ACCREDITED by NAAC with "B++" Grade

Department of Master of Computer Applications

Topic Name:	Blockchain in Action: Practical Applications & Implementations
Name of the Guest Speaker:	Dr. Padma Mishra
Designation:	Assitant Professor
Organization/Institution:	Thakur College (TIMSCDR), Kandivali (East)
Date:	17th October 2024
Time:	08:30 am onwards

Programme Summary/Details:

The Department of Master of Computer Applications organized a guest lecture on “Blockchain in Action: Practical Applications & Implementations”, featuring Dr. Padma Mishra as the esteemed speaker. She provided valuable insights into blockchain technology, its real-world applications, and implementation strategies across various industries. The session provided valuable insights into the practical applications of blockchain technology, highlighting its benefits in enhancing security, transparency, and efficiency across various industries. She emphasized its real-world impact and implementation strategies, making the lecture both informative and engaging. The lecture was highly engaging, bridging the gap between theoretical concepts and practical implementations. The session concluded with an interactive Q&A, where participants gained deeper knowledge of blockchain’s future potential and its impact on different sectors.
