Shoeb Shaikh Sir.

The subject of writing this mail is to **Invite** you as a guest speaker for the Seminar which is to be conducted at the Department of Computer Engineering, VIVA Institute of Technology.
As we discussed previously, for the Seminar on **'Data Science and Generative AI'** (13th February 2024, 11:00 am onwards.) for **SE, TE** and **BE** Computer Engineering Students.
For this workshop, there will be around 80-100 students from the Computer Engineering Department.
Please acknowledge this mail with your availability.

Thank you and best regards,
CSI VIVA-Tech,
Department of Computer Engineering,
VIVA Institute of Technology, Virar.

Report on Seminar(Data Science and Generative AI)-2023-24

Date: 13th FEBRUARY 2024

Time: 11.00 AM onwards

Venue: VIVA Institute of Technology

Event: Seminar on Data Science and Generative AI

Total Participants: 167

The CSI-VIVA successfully organized the seminar on **"Data Science and Generative AI"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Mr. Shoeb Shaikh and Miss. Esha Prakash". Shoeb Shaikh is a highly experienced professional with a Master of Engineering degree from Mumbai University and over 12 years of diverse experience across multiple fields. Presently, he holds the position of Automation Test Engineer and Learning and Development Head at Testriq QA lab, LLP. His expertise spans various domains, including Manual Testing, API Testing, Automation Testing, Data Science, and Machine Learning. He is deeply involved in ensuring the quality and efficiency of software testing processes while also spearheading initiatives for learning and development within the organization. Esha Prakash is a B.Tech graduate from SRM Chennai with six years of experience in the field of Data Science. She has a diverse professional background, having worked as a Data Scientist at LTI and as a Data Science expert for various renowned brands, including the Bombay Stock Exchange. Currently, Esha is associated with Testriq QA lab, LLP, where she oversees the Data Science and Data Analytics Department. Her domain interests include Big Data Analytics, Machine Learning, Natural Language Processing, Generative AI, Prompt Engineering, and Big Data. Additionally, Esha is an au   'Love Peace Joy Light', available worldwide on Amazon as an eBo

Sir,
We are very pleased that you have agreed to conduct a seminar on "Soft Skills" for our SE/TE/BE students of the Computer Engineering Department. I have written this letter to confirm the details of the seminar.

Date: 26th February 2024
Time : 11 to 2pm
Venue: Viva Institute of Technology, Virar (East)

Please let me know if anything else you need for the event. We are available to assist in all possible ways.

DEPARTMENT OF COMPUTER ENGINEERING

Report on Workshop (The Power of Soft Skills) 2023-24

Date: 26th FEBRUARY, 2024.

Time: 10:00am to 3:30pm

Venue: VIVA Institute of Technology

Event: Workshop on The Power of Soft Skills

Total Participants: 29 students

The Department of Computer has successfully organized a workshop regarding the power of soft skills at VIVA Institute of Technology. The workshop was conducted by "Mr. Keval Gada". His areas of interest include Software Development, Public Speaking, Team Leadership. He believes in connecting with individuals, sharing insights and collaborating with them. He covered all the aspects of soft skills like eye contact, body language, gestures and few others in both formal and informal conversations. He also conducted various activities during the workshop based on listening skills and held the workshop in a very interactive way. Students from S.E and T.E of the Computer Engineering Department attended the workshop. Overall the workshop was very informative and interactive that helped the students to learn about soft skills and their importance.

Thanking you.

Report on Seminar (Time Management) 2023-24

Date: 29th February 2024

Time: 10:00am to 12:00 pm

Venue: VIVA Institute of Technology

Event: Seminar on Time Management

Total Participants: 147 students

    The Department of Computer engineering has successfully organized a seminar on "Time Management" at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by " Dr. Brijesh Joshi". He covered all the points from the very basics, starting by explaining to the students about Importance of Time Management. He discussed various distractions faced by people and how to tackle them. The students also indulged in various activities throughout the seminar through which they reflected upon the distractions they face in their daily life under different circumstances that lead to the wastage of time and the solutions to these distractions. Students of S.E, T.E and B.E of the Computer Engineering Department attended this seminar. Overall this seminar was very informative and was held in a very interactive and fun way via various tasks and activities.

Thanking you.

Subject: Letter of Appreciation

Respected Sir,

We are grateful to you for your valuable time and efforts in conducting a seminar on **"Time Management"** for Second Year, Third Year and Fourth Year students of the Department of Computer Engineering on 29th February, 2024. Your seminar was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in future too.

Thanking You.

Yours faithfully,

29.2.24

Respected Sir,

The Department of Computer Engineering of Viva Institute of Technology cordially invites you to conduct a Guest Lecture on Renewable Sources of Energy for students of SE ,TE & BE.
It is our pleasure to invite you for the event.
Date: 4/3/2024
Time: 9 to 11 am
Venue: Seminar Hall
Kindly convey your convenience for the same.

Prof. Abhyankar <rahulabhyankar@viva-technology.org>   Fri, Mar 1, 11:30 AM
to me ▾
Thanks, I will be there.

DEPARTMENT OF COMPUTER ENGINEERING

Report on Seminar (Renewable Sources of Energy) 2023-24

Date: 4th March 2024

Time: 09:00 am

Venue: VIVA Institute of technology

Event: Seminar on Renewable Sources of Energy

Total Participants: 106 students

Our department had successfully organized a guest lecture on **" Renewable sources of Energy"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Prof. Rahul Abhyankar". Through this guest lecture students learnt about how resource management is important for human beings. Objective of the guest lecture was to give the students the basic knowledge about Solar thermal energy applications. He covered FOUR main topics on how we can manage resources which were Solar liquid flat plate collector, Solar Air Heater, Solar Ponds, Main components of Wind Energy, Micro Hydro Power Plant and how it works. He explained each of them very thoroughly and was easy to understand along with diagrams and presentations . Many students from S.E, T.E and B.E attended the guest lecture. The overall guest lecture was very informative for the students.

Thanking You.

Viva Institute of Technology, Virar.
Maharashtra.
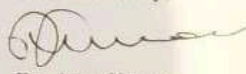

Subject: Letter of Appreciation
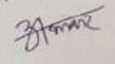

Respected Sir,

  We are grateful to you for your valuable time and efforts in conducting a Guest Lecture on **"Renewable Sources of Energy"** for SE, TE, BE students of the Department of Computer Engineering on 4th March, 2024. Your lecture was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

  Hope for similar support in future too.

Thanking You.

Yours faithfully,

Dr. Arun Kumar
Principal

Respected Sir,

The Department of Computer Engineering of Viva Institute of Technology cordially invites you to conduct a Guest Lecture on Basic Self Defense Techniques for all Girl's students of SE ,TE & BE on the Occasion of International Women's day.
It is our pleasure to invite you for the event.
Date: 7/3//2024
Time: 10 to 11am
Venue: S.E Classroom
Kindly convey your convenience for the same.

Ankit Bhoir <ankitbhoir@viva-technology.org>   Wed, Mar 6, 11:40 AM
to me ▾

I accept the invitation.

DEPARTMENT OF COMPUTER ENGINEERING

Report on Seminar (Basic Self-Defense Techniques) 2023-24

Date: 7th March, 2024.

Time: 10:00am to 11:00am

Venue: VIVA Institute of Technology

Event: Seminar on Basic Self-Defense Techniques

Total Participants: 33 students

The Department of Computer has successfully organized a seminar regarding the Basic Self Defense Technique at VIVA Institute of Technology. The seminar was conducted by "Mr. Ankit Bhoir". He believes that the first line of defense is awareness. Through various drills and activities, he instilled confidence in the women of the computer department, affirming their self-sufficiency in self-defense. He covered recent cases of attacks on women, enlightening the students on how to both avoid and counter such incidents.With the self-defense techniques imparted by Mr. Ankit Bhoir, women of the computer science department are now well-equipped to defend themselves. Female students from S.E, T.E and B.E of the Computer Engineering Department attended this self defense seminar. Overall the seminar was very informative for the female students where they learned the importance of self-defense and various techniques through demonstration.

Thanking You.

<u>Report on Seminar</u>(Advanced Microprocessors)**2023-24**

Date: 14th MARCH 2024

Time: 1:30 PM to 3:30 PM

Venue: VIVA Institute of Technology

Event: Seminar on Advanced Microprocessors

Total Participants: 59

The CSI-VIVA successfully organized the seminar on **"Advanced Microprocessors"** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by "Dr. Sunny Sall". He is an Assistant Professor at St. John College of Engineering and Management, the individual likely holds an academic position focused on teaching, research, and potentially serving within the institution. He has conducted several research papers to discover new things in their field and share their findings with others. He will share his expertise in the field of microprocessors.

He covered all the points from the very basics, starting by explaining to the students about the importance of Advanced Microprocessors. There was a large participation from students of T.E and B.E of Computer Engineering.

Overall it was an Informative Event.

Thanking You

Department of Electronics & Telecommunication Engineering

Topic Name: Basic Electronics,Startup,Applications and scope of EXTC Engineers.

Name of the Guest Speaker: Mr. Rohit Pandey.

Designation: Founder of Airfly.

Organization/Institution: VIVA Institute of Technology.

Date: 28th Feb 2024.

Total no of students: 45.

Programme summary:

The lecture was organized and schedule under VIVA institute of technology EXTC department Student forum. Guest speaker Mr. Rohit Pandey sir took the session about Basic Electronics, Startup and Scope of EXTC Engineers. Where he very interestingly taught about importance of EXTC branch and various opportunity for the students of EXTC engineering, and gave ideas about startups and taught us how to start own business. He gave us acknowledge about various types of batteries and about different courses available for EXTC students. He also taught about how to develop skills and knowledge in Business. He cleared all the doubts about scope of Electronics & Telecommunication students.

Thanking you,

Name of the Guest Speaker:	Mr. Ashwin Kharwa
Designation:	Associate Project Manager
Organization/Institution:	Packt Publishing Company
Date:	16/10/2023
Time:	9.00-11.00am

Programme Summary/Details:

In a highly informative and engaging guest lecture by Mr. Ashwin Kharwa, an esteemed expert in corporate etiquette and Associate Project Manager, shared invaluable insights on the importance of corporate etiquette.

Key Takeaways:

1. Professional Communication Skills: Mr. Kharwa emphasized the significance of effective communication in the corporate realm. He provided practical tips on how to articulate ideas clearly and professionally, emphasizing the importance of active listening and concise expression.

2. Workplace Decorum: The lecture delved into the essential aspects of workplace behavior, including punctuality, dressing appropriately, and respecting hierarchies. Mr. Kharwa stressed the impact of these seemingly small details on professional reputation and career growth.

3. Networking and Building Relationships: Building professional networks is crucial for career advancement. Mr. Kharwa shared strategies on how to establish meaningful connections within the industry, highlighting the importance of genuine interactions and mutual respect.

4. Handling Challenging Situations: Addressing the realities of the workplace, Mr. Kharwa provided insights on handling conflicts and challenges diplomatically. He shared real-world examples and practical techniques for resolving disputes and managing stressful situations professionally.

Respected Sir,

  We are grateful to you for your valuable time and efforts in conducting a Guest Lecture on **"Corporate Etiquette Guide"** for Third year and Final year students of the **Department of Mechanical Engineering on 16/10/2023.** Your Lecture was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

  Hope for similar support in future too.

Thanking you.

Yours faithfully,

16.10.2023

Department of Mechanical Engineering

Topic Name:	Labour law & Industrial Relation
Name of the Guest Speaker:	Mr.Umesh Pandya
Designation:	Human Resource Consultant
Organization/Institution:	Systemize,vasai East.
Date:	02/04/2024
Time:	9.45-12.00pm

Programme Summary/Details:

Mr. Umesh Pandya began his lecture by highlighting the importance of understanding labour laws and industrial relations, especially for future engineers who will likely take on managerial and supervisory roles. He emphasized that a solid grasp of these topics is crucial for fostering a healthy, productive, and legally compliant work environment.

Key Takeaways from session

- **Importance of Compliance:** Mr. Pandya stressed the necessity for engineers to ensure compliance with labour laws to avoid legal issues and foster a positive workplace culture.
- **Proactive Conflict Resolution:** He advised future managers to adopt proactive measures in resolving industrial disputes to maintain harmony and productivity.
- **Continuous Learning:** The dynamic nature of labour laws requires continuous learning and adaptation, a critical aspect for any professional aiming to excel in their career.

Assistant Manager

Voltas Limited, Mumbai

Venue:- Seminar Hall

Prof. Mayur Jagtap

Guest Lecture In-Charge

Prof. Niyati Raut

HOD Mechanical

Department of Mechanical Engineering

Topic Name:	Opportunities in HVAC & R Industry
Name of the Guest Speaker:	Mr. Roshan D'souza & Danison Plavila
Designation:	Assistant Manager
Organization/Institution:	Voltas Limited, Mumbai
Date:	10/10/2023
Time:	11.00-12.30pm

Programme Summary/Details:

Mr. Plavila commenced his lecture by providing an in-depth overview of the HVAC industry. He elaborated on the significance of HVAC systems in various sectors, emphasizing their role in ensuring indoor air quality, thermal comfort, and energy efficiency. The lecture delved into the technological advancements transforming HVAC systems. Mr. Plavila discussed the integration of IoT (Internet of Things), smart sensors, and automation in HVAC, highlighting how these innovations optimize energy consumption and enhance system performance. He emphasized the importance of staying updated with these advancements for aspiring HVAC professionals.

One of the focal points of the lecture was the diverse career pathways available in the HVAC industry. Mr. Dsouza outlined various specializations such as HVAC design, installation, maintenance, and energy auditing. He also discussed the demand for experts in green building technologies, emphasizing the role of HVAC engineers in sustainable architecture.

He encouraged students to focus on continuous learning and skills enhancement. He highlighted the value of certifications and training programs offered by industry organizations. Additionally, he emphasized the significance of honing soft skills such as communication, teamwork, and project management, which are crucial in the professional world.

Time:	9.45-12.00pm

Programme Summary/Details:

Mr. Ashish Lad, an expert in the HVAC industry, delivered an insightful lecture on "Trends & Innovations in HVAC Industry," focusing on current developments and future directions essential for engineering students.

Key Trends and Innovations

1. **Energy Efficiency and Sustainability:**
   - Emphasis on energy-efficient HVAC systems due to rising energy costs and environmental regulations.
   - Adoption of green technologies and sustainable practices.
2. **Smart HVAC Systems:**
   - Integration of IoT for enhanced control and monitoring.
   - Use of AI and machine learning for predictive maintenance and optimized performance.
3. **Indoor Air Quality:**
   - Increased focus on improving air quality in residential and commercial buildings.
   - Implementation of advanced filtration and purification technologies.

Sub: Invitation for handon-worksshop for BE Civil Engineering students.

Respected Madam,

VIVA Institute of Technology established in the year 2009, nurtures a unique system of education for creating dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi, and DTE, Govt. of Maharashtra. It offers courses such as Mechanical, Electrical, Electronics & Telecommunication, **Civil**, Computer Engineering, Computer Science & Engineering (Artificial Intelligence & Machine learning), M.C.A. and M.E.in Mechanical (Manufacturing Systems Engg.)

This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

I am pleased to invite you for hands on workshop at our institute for final year Civil Engineering students. Topic of Workshop could be **"ACADEMIC RESEARCH METHODOLOGY"**. Schedule of Workshop will be on **3rd August 2023, Thursday** from 1.30 pm to 3.30 pm for **Div A** and **4th August 2013 Friday** from 1.30pm to3.30pm for **Div B** . Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply,

Thanking You.

Yours faithfully,

Principal

Respected Sir,

We are thankful to you for spending your valuable time and expertise on the topic "Skill based Lab Course-II on Total Station" for our second year Civil Engineering students on 20th March 2024. All the students are very much delighted with your value adding session. We look forward for more such workshop, guidance and support in improving quality aspects in the subject.

Hope for similar support in future too.

Thanking You,

Yours faithfully

Topic name: Skill Based Lab Course II - Total Station workshop

Name of the Guest speaker: Mr. Pratik Raut

Designation: Land Surveyor Point Scale Survey & CO.

Organization/ Institution: Point Scale Survey & CO.

Date: 20/03/2024

Time: 10:00 onwards

The set up was for second year students as a piece of delicate expertise study. The speaker zeroed in on concerning the down to earth field work of Total Station at project locales. Additionally he made sense of the significance of Complete Station, its benefits, inconveniences, working of all out station. He gave the functional information about transitory setting of absolute station, assortment of definite highlights utilizing station. Information was gathered through total station on a helpful PC supported programming. Furthermore, sir likewise showed setting out establishment plan utilizing complete station.

After the talk, students had a chance to ask their inquiry and the speaker was adequately caring to give every one of the arrangements. To close, the study address by Mr. Pratik Raut was exceptionally enlightening. It will assist understudy with working complete station and create its result in terms of plans, heights and 3D view.

Sub: Invitation for Guest Lecture for BE Civil Engineering students.

Respected Sir,

VIVA Institute of Technology established in the year 2009, nurtures a unique system of education for creating dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi, and DTE, Govt. of Maharashtra. It offers courses such as Mechanical, Electrical, Electronics & Telecommunication, Civil, Computer Engineering, Computer Science & Engineering (Artificial Intelligence & Machine learning), M.C.A. and M.E.in Mechanical (Manufacturing Systems Engg.)

This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

I am pleased to invite you for a Guest Lecture at our institute for final year Civil Engineering students. Topic of lecture could be "Tenders and Contracts". Schedule of lecture will be on Monday, October 23rd, 2023 at 11:00 am-1:00 pm. Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply,

Thanking You.

Guest Lecture Report on Tenders and Contracts

Date : 23 October 2023.
Time : 11:00 am – 01:00 pm
Venue : Seminar Hall, Viva Institute of Technology.
Guest Lecturer : Mr. Abhijit Wasave
Organizer : Prof. Prashant Gondane
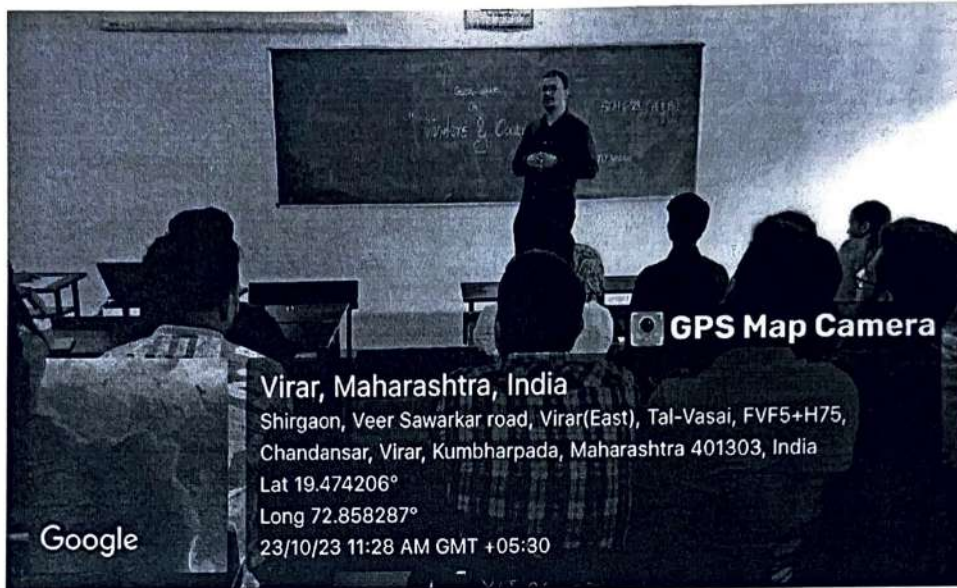

1. Introduction :
        A guest lecture on **"Tenders and Contracts"** was held on 23 October,2023 at Seminar Hall, Viva Institute of Technology. This Informative session was organized by **Prof. Prashant Gondane** and featured an expert in the field, **Mr. Abhijit Wasave** , who shared valuable insights into the intricacies of tenders and contracts. Tenders and contracts are pivotal elements of modern business, and the lecture aimed to elucidate the concepts and best practices associated with them.

2. Key Points Discussed :-

2.1 Understanding Tenders :
The lecture began with an in-depth exploration of tenders, a crucial aspect of business operations. Key points highlighted during this section included:

1. Definition of Tenders : Tenders are formal offers submitted by suppliers or service providers in response to solicitations from prospective clients, which may be government entities, private companies, or organizations. These offers lay out the terms, conditions, and pricing for delivering goods or services.

232

2. Types of Tenders : **Mr. Abhijit Wasave,** discussed the various categories of tenders, such as open tenders, selective tenders, and negotiated tenders. The lecture emphasized the advantages and disadvantages of each type and explained their common use cases.

3. Tendering Process :The lecturer provided a step-by-step overview of the tendering process, encompassing everything from the issuance of tender requests to the bid evaluation and the awarding of contracts.

2.2 The Significance of Contracts :

Transitioning to the topic of contracts, the guest lecturer explained the critical role they play in business transactions:

1. Definition of Contracts : A contract is a legally binding agreement between two or more parties that delineates the terms and conditions governing the delivery of goods or services. The lecture emphasized the necessity of clarity and specificity in contract terms.

2. Elements of a Contract : The lecturer detailed the essential components that render a contract legally valid, including offer and acceptance, consideration, legal capacity, and lawful purpose.

3. Types of Contracts : The lecture addressed various contract types, such as sales contracts, service contracts, and employment contracts, highlighting their distinctive features and typical applications.

2.3 Best Practices and Legal Considerations :

Mr. Abhijit Wasave, then proceeded to offer best practices for both tendering and contract management:

1. Preparing Winning Tenders : The lecture provided valuable insights into crafting compelling and competitive tenders. It emphasized the significance of understanding client requirements, creating clear and well-structured proposals, and demonstrating a track record of reliability.

2. Contract Management : The guest lecturer stressed the importance of efficient contract management. This included aspects like performance monitoring, risk management, and ensuring strict adherence to the contract's terms and conditions.

3. Legal Considerations : **Mr. Abhijit Wasave,** then highlighted the legal dimensions of tenders and contracts. He discussed dispute resolution mechanisms and underscored the importance of involving legal advisors to draft, review, and, if necessary, litigate contracts.

3.Practical Examples and Case Studies :

Throughout the lecture, **Mr. Abhijit Wasave** presented practical case studies and real-world examples to illustrate the concepts and best practices discussed. These examples helped attendees grasp the application of tendering and contract management principles in actual business scenarios, enriching their understanding of the subject matter.

4.Conclusion :

The guest lecture on **"Tenders and Contracts"** was an enlightening experience that shed light on two of the most vital aspects of contemporary business operations. Attendees gained valuable insights into the intricacies of tenders and contracts, and they left the lecture with a deeper understanding of the best practices and legal considerations associated with these topics. **Mr. Abhijit Wasave** ,offered a wealth of practical knowledge that will undoubtedly benefit participants in their professional endeavours. The event was an overall success, and the knowledge shared promises to have a positive impact on the business community.

To,

The Principal,

VIVA Institute of Technology,

Virar (E).

Subject: Permission to conduct guest lecture.

Respected Sir,

We want to arrange a one day guest lecture for the subject Repair, Rehabilitation & Retrofitting for B.E. Sem 8 on 19th March 2024 (Tuesday).

Kindly grant us the permission for the same.

Thanking you.

Prof. Akshay Mistry

(H.O.D. Civil Engg.)

Topic Name: Seminar on Repairs, Rehabilitation and Retrofitting

Name :

Roll no:

Div :

Date:19/03/2024

Time: 11:00 a.m.

Programme/summary details : A guest lecture as a part of the 8th-semester curriculum in Civil Engineering, focusing on "Repairs, Rehabilitation, and Retrofitting." The lecture, facilitated by Prof. Ramaya Raju, aimed to enhance students' understanding of various repair techniques for heritage structures and recent advancements in steel structural repairs. The guest lecturer, Mr.Vivek sir , founder of Mamdapur and Associates Consulting Engineers, shared insightful knowledge and practical experiences in retrofitting buildings.at VIVA Institute of technology Virar East, Virar, Maharashtra 401303.

About the seminar: On March 19, 2024, the Viva Institute of Technology in Virar East hosted a guest lecture as part of the 8th-semester curriculum in Civil Engineering. With a focus on "Repairs, Rehabilitation, and Retrofitting," the lecture aimed to provide students with a deeper understanding of various repair techniques for heritage structures, as well as recent advancements in steel structural repairs. The lecture was led by Prof. Ramaya Raju, an esteemed expert in the field of civil engineering, who provided students with an opportunity to learn from the best. The guest lecturer was the renowned founder of Mamdapur and Associates Consulting Engineers, who shared insightful knowledge and practical experiences in retrofitting buildings. The lecture was designed to be engaging, informative, and easy to comprehend for the final year students. The lecture covered diverse topics such as the importance of preserving heritage structures, the methodologies involved in their repair and maintenance, and the challenges and solutions in preserving historical architecture. It also delved into modern techniques and technologies used in the repair and strengthening of steel structures. Using real-world examples, the guest lecturer highlighted the significance of innovation and adaptation in the field of civil engineering and explained how these techniques can be applied to real-life situations. The session was highly interactive, allowing students to ask questions and engage in discussions, fostering a deeper understanding of the subject matter. The guest lecturer effectively communicated complex concepts in a manner that resonated with the audience, making the learning experience both interesting and enriching. As a gesture of appreciation, the guest lecturer distributed pens to the students, further encouraging their engagement and conveying the importance of active involvement in academic pursuits. Overall, the lecture was a great success, and the students gained valuable knowledge that they can apply in their future careers.

Conclusion: The guest lecture on repairs of heritage structures and recent structural repairs on steel was a resounding succeng delivery of Mr.Vivek sir The session provided invaluable engineering, preparing students for the challenges and oppoilitation, and retrofitting. Prof.

www.easybids.in

To,

Director/Principal /HOD Civil Engineering /Training & Placement Officer,

Subject : Workshop on **Life Cycle Management of Civil Projects** consisting of Project Management Basics, Estimation & Costing, Project Planning, Tendering, R.A.Billing & Project Monitoring.

Shanti Computers & Systems introduces itself as a proprietary Company specializing in Project Management Consultancy & Development of Softwares for e-Governance applications. The company is into the Government Domain for the past 25 years and has devised and implemented a number of E-Governance IT Solutions for both Indian & International Governments.

Mr. Prahlad V. Rao (PMP, SFC & Six Sigma Yellow Belt) 65, the Founder of the company & the Resource Person, an Engineer from Karnataka University having 25+ years of Project Management experience in Government Domain and has worked on several External funded Projects/Programs in India & abroad.

We are conducting a 3 Full day workshop with practical, for Civil Engineering Students in Engineering Colleges, as a part of **INDUSTRY INSTITUTE INTERACTION** initiative as envisaged by **AICTE**, introducing students to **Life Cycle Management of Civil Engineering Projects,** which includes Project Management, Project Estimation & Costing, Project Planning, Tendering/Sub-Contracting, R.A.Billing & Project Management Dashboards as per current industry requirements.

The workshop is aimed at increasing the employability of the students, by acquiring hands-on, real-life requirements of Civil Engineering Profession and helps them fare well at campus interviews too.

The objective of the **INDUSTRY INSTITUTE INTERACTION** is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry/Experts to attain a symbiosis. All the Stakeholders, namely Institutions, Industry, Students and Society stand to gain as it can be a win-win situation and students stand to gain by way of hands-on training, reduction of learning curve in industrial practices.

We have developed 2 Software products namely **EasyBids** & **EasyRoads**, for managing Life cycle of Civil Engineering Projects, and have an active base of more than 2000 users, which comprise of Project Managers, Government Engineers, Consultants, Contracting companies, Valuers, Estimators, Quantity Surveyors form various Departments like PWD, Irrigation, Water Supply & Sanitation, RRDA, Municipal Corporations & Public Companies.

We will provide these two Softwares Free of cost to the students & the college for their personal use. We will train students & faculty in understanding the Life Cycle Management of Civil Project by using the above said software products.

We also conduct, a No Obligation Curtain Raiser Session online of 1.5 hours duration free of cost, wherein the students & Faculty members will get the first impression about this workshop, which further encourage students to enrol for this workshop. A 3 Days workshop will be conducted at your college campus offline.

Workshop Details, along with the synopsis of Prahlad.V.Rao [Resource Person] are attached herewith for your reference. For Software details please visit www.easybids.in

We look forward to conducting the said Curtain Raiser Session/workshop at your esteemed Institute at a convenient date suitable to you. Please feel free to get in touch with us for more details.

With Regards

Prahlad.V.Rao (PMP, SFC & Six Sigma Yellow Belt)
Shanti Computers & Systems, Mumbai.

SHANTI COMPUTERS & SYSTEMS

Prahlad.V. Rao
PMP [Retired], **SFC & Six Sigma Yellow Belt**
Project Management | Procurement/Contract Management | Infra Projects | E-Governance

: Personal Synopsis :

❖ Well acquainted with Infra projects like Buildings, Roads, Bridges, Culverts, Aqueducts, Dams and Canals, Water supply & Sanitation schemes covering Sewage, ESR, GSR, WTP, STP etc.

❖ Designed several IT Applications for Preparation of Schedule of Rates, Detailed Rate Analysis, Civil Estimation & Costing, Road Design for plain & Hilly regions, DPR preparation, Bid Document preparation, R.A.Billing, Procurement Management information System (PMIS) with physical/Financial progress & MIS applications for various projects & Programs.

❖ In depth functional knowledge of Various Government Departments like Public Works Department, Irrigation, Water supply & Sanitation, Rural Development Department, Public health Engineering, Development Authorities, Municipal Corporations, Zilla Parishads, Govt PMUs etc.

❖ Well versed with Design, Implement and administer Project Life Cycle of large complex projects including infrastructure, Contract Management, IT, MIS, M&E functions.

❖ Stupendous communication skills, honed with the ability to liaise with top-level decision makers of Technical/ Technological and Functional Departmental heads & managing stakeholders at all levels.

❖ Well versed with procurement norms & procedures, contractual terms & conditions of External Funding Agencies and partnered in monitoring & execution of various Externally Funded Projects (National & International). Extensive experience in conducting Post/Independent Procurement Reviews, Capacity Building & Training in Project Management, Public Procurement & e-Governance.

Worked on projects like TPDS, CSC, UIDAI, Financial Inclusion, PMGSY, MMGSY, NHAI, JNNURM, RWSSP, R-APDRP, RRSMP, BKFRP etc.

❖ **ACADEMIC**

Diploma in Electrical Engineering 1977

❖ **PROFESSIONAL ENHANCEMENT**

✓ Certified Project Management Professional (PMP) Since 2010.
Scrum Fundamentals Certified (SFC).
Six Sigma Yellow Belt Certified.

❖ **IT SKILLS**

Report on Guest Lecture by Mr.Prahlad V Rao on Life Cycle Management of Civil Project

Date: 7th February 2024, 11:00 am to 1:00 pm

Venue: Seminar hall (4th floor, Main Building),

Viva Institute of Technology, Shirgaon, Virar

Speaker: Prahlad V Rao (PMP,SFC& Six Sigma Yellow Belt)

Introduction:

The guest lecture held on 7th February 2024 from 11.00am to 1:00pm gave a deep insight to the Life cycle of a Project. The interactive Session focused on the overall overview of the Project Management overview and life cycle of Civil Engineering Projects. The speaker was felicitated by our honorable H.O.D. Prof. Akshay Mistry & Asst. Prof. Arathy Menon by giving a sapling, as a token of love to our Speaker introduced himself & gave an overall overview of the topics that were going to be discussed in the session.

Summary:

The Session was on topic of "Life cycle Management of Civil Engineering Projects." The speaker started the session with the Project Management Knowledge Ares and PM Process groups with processes. In the session the Speaker explained the key terms and procedures in details, such as the preparation of Project charter and initiate the project, Detailed estimation, Obtaining technical sanction and administrative approval etc. The most important stage of the project hoe to prepare the schedule and cost baseline also were discussed in the guest lecture.

The other topics covered in the session are Definition of mile stones and KPI& how to prepare Performance Measurement Base line, preparation of NIT, tendering documents, awarding contracts, Record and Pay using RA Bills, monitor Execution and Close the Project.

The session was an interactive and informative session as the industry institute interaction is helps to reduce the gap between the industry expectations and academic offerings. Students were delighted by enriching their knowledge through the session by an experienced speaker who guided them about the scope of Project Management and related software's.

Subject: Request for being resource person for Guest Lecture.

Respected Madam,

VIVA INSTITUTE OF TECHNOLOGY is approved by AICTE, New Delhi, and DTE, Maharashtra State and affiliated to the University of Mumbai. It nurtures a unique system of education for creating dynamic leaders for the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

On behalf of VIVA Institute of Technology, Computer Science and Engineering (AI & ML) department, we are organizing a guest lecture for our students. I am pleased to invite you as a resource person for the topic of **"Programming Concepts using C/C++"** on **4th October 2023**. Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply.

Thanking You.

Yours faithfully,

Principal

Dear Madam,

We are really grateful to you for your valuable time and effort for delivering a Guest Lecture on **"Programming Concepts using C/C++"** for our student of Computer Science and Engineering (AI & ML) Department on **4th october 2023.** Your session was very informative, knowledgeable and motivating. Our students will cherish your value by adding words in their hearts.

Hope for similar support in future too.

Thanking you.

Subject: <u>Request for being resource person for Guest Lecture.</u>

Respected Sir,

VIVA INSTITUTE OF TECHNOLOGY is approved by AICTE, New Delhi, and DTE, Maharashtra State and affiliated to the University of Mumbai. It nurtures a unique system of education for creating dynamic leaders for the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. This institute believes in empowering young students through rigorous curriculum, students participation in R&D, mentor system, value added programs and strong industrial interface.

On behalf of Viva Institute of Technology, Computer Science and Engineering (AI & ML) department, we are organizing a workshop for our Second Year students. I am pleased to invite you as a resource person for the topic of **"Backend Web Development" on 04 March 2024.** Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply.

Thanking You.

Yours faithfully,

Dr. Arun kumar
