**Subject: Appreciation for Conduction of Mock Interview Session**

Dear Aaditya,

On behalf of the Department of Master of Computer Applications, VIVA Institute of Technology, we extend our sincere appreciation and gratitude for taking the time to conduct the **Mock Interview Session** for the students of **First Year MCA (Semester II)** as part of their **Soft Skills Development** curriculum.

Your professional approach, insightful feedback, and real-time interaction gave our students a clear understanding of the expectations and dynamics of a real-world interview process. The session was immensely beneficial in helping them build confidence and refine their communication and presentation skills. Your guidance has certainly added great value to their academic and career preparation journey.

We truly appreciate your effort and commitment to supporting our students' growth and future readiness. We look forward to more such fruitful collaborations in the future.

Once again, thank you for your valuable contribution.

**NOTICE**

**Subject: Debate Activity**

Dear Students,

This is to inform you that a **Debate Activity** has been scheduled as part of your **Soft Skills Development Lab** on **Friday, 21<sup>st</sup> March 2025**. The activity will take place in **Room No. 409, 4th Floor**.

A **team list** has been attached to this notice. Kindly check your assigned team and prepare accordingly.

**Rules to Follow During the Debate Activity:**

1. **Be Punctual** – Arrive on time and be ready before the debate starts.
2. **Active Participation** – Each participant must present their arguments clearly.
3. **Respect the Opponents** – Avoid personal attacks and maintain professionalism.
4. **Stay on Topic** – Ensure your arguments are relevant to the given topic.
5. **Speak Clearly and Confidently** – Express your points logically and convincingly.
6. **Time Management** – Stick to the allocated time for speaking.
7. **Constructive Rebuttals** – Counter arguments logically rather than emotionally.
8. **Listen Attentively** – Pay attention to the opposing team's points before responding.

Your participation and adherence to these rules will ensure a fair and engaging debate.

## **LANGUAGE LAB ACTIVITIES REPORT**

### **ACADEMIC YEAR 2024-2025**

English is a crucial component of the engineering curriculum, bridging students' prior education with the demands of their professional lives, where daily English usage is essential. To this end, VIVA Institute of Technology's Language Lab aims to enhance students' communication skills in both formal and informal contexts by familiarizing them with everyday English scenarios. The institute's modern English language lab, known as EWL (program for English Language Lab) - English Wordsworth Language Lab, facilitates English language study, catering to diverse student needs and focusing on improving LSRW Skills, particularly the generation and practice of language sounds.

English teachers foster communication skills and English language acquisition by encouraging students to engage in diverse activities like debates, role-plays, group discussions, and presentations. Language labs further enhance conversational, communication, and pronunciation skills, while also emphasizing employability skills such as group discussion, debate, presentation, and interview techniques, preparing students for future success.
