Department of Master of Computer Applications

Topic Name:	**DevOps Essentials: From Fundamentals to Advanced**
Name of the Guest Speaker:	**Mr. Pushkarraj Pujari**
Designation:	**Lead Technical Consultant**
Organization/Institution:	**Goodwill Uniquezest, Pune**
Date:	**5th April 2025 to 9th April 2025**
Time:	**09:00 am onwards**

Programme Summary/Details:

The Department of Master of Computer Applications organized a 5-Day workshop on "DevOps Essentials: From Fundamentals to Advanced", featuring Mr. Pushkarraj Pujari as the esteemed speaker. He provided an insightful overview of both basic and advanced DevOps practices, highlighting real-world applications such as continuous integration, continuous delivery (CI/CD), infrastructure as code (IaC), and automated deployment pipelines, thereby offering participants a deeper, practical understanding of DevOps fundamentals. The session also included hands-on and practical implementation strategies, allowing attendees to engage in an interactive Q&A and gain practical knowledge for real-world applications. The lecture was highly informative and significantly enhanced the participants' understanding of DevOps concepts and practices., effectively bridging the gap between theory and practice.
