**Career guidance Report by Mr.Prahlad V Rao on Life Cycle Management of
Infra Civil Project**

Date: 7th February 2024, 11:00 am to 1:00 pm

Venue: Seminar hall (4th floor, Main Building),

Viva Institute of Technology, Shirgaon, Virar

Speaker: Prahlad V Rao (PMP,SFC& Six Sigma Yellow Belt)

Introduction:

The guest lecture held on 7th February 2024 from 11.00am to 1:00pm gave a deep insight to the Life cycle of a Project. The interactive Session focused on the overall overview of the Project Management overview and life cycle of Civil Engineering Projects. The speaker was felicitated by our honorable H.O.D. Prof. Akshay Mistry & Asst. Prof. Arathy Menon by giving a sapling, as a token of love to our Speaker introduced himself & gave an overall overview of the topics that were going to be discussed in the session.

Summary:

The Session was on topic of "Life cycle Management of Civil Engineering Projects." The speaker started the session with the Project Management Knowledge Ares and PM Process groups with processes. In the session the Speaker explained the key terms and procedures in details, such as the preparation of Project charter and initiate the project, Detailed estimation, Obtaining technical sanction and administrative approval etc. The most important stage of the project hoe to prepare the schedule and cost baseline also were discussed in the guest lecture.

The other topics covered in the session are Definition of mile stones and KPI& how to prepare Performance Measurement Base line, preparation of NIT, tendering documents, awarding contracts, Record and Pay using RA Bills, monitor Execution and Close the Project.

The session was an interactive and informative session as the industry institute interaction is helps to reduce the gap between the industry expectations and academic offerings. Students were delighted by enriching their knowledge through the session by an experienced speaker who guided them about the scope of Project Management and related software's.

Topic Name:	Opportunities in HVA&R Industry
Name of the Guest Speaker:	Mr. Roshan D'souza & Danison Plavila
Designation:	Assistant Manager
Organization/Institution:	Voltas Limited, Mumbai
Date:	10/10/2023
Time:	11.00-12.30pm

Programme Summary/Details:

Mr. Plavila commenced his lecture by providing an in-depth overview of the HVAC industry. He elaborated on the significance of HVAC systems in various sectors, emphasizing their role in ensuring indoor air quality, thermal comfort, and energy efficiency. The lecture delved into the technological advancements transforming HVAC systems. Mr. Plavila discussed the integration of IoT (Internet of Things), smart sensors, and automation in HVAC, highlighting how these innovations optimize energy consumption and enhance system performance. He emphasized the importance of staying updated with these advancements for aspiring HVAC professionals.

One of the focal points of the lecture was the diverse career pathways available in the HVAC industry. Mr. Dsouza outlined various specializations such as HVAC design, installation, maintenance, and energy auditing. He also discussed the demand for experts in green building technologies, emphasizing the role of HVAC engineers in sustainable architecture.

He encouraged students to focus on continuous learning and skills enhancement. He highlighted the value of certifications and training programs offered by industry organizations. Additionally, he emphasized the significance of honing soft skills such as communication, teamwork, and project management, which are crucial in the professional world.

Topic Name:	Lecture on "How to Prepare for IT Job Opportunities"
Name of the Guest Speaker:	Shoeb Shaikh
Designation:	Head - Learning & Development Automation Test Engineer
Organization/Institution:	TESTRIQ, Mira Road
Date:	6 th September 2023
Time:	3:30pm to 4:30pm

Programme Summary / Details:

On 6th September 2023 the department of ELECTRONICS AND TELECOMMUNICATION had organised a lecture on HOW TO PREPARE FOR IT JOB OPPORTUNITIES by Shoeb Shaikh, Head of QA lab, TESTRIQ Mira Road.

The lecture began with an overview of the IT industry's current landscape. Shoeb Shaikh sir highlighted the various domains within IT, including software development, cybersecurity, data analysis, and more. This introductory segment aimed to help attendees identify their specific interests and career goals within IT.

The speaker emphasized the importance of continuous skill development in the rapidly evolving IT field. Attendees were encouraged to identify the specific technical and soft skills required for their chosen IT domain. Suggestions were provided on how to stay updated with the latest industry trends and technologies through online courses, certifications, and networking.

Shoeb Shaikh sir provided valuable insights into crafting an effective IT resume. Attendees learned about the importance of tailoring their resumes to match job descriptions, highlighting relevant skills and experiences, and showcasing personal projects or open-source contributions. The lecture also stressed the significance of creating an appealing online presence, such as a LinkedIn profile and personal website.

The lecture dedicated a significant portion of time to interview preparation. Attendees were given tips on how to prepare for technical interviews, including practicing coding challenges and system design questions. Additionally, guidance was provided on mastering behavioural interviews by preparing compelling stories that demonstrate key competencies.

Shoeb Shaikh sir emphasized the value of networking in the IT industry. Attendees learned how to build professional networks through platforms like LinkedIn, attending conferences, and joining relevant forums or user groups. Strategies for effective job searching, including leveraging job boards, company websites, and professional connections, were also discussed.

Subject: Letter of Appreciation

Dear Sir,

We are really grateful to you for your valuable time and effort for delivering a session on "How to prepare for IT Job Opportunities" for our Electronics & Telecommunication Engineering students on 6th September 2023. Your session was very informative, knowledgeable and motivating. Our students will cherish your value adding words in their hearts.

Hope for similar support in future too.

Thanking you.

Yours faithfully,

Dear,
Amey Raut Sir.

The subject of writing this mail is to inquire about the details of the seminar to be conducted on 7th August 2023 at VIVA Institute of Technology.

As we discussed previously, for the seminar on 'Building the gaps between industry and academia' (7th August 2023, 2:00 pm onwards.) for Second year & Third year Engineering Students.

For this seminar, there will be around 100-120 students from engineering (SE & TE) and the seminar will work for about 1hr.

Do Provide Us With More Formal Information About The Speaker, If Any.

Thank you and best regards,
CSI VIVA-Tech,
Computer Engineering Department,
VIVA Institute of Technology, Virar.

Report on Event(Monthly Event-I)-2023-24

Date: 07th AUGUST 2023

Time: 1.30 PM onwards

Venue: VIVA Institute of Technology

Event: Seminar: Seminar on Building gaps between industry and academia

Total Participants: 67+40=107

The CSI-VIVA successfully organized the seminar on **“Building gaps between industry and academia”** at the Computer Engineering Department, VIVA Institute of Technology. The lecture was conducted by “Mr. Amey Raut”. He is a serial entrepreneur, Founder of OTET infosystems and Director of TechTantra Automation Pvt Ltd. He has achieved a Master of Science in Management of Technology and a Master of business administration(MBA in general) from Murray State University, Kentucky, USA. His software development company OTET infosystems which he started along with his partner Parag Nerurkar back in 2017. OTET infosystems is well known to its customers for excellent mobile applications and website development. OTET infosystems has developed more than 600+ websites and 50+ more mobile applications in the last 7 years. OTET has a strong team of 15 developers. Mr. Amey Raut’s another company Techtantra Automation pvt ltd is into IOT and electronics related product development. Recently their home automation products division which they have developed completely in house has been acquired by Pune based mnc. Techtantra has a product called Mobi Pump which helps farmers to turn On and Off their water pump from anywhere in the world. The Mobi Pump product is very helpful to farmers and it has gained popularity among farmers across India since 2020. He is a proud member of Rotary club of Palghar. He is currently president of Business Network International (BNI) Virar division.

He covered all the points from the very basics, starting by explaining to the students about the importance of industry and academia .There was a large participation from students of S.E and T.E of Computer Engineering.

Overall it was an Informative Event.
