6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and process

The Internal Quality Assurance Cell (IQAC) creates awareness and promotes quality enhancement in various institute activities, both curricular and co-/extracurricular. IQAC recommends mechanisms and procedures for ensuring timely, efficient, and progressive performance of academic and administrative activities.

IQAC MINUTES RECORD

A meeting of Internal Quality Assurance cell (IQAC) was held on 22.08.2024 at 3.00 pm in IQAC cell.

The following members who signed below were present

1. Mrs. Aparna Thakur - secretary
2. Mr. Nikhil Jain - Employer
3. Shri. Sanjeev Patil - Management member
4. Shri. S.N. Padhye - Local society
5. Shri. V.S. Patil - Sr. Admin officer
6. Shri. K.P.N. Kuttj - Sr. Admin officer
7. Shri. Sanjay Pingulkar - stakeholder
8. Shri. Bharat Sharma - Industrialist
9. Dr. Anur Kumar - Principal
10. Dr. Deepak Sajnekar - Faculty
11. Mr. Akshay Mistry - Faculty
12. Dr. Arचना Ingle - Faculty
13. Mrs. Chandani Patel - Faculty
14. Dr. Ashwini Save - Faculty
15. Dr. Trupti Patil - Faculty
16. Ms. Nibhat Shaikh - Faculty
17. Mrs. Poonam Jadhav - Faculty
18. Mrs. Swapnil Raut - Faculty
19. Mrs. Vandana Tambe : Student
20. Mrs. Karishma Raut - Coordinator (IQAC)

Agenda :

1. Confirmation of minutes of the last meeting
2. Matters arising out of the last meeting
3. Amendment in college policies.
4. Youth Festival updates
5. Intercollegiate Techchase events
6. Guidance session for Hackathon and Avishkar through Research and Incubation center
7. Any other matters with permission of chair

The chairperson of IOAC, Dr. Arun Kumar welcomed all the members and meeting commenced.

The discussion on above agenda has been given below.

1. Minutes of last meeting were read and confirmed by all the members.
2. The college policies were discussed for any amendment.

A meeting of Internal Quality Assurance Cell (IQAC) was held on 10/12/2024 at 3:00 PM in IQAC cell.

The following members who signed below were present

1. Mrs. Aparna Thakur - secretary
2. Mrs. Nikhili Jain - Employee
3. Shri. Sanjeev Patil - Management Member
4. Shri. S.N. Padhye - Local Society
5. Shri. V.S. Patil - Sr. Admin officer
6. Shri. K.P.N. Kuttu - Sr. Admin officer
7. Shri. Sanjay Pingulkar - Stakeholder
8. Shri. Bharat Sharma - Industrialist
9. Dr. Arun Kumar - Principal
10. Dr. Archana Ingle - Faculty
11. Dr. Deepak Sajnekar - Faculty
12. Dr. Ashwini Save - Faculty
13. Dr. Trupti Patil - Faculty
14. Mrs. Chandani Patel - Faculty
15. Mrs. Akshay Mishra - Faculty
16. Ms. Nizat Shaikh - Faculty
17. Mrs. Poonam Jadhav - Faculty
18. Mrs. Sagarini Raut - Faculty
19. Mrs. Vandana Tambe - Student
20. Mrs. Kanchana Raut - coordinator

Agenda:

1. confirmation of minutes of the last meeting
2. Matter arising out of the last meeting
3. Academic Audit Review
4. NCRENB - 2025 pre-requisite
5. Planning for Hitalshi - 2025
6. STTP Review
7. AQAR 2023-24 Review
8. Planning for next semester (Jan 2025)

3. Any other matter with permission of chair.

The chairperson of IOAC, Dr Arun Kumar welcomed all the members and meeting commenced. Discussion on above agenda is given below.

1. Minutes of the last meeting were read and confirmed by all the members.

COURSE DETAILS

1. Significance & Objectives of the programme (list one or two major objectives)

To learn the fundamentals of Azure services and their application in building intelligent solutions.
 2. Develop and manage AI solutions using computer vision, NLP.

2. Course Content/Coverage (List 5 to 8 major topics with proposed duration of coverage in hours for each topic)

Topic	Duration
1. Azure AI services	06 hrs
2. computer vision solutions	06 hrs
3. NLP solutions	06 hrs
4. Knowledge Mining	06 hrs
5. Document Intelligence	06 hrs
6. Gen. AI solutions	06 hrs
7.	
8.	

3. Course Schedule

Total working days = 06 days
 Lecture = 12 hrs.
 Laboratory/Practical = 24 hrs.
 Industrial/Field Visits = hrs.
 Others (specify) = hrs.
 Total hours engaged = 36 hrs.

4. Details of special equipment or laboratory facilities available for the course

computer Lab, OI-FI, Mic Projector, speaker

5. Collaboration with industry/ other institutions/ departments (indicate name of organization, nature of collaboration and experts involved)

1. ICT Academy

2.

6. Details of Course Faculty (<i>List details of faculty</i>)				
Sl. No.	Name & Designation	Institute	Highest Qualification	Field of Interest/specialisation
	Mr. Abhay Dhanmeher	IST Academy	M.Sc. (Maths) Data science PhD degree	Machine Learning Python, R prog.
7.	Audio visual facilities available (<i>Tick relevant ones</i>)		<input checked="" type="checkbox"/> Over Head Projector <input type="checkbox"/> Slide Projector <input type="checkbox"/> 16/35 mm film Projector <input checked="" type="checkbox"/> Video System <input type="checkbox"/> Others (specify)	
8.	ISTE Institutional Membership No. of your Institute		LM 2223	
9.	Does your institution have an ISTE Chapter (a) If no, will it make minimum 25 members of ISTE		<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No	

I certify that the details given above are correct to the best of my knowledge and belief and I will organize the programme satisfactorily if approved. I also promise that I will abide by the terms and conditions contained in the ISTE Proceedings and submit the Final Report with Processing and operational expense to ISTE within 15 days after completion of the Programme.

ISTE/Proceedings/ STTP/FDP-SF- MAH025/2025-26 | 248

June 05, 2025

Proceedings of Executive Secretary, ISTE

Sub. : Sanction to conduct full time Faculty Development Programme on Self-financing basis for the financial year 2025-2026.

Sanction is hereby accorded to the following institution for the conduct of the SF- STTP/FDP Programme indicated below:

Name of Institution	:	Viva Institute of Technology Shirgaon, Virar - 401305 MAHARASHTRA
Topic	:	NEP 2020: Dimensions of Autonomy
Name & Address of Coordinators	:	Karishma Raut Chandani Patel M. E. HOD - MCA
Duration	:	One Week
Proposed dates	:	23.06.2025 to 30.06.2025

Terms and Conditions

The institution offering the Programmes should be approved by AICTE and must be Institutional Member of ISTE. Institutions having ISTE Faculty Chapter and Students Chapter shall be preferred. There will be no financial commitment on the part of ISTE on account of this programme. The fee of one **proposal is Rs. 1180/- (Incl. 18% GST)** paid by NEFT/RTGS along with proposal in the following ISTE Account (**Name of Account: ISTE Membership Fee, Account No: 6707247614 Bank: Indian Bank IFSC Code: IDIB000M089 Branch: Mehrauli Road New Delhi**).

- 1 This will be a Self Financing program of the duration of 1 week/2 weeks/4 weeks.
- 2 The registration fee of the participants may be fixed by the host institution.
- 3 ISTE Life membership is necessary for participants to attend SF programmes. Minimum 25 Participants are must for conducting the FDP/STTP. However, If any participant is not having life membership he/she may take the membership of ISTE before the commencement of the programme via web portal <https://membership.isteonline.in>
- 4 The final report as mentioned in these guidelines is to be submitted to ISTE within 15 days after completion of the Programme.
- 5 The institute should ensure that the Resource Persons should be well known personalities having thorough knowledge and he/she should be from an Institute or Industry.

-2/-

- 6 e-Certificate to ISTE Life Members will be issued by ISTE from this office. Operational and processing fee of Rs. 100 +18% GST (Total Rs. 118/-) will be

SHAHEED JEET SINGH MARG, NEAR KATWARIA SARAI, NEW DELHI - 110016

INDIAN SOCIETY FOR TECHNICAL EDUCATION

FOUNDED 1958

SHORT-TERM TRAINING PROGRAMMES (STTPS)

PROFORMA FOR SENDING PROPOSALS (For Chapters of Indian Society for Technical Education)

Note : Before filling up the Proforma, please read carefully the rules and conditions
(To be filled in by Coordinator)

1.	Name and Address of Host Institution with Pin code	Address: VIVA Institute of Technology Kumbharpada, Shirgaon, Virar (E)	
		Pin Code: 401305 Phone: 7770002544 Fax: _____ Email: principal@viva-technology.org	
2.	Title of the Programme (<i>This should convey the content & main thrust of the programme</i>) <i>(in Capital Letters, please)</i>	NEP 2020: Dimensions of Autonomy	
3.	The Programme is intended for (Tick one only)	<input checked="" type="checkbox"/> Teachers <input type="checkbox"/> Working Professionals <input type="checkbox"/> Others (specify)	
4.	Name, Designation and Address of the Course Coordinator(s) <i>(One Coordinator preferred. More than two not permissible)</i>	1. Karishma Raut IQAC Co-ordinator Virar (E)	2. Chandani Patel HOD - MCA Virar (E)
-	Telephone, Mobile & Email of the Coordinator(s)	9004397215 karishmaraut@viva-technology.org	9321783349 Chandani Patel@viva-technology.org
-	Highest Qualification of Coordinator(s)	Ph.d. pursuing M.E. (EXTC)	Ph.d. Pursuing M.C.A.
-	Area of Specialisation	AI, ML,	Cybersecurity, AI

• Teaching Experience (years)	23 years	19.5 years
• Industry Experience (years)	-	-
• Number of papers published	27	21
• Number of Short-Term Courses of Summer/Winter Schools attended	33	20
• Number of Short-Term Courses of Summer/Winter Schools conducted earlier	09	04
5. Specialisation area for which the proposal is made (Tick one only)	<input type="checkbox"/> Civil <input type="checkbox"/> Mechanical <input type="checkbox"/> Electrical <input type="checkbox"/> Electronics <input type="checkbox"/> Computer Science <input type="checkbox"/> Pharmacy <input type="checkbox"/> Architecture <input type="checkbox"/> Management <input type="checkbox"/> Hotel Management	<input type="checkbox"/> Basic Sciences (Specify subject) <input checked="" type="checkbox"/> Interdisciplinary (Specify areas covered) <input type="checkbox"/> Others (specify)
6. The course is basically (Tick one only)	<input checked="" type="checkbox"/> Subject updating course <input type="checkbox"/> Special course on Emerging areas <input checked="" type="checkbox"/> Pedagogy <input type="checkbox"/> Other (Specify)	
7. Whether the proposal covers any of the categories indicated (Tick one only)	<input type="checkbox"/> Industry-based programmes with substantial involvement, industry and its experts <input checked="" type="checkbox"/> Education Technology/Methodology of teaching <input type="checkbox"/> Training for technical supporting staff <input type="checkbox"/> Emerging Area <input checked="" type="checkbox"/> Others (specify) <i>Autonomy</i>	
8. Duration of the programme (Tick one only)	<input checked="" type="checkbox"/> One week (minimum 5 working days) <input type="checkbox"/> Two weeks (minimum 10 working days) <input type="checkbox"/> Three weeks (minimum 15 working days) <input type="checkbox"/> Four weeks (minimum 20 working days)	

6. Details of Course Faculty (List details of faculty)				
Sl. No.	Name & Designation	Institute	Highest Qualification	Field of Interest/specialisation
1.	Dr. Surendra Rathod Principal	TCET	Ph.D.	Administration & Electronics Engg
2.	Dr. R.P. Sedankar Vice principal	TCET	Ph.D.	Automation & computer allied courses
3.	Dr. Sheetal Rathod Dean Academics	TCET	Ph.D.	NEP work
7.	Audio visual facilities available (Tick relevant ones)		<input checked="" type="checkbox"/> Over Head Projector <input type="checkbox"/> Slide Projector <input type="checkbox"/> 16/35 mm film Projector <input checked="" type="checkbox"/> Video System <input type="checkbox"/> Others (specify)	
8.	ISTE Institutional Membership No. of your Institute		LM 2223	
9.	Does your institution have an ISTE Chapter (a) If no, will it make minimum 25 members of ISTE		<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No	

I certify that the details given above are correct to the best of my knowledge and belief and I will organize the programme satisfactorily if approved. I also promise that I will abide by the terms and conditions contained in the ISTE Proceedings and submit the Final Report with Processing and operational expense to ISTE within 15 days after completion of the Programme.

Valedictory

The program came to a close with the valedictory celebration, which was attended by all the non-teaching staff members and IQAC members.

Prof Karishma Raut began her speech by praising the coordinators and organizing committee for the smooth running of ADP-2025. She emphasized the importance of such programs since they offer an exceptional chance to grow and update one's knowledge.

All of the participants received the coordinator's gratitude for their enthusiastic involvement in the ADP 2025. The coordinator expressed her appreciation to the University of Mumbai for giving the permission to hold this event. After the valedictory speech, an online quiz was given to participants to gauge their level of learning.

Objectives of the ADP

The program aims to equip administrative staff with the knowledge and practical skills necessary for modern institutional management. The program focuses on enhancing proficiency in Enterprise Resource Planning (ERP) systems to streamline key administrative functions such as student data handling, payroll, attendance, inventory, and reporting. Alongside technical training, the program emphasizes the development of crucial life skills—including communication, time management, adaptability, and problem-solving essential for effective workplace performance. By fostering digital confidence and a proactive mindset, the initiative seeks to empower staff to contribute more efficiently and meaningfully to institutional growth and excellence.

Empowering Administrative Excellence through ERP & Life Skills

Sr. No.	Date	Time	Topic	Name of the speaker
1	23/06/2025	9.30 am 10.00 am to 4.00 pm	Inauguration Administrative Excellence through ERP-EDBA	Mr. Meet Jain
2	24/06/2025	10.00 am to 4.00 pm	Administrative Excellence through ERP-UNIS	Mr. Meet Jain
3	25/06/2025	10.00 am to 4.00 pm	Administrative Excellence through ERP- Advanced Talley	Mr. Saurav Singh
4	26/06/2025	10.00 am to 4.00 pm	Time & Mind Mastery: Essential Skills for Personal and Professional Success	Dr. Brijesh Joshi
5	27/06/2025	10.00 am to 4.00 pm	Navigating the Investment Landscape: Risks, Rewards & Realities	Mr. Chinmay Karvir

Inauguration

The one Week University of Mumbai Approved Administrative Development Program was organized from 23rd June 2025 - 27th June 2025, on Empowering Administrative Excellence through ERP & Life Skills, was designed to provide to give hands-on training in Advanced Excel, Tally, EDBA and other essentials to the participants.

The ADP 2025 started with the lighting of a lamp by the chief guest, Mr. Meet Jain, Dr. R R Sedamkar , Dr. Sheetal Rathi, followed by the singing of the Saraswati Vandana.

The welcome address was given by Mr. Swapnil Raut, a member of the IQAC cell. In his welcome address, he highlighted the importance and contents of the training program. The session further continued with the address of principal Dr. Arun Kumar, who enlightened the participants about the importance of such training programs. In his speech, he spoke about the initiatives of IQAC and the different programs planned by the cell, and further encouraged participants to come forward and contribute effectively to such programs.

Day 1 (23rd June 2025)

Name of the Delegate: Mr. Meet Jain

Designation: Software Developer, PT Ecological Services Pvt. LTD.

Topic covered: "Administrative Excellence through ERP-EDBA"

Highlights of the Session:

- Enhanced understanding of ERP-EDBA systems
- Improved administrative efficiency
- Better decision-making skills
- Increased productivity
- Strategic alignment of administrative functions

Day 2 (24th June 2025)

Name of the Delegate: Mr. Meet Jain

Designation: Software Developer, PT Ecological Services Pvt. LTD.

Topic covered: "Administrative Excellence through ERP-UNIS"

Highlights of the Session:

- Streamlined administrative tasks
- Enhanced efficiency and productivity
- Improved data management and accuracy
- Better collaboration and communication
- Empowered decision-making

Day 3 (25th June 2025)

Name of the Delegate: Mr. Saurav Singh

Designation: Antraweb Technologies Pvt. Ltd.

Topic covered: "Administrative Excellence through ERP- Advanced Talley"

Highlights of the Session:

- Improved data management skills
- Enhanced understanding of ERP systems
- Proficiency in Advanced Talley software
- Streamlined administrative processes
- Better decision-making through data analysis

Day 4 (26th June 2025)

Name of the Delegate: Dr. Brijesh Joshi

Designation: Associate Professor, VIVA Institute of Technology, Virar (East)- 401305.

Topics covered: "Time & Mind Mastery: Essential Skills for Personal & Professional Success."

Highlights of the Session:

- Time management techniques
- Mindfulness and focus enhancement
- Productivity strategies
- Goal setting and achievement
- Stress reduction and well-being

Day 5 (27th June 2025)

Name of the Delegate: Mr. Chinmay Karvir

Designation: Relationship Manager at Dalmia Wealth

Topics covered: "Navigating the Investment Landscape: Risks, Rewards & Realities"

Highlights of the Session:

- Decoding Market Volatility: Strategies for Managing Risk
- The Allure of High Returns: Understanding Potential Rewards
- Investor Expectations vs. Market Dynamics: Bridging the Gap

Inauguration

The one Week ISTE and the University of Mumbai Approved Short Term Training Program organized from 23rd June 2025 to 30th June 2025, on "NEP 2020: Dimensions of Autonomy" was designed to provide to provide a conceptual understanding and to create awareness among faculty members about the key reforms and principles outlined in the National Education Policy (NEP) 2020.

The STTP Program 2025 started with the lighting of a lamp by the chief guest, Mr. Meet Jain, Dr. R R Sedamkar , Dr. Sheetal Rathi, followed by the singing of the Saraswati Vandana. The welcome address was given by Mr. Swapnil Raut, a member of the IQAC cell. In his welcome address, he highlighted the importance and contents of the training program. The session further continued with the address of principal Dr. Arun Kumar, who enlightened the participants about the importance of such training programs. In his speech, he spoke about the initiatives of IQAC and the different programs planned by the cell, and further encouraged participants to come forward and contribute effectively to such programs.

Day 1 (23rd June 2025)

Name of the Delegate: Dr. R.R. Sedamkar

Designation: Professor, Vice Principal, IQAC Director NAAC & HOD for Ph.D. Programs at Thakur College of Engineering and Technology, Kandivali.

Topic covered: "Multidisciplinary and Holistic Education: NEP-2020 Insights"

Highlights of the Session:

- NEP-2020 emphasizes a multidisciplinary and holistic approach to education aims to foster well-rounded individuals with critical thinking, creativity, and problem-solving skills.
- The policy encourages flexible curricula, allowing students to choose subjects across disciplines and create personalized learning pathways.
- This holistic education prepares students for the complexities of the 21st century, enabling them to adapt to evolving job markets and contribute meaningfully to society.

Day 1 (23rd June 2025)

Name of the Delegate: Dr. Sheetal Rathi

Designation: Professor & Dean (Academic), Thakur College of Engineering and Technology, Kandivali (E), Mumbai

Topic covered: "Multidisciplinary and Holistic Education: NEP-2020 Insights"

Highlights of the Session:

- Exploring the multifaceted concept of autonomy within higher education.
- Encompassing its implications across academic decision-making, administrative operations, and financial management.
- Comprehensive understanding of institutional governance and effectiveness.

Day 2 (24th June 2025)

Name of the Delegate: Dr. Surendra Rathod

Designation: Principal, Fr. Conceicao Rodrigues College of Engineering,
Bandra(W), Mumbai- 400050

Topics covered: "Academic Autonomy: Pathway to Innovation and Excellence"

Highlights of the Session:

- Academic autonomy, the freedom of institutions and educators to make decisions about their academic affairs, is a cornerstone of a thriving educational ecosystem.
- Fosters creativity and novel approaches in research and teaching.
- Attracts and retains top academic talent.
- Encourages responsiveness to societal needs and emerging challenges.

Day 3 (25th June 2025)

Name of the Delegate: Dr. Sheetal Rathi

Designation: Professor & Dean (Academic), Thakur College of Engineering and Technology, Kandivali (E), Mumbai

Topic covered: "Rethinking Curriculum: Competency-Based Education Models"

Highlights of the Session:

- Rethinking Curriculum: Competency-Based Education Models
- Integrating Technology: Enhancing Learning Experiences
- Addressing Learning Gaps: Personalized Learning Strategies
- Promoting Equity: Inclusive Education Practices

Day 4 (26th June 2025)

Name of the Delegate: Dr. Brijesh Joshi

Designation: Associate Professor, VIVA Institute of Technology, Virar (East)- 401305.

Topics covered: "Time & Mind Mastery: Essential Skills for Personal & Professional Success."

Highlights of the Session:

- Time management techniques
- Mindfulness and focus enhancement
- Productivity strategies
- Goal setting and achievement
- Stress reduction and well-being

Day 5 (27th June 2025)

Name of the Delegate: Mr. Chinmay Karvir

Designation: Relationship Manager at Dalmia Wealth

Topics covered: "Navigating the Investment Landscape: Risks, Rewards & Realities"

Highlights of the Session:

- Decoding Market Volatility: Strategies for Managing Risk
- The Allure of High Returns: Understanding Potential Rewards
- Investor Expectations vs. Market Dynamics: Bridging the Gap

Day 6 (30th June 2025)

Name of the Delegate: Dr Arun Kumar

Designation: Principal, VIVA Institute of Technology

Topics covered: "Holistic Lifestyle: Science, Art and Heuristic approach"

Highlights of the Session:

- Embrace a harmonious blend of science, art, and heuristic approaches to cultivate well-being.
- Science provides the factual foundation for understanding the body and mind, while art fosters emotional expression and creativity.
- The heuristic approach encourages personal exploration and discovery through trial and error, leading to self-awareness and informed choices.
- By integrating these three facets, individuals can achieve a balanced and fulfilling life that nurtures their physical, mental, and emotional health.

Valedictory

The program came to a close with the valedictory celebration, which was attended by all the staff and IQAC members.

Prof Karishma Raut began her speech by praising the coordinators and organizing committee for the smooth running of STTP-2025. She emphasized the importance of such programs since they offer an exceptional chance to grow and update one's knowledge.

All of the participants received the coordinator's gratitude for their enthusiastic involvement in the STTP 2025. The coordinator expressed her appreciation to ISTE and the University of Mumbai for giving the permission to hold this event. To,

The IQAC Coordinator
VIVA Institute of Technology
Shirgaon, Virar (East)

Subject: Approval of Revised Vision, Mission, PEOs, and PSOs for the Department of Electrical and Computer Engineering

Respected Madam,

I am writing to inform you that the Department of Electrical Engineering has officially undergone a name change and will henceforth be known as the Department of Electrical and Computer Engineering. In alignment with this change, we have revised our Vision, Mission, Program Educational Objectives (PEOs), and Program Specific Outcomes (PSOs) accordingly.

The revised statements have been carefully prepared with inputs from stakeholders, including faculty, students, alumni, industry experts, and parents. They are strongly mapped with the institution's Vision and Mission.

We kindly request you to review and grant IQAC approval for the revised Vision, Mission, PEOs, and PSOs of the Department of Electrical and Computer Engineering. Your kind support and guidance will be instrumental in our efforts to ensure continuous quality improvement.

Thanking you.

Warm regards,

Prof. Bhushan Save

Head of the Department
Electrical and Computer Engineering
VIVA Institute of Technology

Vishnu Waman Thakur Charitable Trust's
VIVA Institute of Technology

Approved by AICTE New Delhi, Recognized by DTE, Govt. of Maharashtra
And Affiliated to University of Mumbai

ACCREDITED by NAAC with "B++" Grade

Vision

To nurture technically proficient professionals in the field of Electrical and Computer Engineering through a holistic learning environment, enabling them to contribute ethically and sustainably to industry and society.

Mission

1. To provide a strong foundation in technical knowledge and practical skills in Electrical and Computer Engineering, fostering analytical thinking and problem-solving abilities.
2. To empower students for the dynamic professional environment through industry engagement, guided projects, and exposure to diversified technologies
3. To nurture ethical values, social responsibility, and personal strengths, enabling students to develop a responsible and professional mindset for effective contribution at the industry and society.

Programme Educational Objectives (PEOs)

1. Graduates will have strong knowledge and practical skills in Electrical and Computer Engineering to solve real-world problems.
2. Graduates will be able to work with an innovative mindset in different jobs by learning new things, working with others, and understanding current industry needs.
3. Graduates will follow ethical values, demonstrate empathetic leadership, take responsibility, and work in teams for the benefit of society and the environment.

Program Specific Outcomes (PSOs)

1. Graduates will be able to understand basic and advanced concepts in Electrical and Computer Engineering and apply them to solve technical problems.
2. Graduates will be able to plan, design, and develop engineering solutions by selecting and adapting appropriate tools and techniques to meet industry and societal needs.

Shirgaon, Virar (E).

**Subject: Invitation for programme on Gender Equality
Awareness.**

Dear Madam,

VIVA Institute of Technology has organized one day programme on **Gender
Equality Awareness** for all the faculty members and students.

You are caurdially invited as a resource person for the same.

Date : 15.06.2018
Time : 10:00 am.
Venue : Seminar Hall,
VIVA Institute of Technology,
Shirgaon, Virar (East).

Hope that you spare your valuable time to make this programme successful.

Thanking You,

Yours faithfully,

Dr. Arun Kumar

To,
The Head,
Shri. Ambika Yogashram,
Vishal Nagar Vasai branch,
Vasai (W), Dist- Palghar.

Subject: Letter of Appreciation.

Respected Sir,

We are highly grateful to the team head and team members of Shri. Ambika Yogashram for conducting session on the importance of Yoga and demonstration of various yogasans on the eve of the International Yoga Day (21st June 2024).

This session encouraged and motivated our students, teaching and non-teaching staff members to include yoga in day to day time table.

On behalf of VIVA Institute of Technology, we would like to convey heartfelt thanks to the team members of Shri. Ambika Yogashram for wonderful value adding session.

We will cherish your value adding words in our hearts.

Hope for similar support in future too.

Thanking you.

Yours faithfully,

Dr. Arun Kumar

TECHCHASE 2024

Event Name: "Evolving Odyssey"

Event Code TCE16

Description: "Evolving Odyssey" is a thrilling, futuristic game where two teams of three players each embark on a journey through various levels, each representing a different branch of engineering. As the team's advance, they must apply their knowledge and skills to solve increasingly complex challenges. The final level is centered on Artificial Intelligence and Machine Learning (AIML), where the ultimate test awaits. The theme, "Leap into the Future," drives the players to innovate, collaborate, and outsmart their opponents to win the game. Only the most cohesive and forward thinking team will emerge victorious in this epic competition.

Winners: 1st Rank: Ram & Luv Kush (COMPS)

TECHCHASE 2024

Event Name: KAAL CHAKRA: THE LASER WAR

Event Code TCE17

Description: Kaal Chakra The Laser Wars is a thrilling two-player time-travel game where one player navigates the past and the other explores the future. Together, they solve complex puzzles across multiple levels to uncover codes necessary for progression. The game features an immersive 3D puzzle in the penultimate level, culminating in a high-energy laser war deathmatch against AI opponents. This final level combines physical combat with competitive gameplay, testing both players' skills and reflexes in a visually stunning arena. The game offers a unique blend of cooperative problem-solving and intense competition, creating a dynamic and engaging experience.

Winners: 1st Rank: Ayush Kasare & Team (TE COMPS)

2nd Rank: Manthan Pardeshi & Team (TE AIML)

3rd Rank: Harshali Patil & Team (SE AIML)

Venue: Ground Floor, Near Canteen Area.

Rule: Time Based Game.

Total No of Participants: 16

Entry Fee: ₹20

Name of Student Coordinator:

Name	Class
Shreyash Jamsandekar	B.E. Mechanical

Event Description:

The "Boat Race" is a fun and innovative event where participants race boats made entirely from recycled plastic water bottles. Teams will design, construct, and race their own boats using only plastic bottles and other recyclable materials. The event combines creativity, engineering, and environmental awareness, as teams compete to see whose boat can travel the fastest or farthest in a designated water track. This event not only promotes teamwork and problem-solving but also emphasizes the importance of recycling and sustainability.

Report on Techchase-2024

Introduction

The TechChase event held at Viva Institute of Technology in Virar on August 30th and 31st, 2024, was a remarkable showcase of innovation, creativity, and competitive spirit. Organized by the institute's technology club, the event brought together students from various departments to participate in a series of challenging and exhilarating games. The competition was designed to test participants' problem-solving skills, technical acumen, and teamwork. The three featured games werBlock Puzzle, Electric Cyclone, and Scream Spectrum, each adding a unique dimension to the event.

Event Overview

The TechChase event spanned two days, creating an energetic and engaging environment for all participants. The venue was adorned with vibrant banners and tech-themed decorations, setting the stage for an exciting array of challenges. The event schedule was meticulously planned to ensure smooth transitions between games and maximize participant engagement. Each game was designed to push the boundaries of traditional problem-solving and incorporate elements of technology and innovation.

Games and Challenges

The Block Puzzle game was a test of logic and spatial reasoning. Participants were given a series of jigsaw-like puzzles, each with unique shapes and patterns. The challenge was to fit all pieces into a predefined space without leaving any gaps.

Vishnu Waman Thakur Charitable Trust's
VIVA INSTITUTE OF TECHNOLOGY

Shirgaon, Virar (E), Taluka-Vasai, District-Palghar, 401305, Maharashtra
Telephone: (0250)-6990999 website- www.viva-technology.org

ACCREDITED by NAAC with GRADE "B+ +"

DEPARTMENT OF ELECTRICAL ENGINEERING

1. Electrical Block Connector

The game was timed, adding an element of urgency and excitement. Contestants demonstrated impressive strategic thinking and quick problem-solving skills. The Block Puzzle game saw intense competition, with participants employing various techniques to solve the puzzles efficiently.

Sr No.	Name of the student	Branch	Rank	Time
1.	Ankita Lihitkar	Electrical	1 st	1.20 min
2.	Janhavi Ovalkar	EXCT	2 nd	1.28 min
3.	Nilay Bhoir	Electrical	3 rd	1.33 min

2. Electric Cyclone

Electric Cyclone was a high-energy game involving a complex circuit board challenge. Participants were tasked with assembling a functional electrical circuit from a set of components, which included resistors, capacitors, and LEDs. The goal was to create a working circuit that would power a small motor and generate a visual display. The game required a solid understanding of electronics and precise assembly skills. The complexity of the circuits tested participants' technical knowledge and their ability to troubleshoot issues under pressure.

Sr No.	Name of the student	Branch	Rank	Level

ACCREDITED by NAAC with GRADE "B+ +"

DEPARTMENT OF ELECTRICAL ENGINEERING

2.	Ankita Lihitkar	Electrical	2 nd	3
3.	Prasad Mirgal	Electrical	3 rd	3

3. Scream Spectrum

Scream Spectrum was the most innovative and dynamic of the three games. It combined elements of sound recognition and frequency analysis. Participants had to use a sound sensor to detect and analyze different frequencies of sounds. The challenge was to accurately identify and categorize various sound patterns, which required a keen ear and quick reflexes. The game was both challenging and entertaining, providing a unique twist on traditional tech games.

Sr No.	Name of the student	Branch	Rank	Level
1.	Tanmay Tamhankar	Civil	1 st	6+
2.	Sahil Singh	EXCT	2 nd	5.8
3.	Manas Pawar	Electrical	3 rd	5.7

Achievements and Recognition

Among the games, Scream Spectrum emerged as a standout performer. The team participating in Scream Spectrum showcased exceptional skill and precision in identifying and analyzing sound frequencies. Their performance earned them the 3rd prize in the overall departmental games, reflecting their strong grasp of the game's complexities and their ability to perform under pressure. This achievement was celebrated with great enthusiasm, and the team was applauded for their innovative approach and technical expertise.

Conclusion

The Techchase event at VIVA Institute of Technology was a resounding success, marked by enthusiastic participation and impressive performances across all games. The inclusion of Block Puzzle, Electric Cyclone, and Scream Spectrum provided a comprehensive platform for students to demonstrate their problem-solving abilities and technical skills. The recognition of Scream Spectrum with the 3rd prize was a testament to the participants' hard work and dedication. The event not only highlighted the talent within the institute but also fostered a spirit of innovation and teamwork. It was a memorable two days that showcased the vibrant and dynamic tech community at VIVA Institute of Technology.

Event: Technical Paper Presentation: TECHSPARK 6.0

Total participants: 43

The CSI-VIVA successfully organized the event “TECHSPARK 6.0” on 21st March at the Computer Engineering Department, VIVA Institute of Technology. Techspark 6.0 is an annual event where students from the department present their own technical papers, offering them a platform to showcase their research and knowledge. The event provides an excellent opportunity for students to enhance their skills, build confidence, and develop their presentation abilities.

This program was initiated by CSI-VIVA and has been successfully carried out for the sixth consecutive year. Participants were required to submit their abstracts in advance, and the final selection was based on the relevance and quality of their papers. Each presentation was allocated 10 minutes, followed by a question-and-answer session with a panel of judges. The presentations were evaluated by a panel of esteemed judges. The evaluation criteria included the relevance of the topic, the clarity of presentation, and the ability to answer questions effectively.

The judges were highly impressed with the quality of the presentations and praised the participants for their extensive research and presentation skills. They also provided valuable feedback to help the participants enhance their future presentations.

The technical paper presentation event was a great success and helped promote technical research

and innovation among the students. The event saw significant participation from both faculty and students, particularly from the Second and Third-Year Computer Engineering students, who actively engaged in the presentations.

Overall it was a Knowledgeable Event.

Thanking You

TECH-CHASE 2024

Event:- 1 BRIDGE STORM CHALLENGE

Combination of Brainstorming" and "Bridge-O-Mania"

Description 1: Brainstorming

- Multiple technical task is involved in these rounds.
- Team upon completion of task moves to next rounds.
- Fastest one to clear the round wins rewards which will need for second round. (eg. Ice cream sticks)

Rules:

- 1) In first round their will 4 sub round.
- 2) Bonus round will be considered during tie breaker, it depends on time.
- 3) Every round will be based on time.
- 4) Judge's decision will be last decision.

Description 2: Bridge-O-Mania

- A bridge structure is to be constructed. It can be suspended and It has to sustain the loads.
- Participant can build any type of bridge. Structure should bare minimum load of 3 kg. Effective span of bridge should be 1m.

Rules:

- 1) Popsicle sticks, 2- wooden blocks, thread, glue will be provided. Please get all the rest stationary you require.
- 2) Not compulsory to use all items provided.
- 3) Structure should bear maximum load
- 4) Participants can any type of bridge.
- 5) Calculation is required.
- 6) 1 m long bridge with effective span of 70 cm.
- 7) Structure should bear minimum load (example 3 kg.)
- 8) Three chances will be given to increase the loading.

VIVA INSTITUTE OF TECHNOLOGY

Shirgaon, Virar (E), Taluka-Vasai, District-Palghar, 401305, Maharashtra Telephone: (0250)-6990999
website- www.viva-technology.org

NAAC ACCREDITED With GRADE B+ +

Department of Civil Engineering

Note: Materials will be provided by us. Participants should carry their stationary materials.

Participation: **3 to 4 members**

Time Limit: **2 hours**

Amount: **30 rupees**

TECHNICAL OUTCOMES:

Students will be able to understand following concepts:

- Structure of truss bridges and suspension bridges.
- Load distribution over the bridge.
- Design of bridge for maximum stability.
- Design of bridge for maximum safe loading
- Using available knowledge in civil engineering for problem solving.
- Development of faster reflexes and teamwork skills.

NAME OF ITEM	QTY	UNIT	AMOUNT
ICE CREAM STICKS	4	250	1000
GLUE	30	15	450
SCISSORS	25	20	500
CUTTER	20	10	200
THREAD	30	5	150
ORIGAMI PAPER	10	50	500
Fevibond	30	25	750
TOTAL			3550

Event:- 2 POWER TOWER.

Description:

- This event is based on height of model and Stability.
- Starting from the base of the design. The Balloon & straw Structure should be strong and tall Enough to stand free and resist the wind flow.

Sub: Invitation for **Guest Lecture** for SE,TE & BE Civil Engineering students.

Respected Sir,

VIVA Institute of Technology established in the year 2009, nurtures a unique system of education for **creating** dynamic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. The institute is affiliated to the University of Mumbai and approved by AICTE, New Delhi, and DTE, Govt. of Maharashtra. It offers courses such as Mechanical, Electrical, **Electronics & Telecommunication**, **Civil**, Computer Engineering, Computer Science & **Engineering** (Artificial Intelligence & Machine learning), M.C.A. and M.E.in Mechanical (**Manufacturing Systems Engg.**)

This institute believes in empowering young students through rigorous curriculum, students participation in R & D, mentor system, value added programs and strong industrial interface.

I am pleased to invite you for a Guest Lecture at our institute for second, third and final year Civil Engineering students. Topic of lecture could be "**Building Information Modelling**". Schedule of lecture will be on Tuesday, April 08, 2025 at 10:00 am to 12:00 pm. Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply,

Thanking You.

Sub: Letter of appreciation

Respected Sir,

We are really grateful to you for your valuable time and effort for delivering a Guest Lecture on "Building Information Modelling" for our second Year, Third Year & Final Year Students of the Department of Civil Engineering on Tuesday, April 08, 2025.

Your session was very informative, knowledgeable and motivating. Our students will cherish your value adding words in their hearts.

Hope for similar support in future too.

Thanking You,

Yours Truly,

Dr. Arun Kumar

ACCREDITED by NAAC with "B++" Grade

Report on Guest Lecture: Building Information Modelling (BIM)

Date: 08th April 2025 (Tuesday)

Time: 10:00 AM to 12:00 PM

Venue: Civil Engineering Seminar Hall

Guest Speaker: Mr. Omkar Repal, Structural BIM Modeler, *Silicon Engineering Consultants Pvt. Ltd.*

1. Introduction

The Civil Engineering Department of VIVA Institute of Technology organized a Guest Lecture on "**Building Information Modelling (BIM)**" for the students of S.E., T.E., and B.E. Civil Engineering on 08th April 2025. The lecture aimed to introduce students to the latest BIM technologies and their applications in the real estate and infrastructure sectors, with an emphasis on structural modeling.

2. Key Learnings

The session delivered by **Mr. Omkar Repal** covered the following essential aspects:

- **Concept of BIM** and its evolution from traditional 2D CAD to intelligent 3D modeling.

Vishnu Waman Thakur Charitable Trust's VIVA Institute of Technology

Approved by AICTE New Delhi, Recognized by DTE, Govt. of Maharashtra
And Affiliated to University of Mumbai

ACCREDITED by NAAC with "B++" Grade

- **BIM in Structural Design:** Integration of structural data into project lifecycle using Revit and other modeling tools.
- **Clash Detection & Coordination** in multi-disciplinary projects to reduce site rework.
- **Software Demonstration:** Live demo of structural modeling in Revit with real-world project snapshots.
- **Industry Relevance:** Importance of BIM in large-scale projects, cost control, and time efficiency.
- **Career Guidance:** Roles of a BIM Modeler, Coordinator, and future scope in national and international markets.

3. Student Response

Students found the session highly engaging and informative. The technical demonstration and industry insights encouraged many to consider BIM training and certification as part of their skillset enhancement. The Q&A session provided clarity on tools, job roles, and practical project execution using BIM.

4. Conclusion

The guest lecture by Mr. Omkar Repal was a valuable experience that bridged the academic-industry gap. It enhanced the students' understanding of digital construction workflows and highlighted the importance of BIM in modern-day structural engineering.

CSI In-Charge

Sunita Naik
In-Charge HOD,
Department of Computer
Engineering

Report on Event-2024-25

Date: 19th SEPTEMBER 2024

Time: 12:00 PM to 1:00 PM

Venue: Viva Institute of Technology

Event: Josh

Total Participants: 89

The CSI-VIVA successfully organized the monthly event “JOSH” of this academic year at the Computer Engineering Department, VIVA Institute of Technology on the occasion of “Engineer’s Day”. The event was conducted by CSI Members, and was attended by Computer Engineering students as well as faculty members. Event had multiple games such as heads up, two truths one lie which were for the students and jhapaat which was only for the teachers.

Students from the department shared their participation. Finally, Everyone in the department had fun in this event. There was a large participation from department staff and students of S.E, T.E and B.E Computer Engineering.

Overall it was a Fun Event.

Report on Seminar-2024-25

Date: 18th JULY 2024

Time: 09:45 AM onwards

Venue: VIVA Institute of Technology

Event: Seminar: Seminar on From concept to code:Effective Hackathon Strategies

Total Participants: 52

The CSI-VIVA successfully organized the seminar on “**From Concept to Code:Effective Hackathon Strategies**” at the Department of Computer Engineering, VIVA Institute of Technology. The lecture was conducted by “Mr. Harsh Mali”. He is currently a student of TE Computer Engineering at VIVA Institute of Technology. He actively participated in various hackathons and was ranked among the top-30 in a national-level hackathon. He was enthusiastic to share his experience with his juniors in the department.

He covered all the points from the very basics, starting by explaining to the students about the importance of hackathons and the benefits of it. There was a large participation from students of S.E of Computer Engineering.

Overall it was an Informative Event.

Thanking You

Invitation to Facilitate webinar on "Web 3.0 and Blockchain" External Inbox x

CSI VIVA-TECH <csi.comps@viva-technology.org>

Sat, Aug 3, 11:22 PM (8 days ago)

to aakash ▾

Dear Aakash S,

I hope this message finds you well.

The purpose of this email is to invite you as a guest speaker for the webinar to be held at the Department of Computer Engineering, VIVA Institute of Technology on 10th August 2024, and to inquire about the details of the event.

As we discussed previously, for the webinar on '**Web 3.0 and Blockchain**' (10th August 2024, 11:00 am onwards.) for Second year & Third year Engineering Students.

For this seminar, there will be around 100-120 students from engineering (SE & TE) .

We kindly **request** any **relevant details** about your expertise and experience that would be pertinent to the webinar's topic (and personal info), to **assist us in introducing you** appropriately.

Thank you and best regards,
CSI VIVA-Tech,
Computer Engineering Department,
VIVA Institute of Technology, Virar.

Report on Webinar-2024-25

Date: 10th AUGUST 2024

Time: 11:00 AM onwards

Venue: Viva Institute of Technology

Event: Webinar: Web 3.0 and Blockchain

Total Participants: 34

The CSI-VIVA Tech successfully organized a webinar on “**Web 3.0 and Blockchain**” at the Department of Computer Engineering, VIVA Institute of Technology. The webinar was conducted by Mr. Aakash S. He is a web3 enthusiast, working in ShadowFox as a program coordinator. He has taken over 20 webinars on web3 with more than 2000 participants onboard. The webinar was conducted for the students to get knowledge about cyber security and encourage students to improve their technical knowledge.

He covered all the points from the very basics, starting by explaining to the students about web3. Also Students from SE, TE and B.E asked their queries on the same. There was a good participation from students of S.E, T.E and B.E Computer Engineering. Overall it was a knowledgeable and informative webinar.

Thank You

Subject: Letter of Appreciation

Respected Sir,

We are grateful to you for your valuable time and efforts in conducting a webinar on “Web 3.0 and Blockchain” for Second Year, Third Year and Fourth Year students of the Department of Computer Engineering on 10th August, 2024. Your webinar was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in future too.

Thanking You.

Yours faithfully,

Dr. Arun Kumar

Dear Prof. Shweta,

I hope this message finds you well.

The purpose of this email is to invite you as a guest speaker for the seminar to be held at the Department of Computer Engineering, VIVA Institute of Technology on 23rd September 2024, and to inquire about the details of the event.

As we discussed previously, for the seminar on 'Blockchain' (23rd September 2024, 12:00 noon onwards.) for Third year Engineering Students. For this seminar, there will be around 65-75 students from engineering (TE).

We kindly **request** any **relevant details** about your expertise and experience that would be pertinent to the seminar's topic (and personal info), to **assist** us in **introducing you** appropriately.

Thank you and best regards,
CSI VIVA-Tech,
Department of Computer Engineering,
VIVA Institute of Technology, Virar.

Report on Seminar-2024-25

Date: 23th SEPTEMBER 2024

Time: 12.00 PM onwards

Venue: VIVA Institute of Technology

Event: Seminar:Exploring Blockchain Dynamics:Foundation of Distributed Ledger System

Total Participants:

The CSI-VIVA successfully organized the seminar on **“Exploring Blockchain Dynamics: Foundation of Distributed Ledger System”** at the Department of Computer Engineering, VIVA Institute of Technology. The lecture was conducted by “Prof. Shweta Taral”. She is a lecturer at Viva College of Diploma Engineering and Technology and brings a wealth of knowledge in the field of blockchain and distributed ledger technologies.

She covered all the points from the very basics, starting by explaining to the students about the blockchain and how it works. There was a large participation from students of T.E of Computer Engineering.

Overall it was an Informative Event.

Thanking You

Dear
Arney Raut Sir,

I hope this message finds you well.

The purpose of this email is to invite you as a guest speaker for the seminar to be held at the Department of Computer Engineering, VIVA Institute of Technology on 7th August 2024, and to inquire about the details of the event.

As we discussed previously, for the seminar on "**Startup Playbook: Essentials for Tech Business**" (7th August 2024, 10:30 am onwards.) for Second year & Third year Engineering Students.

For this seminar, there will be around 100-120 students from engineering (SE & TE) .

We kindly **request** any **relevant details** about your expertise and experience that would be pertinent to the seminar's topic, to **assist** us in **introducing** you appropriately.

Thank you and best regards,
CSI VIVA-Tech,
Computer Engineering Department,
VIVA Institute of Technology, Virar.

Total Participants: 42

The CSI-VIVA successfully organized the seminar on “**Startup Playbook-Essentials For Tech Business**” at the Department of Computer Engineering, VIVA Institute of Technology. The lecture was conducted by “Mr. Amey Raut”. He is a serial entrepreneur, Founder of OTET infosystems and Director of TechTantra Automation Pvt Ltd. He has achieved a Master of Science in Management of Technology and a Master of business administration(MBA in general) from Murray State University, Kentucky, USA. His software development company OTET infosystems which he started along with his partner Parag Nerurkar back in 2017. OTET infosystems is well known to its customers for excellent mobile applications and website development. OTET infosystems has developed more than 600+ websites and 50+ more mobile applications in the last 7 years. OTET has a strong team of 15 developers. Mr. Amey Raut’s another company Techtantra Automation pvt ltd is into IOT and electronics related product development. Recently their home automation products division which they have developed completely in house has been acquired by Pune based mnc. Techtantra has a product called Mobi Pump which helps farmers to turn On and Off their water pump from anywhere in the world. The Mobi Pump product is very helpful to farmers and it has gained popularity among farmers across India since 2020. He is a proud member of Rotary club of Palghar. He is currently president of Business Network International (BNI) Virar division.

CSI VIVA-TECH <csi.comps@viva-technology.org>

Mar 30, 2025, 3:31PM

to priyankapatil@vivacollege.org ▾

To,
Dr. Priyanka Biri,
Department of Information Technology,
VIVA College.

Respected Mam,

I hope this message finds you well. I am writing to invite you to be a **judge** for an upcoming engineering project competition **Imperia**. As someone who is highly respected in the field of engineering, we would be honored to have you as a judge for this event.

The competition will feature some of the brightest and most innovative engineering projects from students who are eager to showcase their skills and talents. As a judge, you would have the opportunity to evaluate and provide feedback on these projects, helping to inspire and motivate the next generation of engineers.

The event will be held on **5th April 2025** at **VIVA Institute of Technology, Virar East** starting from **9 AM**. We anticipate that it will attract a large audience of engineering enthusiasts and professionals. Your expertise and knowledge in the field of engineering would be invaluable to this event, and we would be grateful for your participation.

If you are interested in accepting this invitation, please let me know at your earliest convenience. I would be happy to provide you with additional information about the event, including the judging criteria and format.

Thank you for your consideration, and we hope to hear from you soon.

Regards,
CSI VIVA-Tech

Report on Event(Imperia 2025) 2024-25

Date: 5th APRIL 2025

Time: 10.00 AM onwards

Venue: VIVA Institute of Technology

Event: Imperia 2025

No of participants: 79

The CSI-VIVA successfully organized the event “Imperia 2025” on 5th April at the Computer Engineering Department, VIVA Institute of Technology. Imperia is an event where students from the department present their major and mini projects, offering them an exceptional platform to showcase their technical skills and innovative ideas. The event encourages students to work on practical and creative projects, helping them enhance their knowledge while boosting their confidence.

This program, initiated by CSI-VIVA, has been successfully organized for the fifth consecutive year. Participants were required to submit their abstracts in advance, with the final selection based on the relevance and quality of their projects. Each project was allocated 5 minutes for presentation, followed by a question-and-answer session with the panel of judges. The judges, consisting of esteemed faculty members, evaluated the projects based on innovation, practical application, and presentation quality.

The judges were impressed with the high level of creativity and technical expertise displayed by the participants, praising the students for their innovative ideas and well-executed projects. Constructive feedback was also provided to help the participants refine their future projects and foster further growth in their technical skills.

The intercollegiate project competition proved to be an excellent opportunity for students to showcase their talents and gain valuable insights from other participants' projects. It not only allowed them to present their work to a broader audience but also provided a platform to learn from others and broaden their perspective.

Overall, Imperia 2025 was a valuable learning experience for the students, providing them with new insights and skills that will be beneficial throughout their academic and professional journeys. The event saw a large participation from the department staff and students of SE, TE, BE, and Diploma in Computer Engineering, making it a great success.

Overall it was a Knowledgeable Event.

Report on Event(TECHSPARK 6.0) 2024-25

Date: 21th MARCH 2025

Time: 10.30 AM onwards

Venue: VIVA Institute of Technology

Event: Technical Paper Presentation: TECHSPARK 6.0

Total participants: 43

The CSI-VIVA successfully organized the event “TECHSPARK 6.0” on 21st March at the Computer Engineering Department, VIVA Institute of Technology. Techspark 6.0 is an annual event where students from the department present their own technical papers, offering them a platform to showcase their research and knowledge. The event provides an excellent opportunity for students to enhance their skills, build confidence, and develop their presentation abilities.

This program was initiated by CSI-VIVA and has been successfully carried out for the sixth consecutive year. Participants were required to submit their abstracts in advance, and the final selection was based on the relevance and quality of their papers. Each presentation was allocated 10 minutes, followed by a question-and-answer session with a panel of judges. The presentations were evaluated by a panel of esteemed judges. The evaluation criteria included the relevance of the topic, the clarity of presentation, and the ability to answer questions effectively.

The judges were highly impressed with the quality of the presentations and praised the participants for their extensive research and presentation skills. They also provided valuable feedback to help the participants enhance their future presentations.

The technical paper presentation event was a great success and helped promote technical research

and innovation among the students. The event saw significant participation from both faculty and students, particularly from the Second and Third-Year Computer Engineering students, who actively engaged in the presentations.

Overall it was a Knowledgeable Event.

Thanking You

Respected Sir,

VIVA INSTITUTE OF TECHNOLOGY is approved by AICTE, New Delhi, and DTE, Maharashtra State and affiliated to the University of Mumbai. It nurtures a unique system of education for creating dynamic leaders for the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and the nation. This institute believes in empowering young students through rigorous curriculum, students participation in R&D, mentor system, value added programs and strong industrial interface.

On behalf of VIVA Institute of Technology, Computer Science and Engineering (AI & ML) department, we are organizing a guest lecture for our students. I am pleased to invite you as a resource person for the topic of "Innovative automation: Robotics with AI in industry 4.0" on 19th July 2024. Your interaction with our students will be value adding and they will cherish your words throughout their lives.

Looking forward to your positive reply.

Thanking You.

Subject: Request for being resource person for Guest Lecture.

Respected Madam,

VIVA INSTITUTE OF TECHNOLOGY is approved by AICTE, New Delhi, and DTE, Maharashtra State and affiliated to the University of Mumbai. This institute believes in empowering young students through rigorous curriculum, students' participation, mentor system, value added programs and strong industrial interface.

On behalf of Viva Institute of Technology, Computer Science and Engineering (AI & ML) department, we are organizing a Guest Lecture for our Third-Year students. I am pleased to invite you as a resource person for the topic of " **Statistics in AI Exploring statistical power: Anova and Regression** " on 18th September 2024. Your interaction with our students will be value adding and prove pathway to forthcoming competition.

Looking forward to your positive reply.

Thanking You.

Organization / Institution: VIVA Institute of Technology

Date: 25/02/2025

Time: 11:00 AM to 12:00 PM

Industry visited Summary / Details:-

VIVA Institute of Technology had organized an Guest Lecture on Trends in Factory Automation: Discussing the latest advancements in industrial automation and control systems to SE, TE students on dated 25/02/2025.

The Guest lecture conducted by Mayuraj Pandit Ahire in the Institute. There was 31 students who attended the guest lecture. The speaker provided session, helped students to understand Trends in Factory Automation: Discussing the latest advancements in industrial automation and control systems.

Subject: Letter of Appreciation.

Respected Sir,

We are grateful to you for your valuable time and effort for delivering a Guest lecture on the topic "**Trends in Factory Automation: Discussing the latest advancements in industrial automation and control systems**" for our Faculty & Students of Electrical Engineering on **25/02/2025**. Your lecture was very much informative, knowledgeable, and motivating. Our Faculty & Students will cherish your value-adding words in their hearts.

Hope, for similar support in the future too.

Thanking you.

Yours faithfully,

25.2.2025

Subject: Letter of Appreciation

Respected Madam,

We are grateful to you for your valuable time and efforts in conducting a Guest Lecture on "**Advanced Computer Vision**" for Second Year and Third Year students of the Department of Electronics & Telecommunication Engineering. VIVA Institute of Technology on 20th February, 2025.

Your session was very informative, knowledgeable and motivating. Our students will cherish your value adding words in their hearts.

Hope for similar support in future too.

Thanking You.

Yours faithfully,
PRINCIPAL

Received

20/2/25.

Department of Electronic & Telecommunication Engineering

Topic Name:	Advance computer vision
Name of the Guest Speaker:	Madhura Ranade
Designation:	Professor and Head of Department
Organization/Institution:	Viva Institute of Technology
Date:	20/02/2025
Time:	11:00pm to 1:00pm
Number of Students:	35
Programme summary:	The lecture was organized and scheduled under the IETE

Student forum:

Guest speaker Madhura Ranade took the session about python. Where she interestingly taught us about object detection using YOLO. A brief idea about how Google colab is done using python code and image recognition is done also how to change image from gray scale to gaussian to median to edge with the help using colab. Also taught about low pass and high pass filter of image. It was an offline session. She ended the session by solving the doubts of the students. It was very helpful session because of that we come to know more about colab and python.

Seminar Agenda:

- 1. Introduction & Trends** – Overview of modern CV applications and challenges
- 2. Deep Learning for CV** – CNNs, Transformers (ViTs), Pretrained Models
- 3. Object Detection & Segmentation** – YOLO, Faster R-CNN, Mask R-CNN
- 4. Image & Video Processing** – Feature Extraction, Optical Flow, GANs
- 5. 3D Vision & Multi-View Geometry** – Stereo Vision, SLAM, Point Clouds
- 6. Edge AI & Deployment** – Model Optimization, ONNX, TensorRT
- 7. Hands-on Projects** – Implementing real-world CV applications
- 8. Q&A & Networking** – Discussion, Future Trends, Next Steps

Conclusion:

Advancements in computer vision have revolutionized various industries, including healthcare, automotive, security, and retail. With the integration of deep learning, artificial intelligence, and edge computing, computer vision systems have become more accurate, efficient, and capable of handling complex visual tasks. Despite these advancements, challenges such as data privacy, bias in AI models, and computational costs remain significant concerns. Addressing these issues through ethical AI development and improved algorithms will be crucial for the continued growth of computer vision. Looking ahead, the future of computer vision promises even greater innovations, including real-time image recognition.

Department of Electronic & Telecommunication Engineering

Topic Name: Workshop on Cloud Computing

Name of the Guest Speaker Prof. Shiburaj Pappu

Designation: TE EXTC STUDENTS

Organization/Institution: Viva Institute of Technology

Date: 12/03/2025

Time: 09:30am to 11:00am

Number of Students: 60

Programme summary:

The workshop on Cloud Computing aimed to introduce participants to the core concepts of cloud technology, its infrastructure, service models (IaaS, PaaS, SaaS), and applications across industries. Emphasis was placed on practical knowledge of deploying applications on cloud platforms, with a focus on scalability, flexibility, and cost-efficiency. The session provided hands-on exposure to cloud tools and encouraged exploration of career opportunities in cloud services.

Objectives of the Workshop:

1. To introduce the concept and evolution of Cloud Computing.
2. To explain various service models (IaaS, PaaS, SaaS) and deployment models (Public, Private, Hybrid).
3. To demonstrate basic cloud platform usage (AWS Console, Azure, or Google Cloud).
4. To guide students in deploying a basic web application on the cloud.
5. To highlight security, compliance, and cost optimization in cloud environments.

Workshop Agenda:

1. Introduction to Cloud Computing
 - Definition, history, and growth of cloud technology
 - Benefits of cloud adoption
2. Service Models Overview
 - Infrastructure as a Service (IaaS)
 - Platform as a Service (PaaS)
 - Software as a Service (SaaS)
3. Deployment Models
 - Public, Private, Hybrid, and Community Clouds
 - Examples and use cases

4. Deployment Models

- Creating a virtual server (EC2 instance) on AWS
- Deploying a sample website
- Monitoring and scaling application

Key Takeaways:

1. **Cloud Fundamentals:** Students gained a strong understanding of cloud architecture, service models, and deployment strategies.
2. **Hands-on Cloud Deployment:** Participants experienced real-time cloud platform usage and deployment of applications.
3. **Security and Cost Awareness:** Importance of securing data in the cloud and managing cloud costs was emphasized.
4. **Career Insight:** Information on certifications, job roles, and the future of cloud technology was shared.
5. **Team Collaboration:** Group activities facilitated peer learning and collaborative problem-solving.

Conclusion:

The Cloud Computing workshop effectively equipped students with foundational knowledge and practical exposure to cloud services. Participants expressed enthusiasm in pursuing cloud certifications and implementing cloud-based solutions in academic and professional projects. The interactive nature and live demonstrations added immense value to their learning experience.

REPORT

Topic Name:	INNOVATIVE AUTOMATION: ROBOTICS IN INDUSTRY 4.0
Name of the Guest Speaker:	Mr. Aniket Nargundkar
Designation:	ASSISTANT PROFESSOR
Organization/Institution:	SYMBIOSIS INSTITUTE OF TECHNOLOGY, PUNE
Date:	19/07/2024
Time:	11.00am-1.00pm
Participant details:	24 Students and 5 Faculties

Objectives:

1. To Understand the Role of Robotics in Industry 4.0 and explore how robotics integrates with smart manufacturing systems thereby highlighting the shift from traditional automation to intelligent automation.
2. To Analyze the Impact of Robotics on industrial processes to evaluate improvements in productivity, quality, and safety.
3. To examine key Technologies Enabling Robotic Automation and to study the application of AI, IoT, and machine learning.

Outcomes:

1. Enhanced Understanding of Robotics Integration in Industry 4.0: Learners and professionals will grasp how robotics fits into the broader Industry 4.0 ecosystem.
2. Ability to Identify and Evaluate Automation Technologies: The participants will be able to distinguish between traditional and innovative robotic systems, including AI-driven and IoT-enabled robots.
3. Real-World Industrial Applications: Participants will get exposure to case studies which will help contextualize the use of robotics in various industries like automotive, healthcare, and logistics.

Programme Summary/Details:

Mr. Aniket Nargundkar commenced his lecture by exploring how robotics is transforming modern industry under the umbrella of the Fourth Industrial Revolution. He stated that Industry 4.0 refers to the integration of cyber-physical systems, the Internet of Things (IoT), and cloud computing into manufacturing and industrial practices to create "smart factories" that are more efficient, adaptive, and responsive. He emphasized on collaborative robots (cobots), autonomous mobile robots (AMRs), and AI-driven automation.

The key features of the Robotics in Industry 4.0 are Interconnectivity, Artificial Intelligence and Machine Learning, Flexibility and Customization and Data driven Optimization. Mr. Nargundkar outlined the various applications across industry such as Manufacturing, Healthcare, Agriculture, Warehousing and Logistics, Construction, etc. He also focused on the benefits and opportunities of Robotics such as Increased efficiency and productivity, enhanced safety by reducing human exposure to hazardous environments, better quality control through precision and consistency, scalability and customization in production processes.

REPORT

Topic Name:	BUILDING BRIDGES: EXPLORING CAREER PATHWAYS IN DEFENCE TECHNOLOGY
Name of the Guest Speaker:	Mr. Aman Pandey
Designation:	DEFENCE R&D INTERN
Organization/Institution:	MARINE DEPARTMENT(KCTI), BHARAT FORGE LTD., PUNE
Date:	16/08/2024
Time:	11.00am-1.00pm
Participant details:	23 Students and 4 Faculties

Objectives:

1. To introduce students and young professionals to the diverse career opportunities available in the defence technology sector.
2. To inspire students to contribute to indigenous defence innovation and technological self-reliance in line with national initiatives like "Make in India" and "Atmanirbhar Bharat".
3. To guide participants on educational pathways, internships, competitive exams, and recruitment processes relevant to defence careers.

Outcomes:

1. Enhanced Career Awareness: Participants will gain a clear understanding of various career opportunities in the defence technology sector, including research, engineering, manufacturing, and support services.
2. Clarity on Educational and Skill Requirements: Students learn about the academic qualifications, entrance exams, and skill sets required to enter various defence technology roles.
3. Motivation to Contribute to National Security: Realization of how defence technology careers impact national defence, innovation, and strategic global standing.

Programme Summary/Details:

Mr. Aman Pandey commenced his lecture by detailing on the topic of Defence Technology and how India's defence technology landscape has been evolving rapidly over the past two decades, with a focus on self-reliance, indigenous innovation, and modernization of the armed forces. The government's push for "Aatmanirbhar Bharat" and initiatives like Make in India have significantly shaped the trajectory of the defence sector. He emphasized on the different organizations under the Defence Technology such as DRDO, ISRO, HAL, BEL etc. and its caeers across engineering, science, IT, project management, and logistics.

He focused on the wide range of careers available in the defence technology sector and the key areas where engineering students can apply for trainings and jobs. He discussed about the different sites that can be used for applying for jobs under the defence sector. He also spoke about the qualification details required for the different jobs and the Institutions & colleges under the defence sector. He also discussed about the posts in the armed forces and the Agnipath scheme which is a major reform in India's military recruitment strategy, introduced by the Government of India in June 2022. He also emphasized on the types of commissions in the armed forces.

Vishnu Waman Thakur Charitable Trust's

REPORT

Topic Name:	ENGINEERING SUCCESS: FROM EMPLOYABILITY TO ENTREPRENEURSHIP
Name of the Guest Speaker:	Mr. Faisal Shaikh
Designation:	FOUNDER & CEO
Organization/Institution:	FACTORIES OF FUTURE, MUMBAI
Date:	30/09/2024
Time:	11.00am-1.00pm
Participant details:	33 Students and 6 Faculties

Objectives:

1. Equip engineering students with core professional and soft skills needed to succeed in the job market
2. Encourage a mindset of creativity, innovation, and risk-taking among students to explore entrepreneurship as a viable career path.
3. Develop leadership qualities and collaborative project experience to prepare students for both corporate roles and entrepreneurial ventures.

Outcomes:

1. Improved Employability Skills: Participants gain strong communication, teamwork, problem-solving, and adaptability skills, making them more attractive to employers.
2. Increased Awareness of Entrepreneurial Opportunities: Students become aware of entrepreneurship as a viable career path, including how to start and manage a business.
3. Development of Leadership Qualities: Students take on leadership roles in group tasks and improve interpersonal skills essential for both corporate and startup environments.

Programme Summary/Details:

Mr. Faisal Shaikh commenced his lecture by detailing on the topic of transformation of engineering students and professionals from job seekers to job creators. In today's rapidly evolving world, the role of engineers is no longer confined to design labs or factory floors. The 21st century demands a new kind of engineer who is not only technically competent but also visionary, innovative, and entrepreneurial. Engineering success today goes beyond securing a job. It is about creating opportunities, solving real-world problems, and building the future. It is a journey that transitions from employability to entrepreneurship.

He emphasized on the key features that an engineer should have to become employable which are technical knowledge, problem-solving, communication, teamwork, internships, certifications, project work, coding skills. He also guided students to learn any other language apart from English which would help them to pursue studies or job's at international level. He also focused on soft skills such as adaptability, critical thinking, digital literacy. He also explained how entrepreneurship is one of the innovation of engineering as engineers make great entrepreneurs due to systematic problem-solving approach, exposure to technology, product design and development skills.

Vishnu Waman Thakur Charitable Trust's
VIVA Institute of Technology
Approved by AICTE New Delhi, Recognized by DTE, Govt. of Maharashtra
And Affiliated to University of Mumbai
NAAC "B++" Grade

At the end he encouraged students to think beyond employment to innovate, solve societal problems, and lead industries as the journey employability to entrepreneurship is not just personal success as it fuels national development and global progress.

Subject: Letter of Appreciation.

Respected Sir,

We are really grateful to you for your valuable time and effort for delivering a Guest Lecture on “**Engineering Success: From Employability to Entrepreneurship**” for our **Second year, Third year, Final Year and M.E. Students** of the Department of Mechanical Engineering on **30th September 2024.**

Your session was very informative, knowledgeable and motivating. Our students will cherish your value by adding words in their hearts.

Hope for similar support in future too.

Thanking you.

Notice Board

REPORT

Topic Name:	RISE WITH SAP: REVOLUTIONIZING MECHANICAL ENGINEERING THROUGH DIGITAL SOLUTIONS
Name of the Guest Speaker:	Mr. Pratik Jadhav
Designation:	ASSOCIATE, SAP-ADVISORY
Organization/Institution:	PWC INDIA, MUMBAI
Date:	31/01/2025
Time:	11.00am-1.00pm
Participant details:	27 Students and 4 Faculties

Objectives:

1. To explain how SAP's initiative supports digital transformation in the manufacturing and mechanical engineering sectors.
2. To show how SAP tools (like SAP S/4HANA, Digital Twin, PLM) optimize design, production, maintenance, and supply chain operations.
3. To showcase how mechanical engineering graduates can explore roles like SAP Functional Consultant, Solution Architect, or Digital Manufacturing Specialist.

Outcomes:

1. Understand the Core Components of SAP: To understand SAP and its role in digital transformation.
2. Identify Digital Transformation Opportunities in Mechanical Engineering: Recognize areas within engineering where digital tools can enhance efficiency and innovation.
3. Analyze the Impact of SAP S/4HANA Cloud on Engineering Processes: Understand how cloud-based ERP enables real-time data and automation.

Programme Summary/Details:

Mr. Pratik Jadhav commenced his lecture by briefing the challenges in the mechanical engineering industry like global competition, supply chain complexity, sustainability demands, product lifecycle inefficiencies. To overcome these challenges SAP was introduced as Systems, Applications, and Products in Data Processing which is a global software company and is one of the world's leading providers of Enterprise Resource Planning (ERP) software and related enterprise applications. SAP develops software solutions that help businesses manage key operations and processes such as Finance and Accounting, Supply Chain and Manufacturing, Human Resources, Project Management, Product Lifecycle Management. He explained the evolution of SAP & its architecture and the terms functional and technical.

He explained the core components SAP S/4HANA Cloud, Business Process Intelligence (BPI), SAP Business Technology Platform (BTP), SAP Business Network. He emphasized on the key benefits for Mechanical Engineering companies such as Enhanced Product Lifecycle Management, Intelligent Supply Chain & Manufacturing, Improved Operational Efficiency and Sustainability and Compliance.

He also encouraged students for self-learning of SAP and guided them through different sites, conferences, publications and social media for learning SAP.

REPORT

Topic Name:	REVERSE ENGINEERING
Name of the Guest Speaker:	Mrs. Nidhi Sanghvi
Designation:	MANAGER BUSINESS DEVELOPMENT
Organization/Institution:	ASK ME ENGINEERS
Date:	31/01/2025
Time:	1.30pm-3.30pm
Participant details:	24 Students and 3 Faculties

Objectives:

1. To explain what reverse engineering is and where it is applied across industries.
2. To understand the ethical boundaries and legal considerations involved in reverse engineering practices.
3. Familiarize attendees with tools, software, or methods commonly used in reverse engineering processes.

Outcomes:

1. Clear Understanding of Reverse Engineering: Participants will be able to define reverse engineering and explain its purpose and scope.
2. Awareness of Real-World Applications: Attendees will recognize how reverse engineering is applied in industries such as software, electronics, mechanical design, and cybersecurity.
3. Familiarity with Tools and Techniques: Participants will gain introductory knowledge of tools, methods, and processes used in reverse engineering.

Programme Summary/Details:

Mrs. Nidhi Sanghvi commenced her lecture by introducing Reverse Engineering as a process of analyzing a product or system to understand its design, architecture, code, or functionality, typically to Learn how it works, duplicate it, improve it and to ensure compatibility. It is a process or method through which one attempts to understand through deductive reasoning how a previously made device, process, system, or piece of software accomplishes a task with very little insight into exactly how it does so.

She explained that all reverse engineering processes consist of three basic steps namely, information extraction, modeling, and review. All the relevant information for performing the operation is gathered in the information extraction stage. Modeling is the practice of combining the gathered information into an abstract model, which can be used as a guide for designing the new object or system. Finally the testing of the model to ensure the validity is done in the last stage of review. She also emphasized on the tools of reverse engineering which can be software or hardware components used to analyze and understand the functionality of a system or product without having access to its original design or source code. There are decompilers, debuggers, 3D scanners, multimeters and oscilloscopes, CAD software with reverse engineering capabilities which import 3D scan data and create CAD models from it.

Vishnu Waman Thakur Charitable Trust's
VIVA Institute of Technology
Approved by AICTE New Delhi, Recognized by DTE, Govt. of Maharashtra
And Affiliated to University of Mumbai
NAAC "B++" Grade

At the end of the session, the guest speaker encouraged students to actively learn and explore various CAD software, emphasizing that proficiency in these tools can significantly enhance their skills and career prospects across diverse engineering fields such as design, mechanical, aerospace, and computer engineering.

REPORT

Topic Name:	NAVIGATING THE TRANSITION: FROM CAMPUS LIFE TO CORPORATE SUCCESS
Name of the Guest Speaker:	Mr. Ashwin Kharwa
Designation:	PROJECT MANAGER
Organization/Institution:	PACKT PUBLISHING PVT. LTD.
Date:	07/02/2025
Time:	1.30pm-3.30pm
Participant details:	18 Students and 5 Faculties

Objectives:

1. To help students understand the key differences between academic life and the corporate world.
2. To develop essential soft skills such as communication, teamwork, adaptability, and time management.
3. To boost student's confidence in handling interviews, onboarding processes, and initial job roles.

Outcomes:

1. Awareness of Key Soft Skills: Participants will understand the importance of communication, collaboration, professionalism, and emotional intelligence in the workplace.
2. Preparedness for Career Entry: Students will feel more confident and better equipped to face interviews, onboarding, and their first job responsibilities.
3. Motivation to Set and Pursue Career Goals: Attendees will be inspired to plan their career path with intention, setting both short- and long-term goals.

Programme Summary/Details:

Mr. Ashwin Kharwa commenced his lecture by discussing the campus life as a unique and transformative phase in a person's life, often remembered for its freedom, friendships, and formative experiences. It's a blend of learning, social interaction, personal growth, and extracurricular involvement. The skills developed during campus life are time management, communication, teamwork, critical thinking, leadership, self reliance, etc. These skills form the foundation for Corporate success.

He explained that the keys to successful transition are mindset shift, building soft skills, master the basics, continuous learning and professionalism. For the acceleration of career he suggested few tips which included networking, personal branding, side projects. He also mentioned that Success in the corporate world isn't just about having a degree or landing a job it's about how you adapt, grow, and deliver value over time. He stated that embracing a growth mindset, effective communication, time and task management, building relationships, understanding the business, emotional intelligence and delivering results are few important features that are required for Corporate success.

Subject: Letter of Appreciation.

Dear Madam,

On behalf of VIVA Institute of Technology, Department of Master of Computer Applications, we extend our heartfelt gratitude for your participation as a Guest Speaker and Subject Expert in our "1-Day Guest Lecture on Blockchain In Action: Practical Applications and Implementations" held on October 17th, 2024, at VIT Campus, Virar East.

Your outstanding presentation provided our students with invaluable insights into Blockchain Technology's practical applications. Your expertise in blending conceptual knowledge with hands-on implementation strategies was particularly impressive and beneficial.

The exposure to real-world field practices and your ability to convey complex concepts were highly appreciated by all attendees. The positive feedback we received underscores the significant impact of your session on our students' understanding of Blockchain Technology. Your contribution has enhanced our academic program, bridging the gap between theory and application. We believe the insights gained will shape our students' future endeavors.

We are deeply thankful for your time and effort in making this lecture a success. Your support in nurturing future technology professionals is commendable. We hope for your continued guidance and look forward to future collaborations.

Thanking you.

Yours faithfully

Subject: Letter of Appreciation.

Dear Sir,

On behalf of VIVA Institute of Technology, Department of Master of Computer Applications, we extend our heartfelt gratitude for your participation as a Guest Speaker in the 5-Days Workshop on "DevOps Essentials: From Fundamentals to Advanced" held from 5th April 2025 to 9th April 2025, at VIT Campus, Virar East.

Your outstanding presentation provided our students with invaluable insights. Your expertise in blending conceptual knowledge with hands-on implementation strategies was particularly impressive and beneficial.

The exposure to real-world field practices and your ability to convey complex concepts were highly appreciated by all attendees. The positive feedback we received underscores the significant impact of your session on our students' understanding of DevOps Implementation. Your contribution has enhanced our academic program, bridging the gap between theory and application. We believe the insights gained will shape our students' future endeavors.

We are deeply thankful for your time and effort in making this lecture a success. Your support in nurturing future technology professionals is commendable. We hope for your continued guidance and look forward to future collaborations.

Thanking you.

Yours faithfully,

Dr. Arun Kumar

Respected Sir,

We extend our heartfelt gratitude for your esteemed presence as a resource person during the expert session on "**Exploring Modern UI/UX Design with Figma**", specifically tailored for our first-year MCA students. This event was organized by the Department of Master of Computer Applications at VIVA Institute of Technology on April 17, 2025.

Your willingness to share your expertise amidst your busy schedule is genuinely appreciated. It has always been a pleasure to have you with us, and we eagerly anticipate your participation in our future events.

Thank you once again.

Warm regards,

Report on Event(Monthly Event-I)-2024-25

Date: 15th July 2024

Time: 1:30 PM to onwards

Venue: Viva Institute of Technology

Event: Monthly Event 1

Total Participants: 89

The CSI-VIVA successfully organized the **Monthly Event 1** in celebration of “**World Youth Skills Day**” of this academic year at the Department of Computer Engineering, VIVA Institute of Technology . The event was conducted by CSI Members, and was attended by Computer Engineering students. The event was conducted for the students to encourage them and also have technical knowledge. Event had multiple games and technical rounds and with each round participants had to complete the task to get qualified to the next level.

Students from the department shared their participation. Finally, Everyone in the department had fun in this event. There was a large participation from department staff and students of S.E, T.E and B.E Computer Engineering.

Overall it was a Fun Event.

Thanking You

Report on Event(Monthly Event-II)-2024-25

Date: 1st August 2024

Time: 12:00 PM to 1:00 PM

Venue: Viva Institute of Technology

Event: Monthly Event 2

Total Participants: 20

The CSI-VIVA successfully organized the **Monthly Event 2** in celebration of “**World Wide Web Day**” of this academic year at the Department of Computer Engineering, VIVA Institute of Technology. The event was conducted by CSI Members, and was attended by Computer Engineering students. The event was conducted for the students to encourage them and also have technical knowledge. Event had two competitions Digital Poster Making And Search Engine Redesigning. Both to test students' creative side and their technical aspect at the same time.

Students from the department shared their participation. Everyone showed creativity through their posters and redesigning ideas. There was good participation from students of S.E, T.E and B.E Computer Engineering.

Overall it was a Fun Event.

Thanking You.

Report on Event(Monthly Event-III)-2024-25

Date: 24th January 2025

Time: 2:30 PM to 3:30 PM

Venue: Viva Institute of Technology

Event: Monthly Event 3

Total Participants: 56

The CSI-VIVA successfully organized the **Monthly Event 3** in celebration of “**Republic Day**” at the Department of Computer Engineering, VIVA Institute of Technology . The event was conducted by CSI Members, and was attended by Computer Engineering students. The event was conducted for the students to encourage them and also have fun to get relief from their hectic schedule. Event had multiple games based on republic day theme & fun games with each round participants had to complete the task to get qualified to the next level.

Students from the department shared their participation. Finally, Everyone in the department had fun in this event. There was a large participation from department staff and students of S.E and T.E Computer Engineering.

Overall it was a Fun Event.

Thanking You

Manjiri Mhatre
CSI Chairman

DEPARTMENT OF HUMANITIES AND APPLIED SCIENCES

19th March 2025

(Ref. No: [VIVA/VIT/FL/11-1/2024-25])

Notice

The Department of Humanities and Applied of VIVA Institute of Technology is hosting an expert talk titled "SELF EMPOWERMENT" for First year engineering students on Friday, 21st March, 2025. We encourage all to attend this informative session.

The details of the program are as follows-

Date: 21st March 2025

Topic: "SELF EMPOWERMENT"

Resource Person: Mr. Abhishek Rajpurohit, Active Member of the Aryans Club. Core Member of ISKCON Youth Forum, guiding students in spiritual and personal development.

Venue: 4th floor, A 407

Time: 9.45 a.m. onwards

Mrs. Manju Mishra

Head of the Department

Subject: Letter of Appreciation

Respected Sir,

We extend our heartfelt gratitude for your esteemed presence as a resource person during the expert session on "**Self-Empowerment**" specifically tailored for our engineering students. This event was organized by the Department of Humanities and Applied Sciences of VIVA Institute of Technology on 21st March, 2025.

Your willingness to share your expertise amidst your busy schedule is genuinely appreciated. It has always been a pleasure to have you with us, and we eagerly anticipate your participation in our future events.

Thank you once again.

Warm regards,

Yours Faithfully,

HOD HAS

Invitation to Facilitate Workshop on "Techniques for Leading Group Discussions" Inbox x

CSI VIVA-TECH <csi.comps@viva-technology.org>
to truptipatil ▾

Fri, Aug 2, 8:30PM (8 days ago) ☆ ↶ ⋮

Dear Dr. Trupti Patil,

The subject of writing this mail is to invite you as a guest speaker for the workshop which is to be conducted at the Department of Computer Engineering, VIVA Institute of Technology.

As we discussed previously, for the workshop on 'Techniques for leading group discussions' (8th and 9th August 2024, 11:00am onwards.) for BE Computer Engineering Students.

For this workshop, there will be around 60-70 students from engineering (BE)

Thank you and best regards,
CSI VIVA-Tech,
Department of Computer Engineering,
VIVA Institute of Technology, Virar.

NOTICE

Ref No. VIT/COMP/CSI-07/2024-25

Date: 06/08/2024

All the students are hereby informed that the Department of Computer Engineering along with CSI VIVA-Tech are organizing a hands-on **Workshop** on **“Techniques for leading group discussion”** for the students of TE and BE.

Group discussions that are common in a democratic society, and, as a community builder, it's more likely that one has been and will continue to be involved in many of them and that's what this section is about. This session will be led by **Dr. Trupti Patil**.

The venue, date and time for the same will be:

Venue: TE Classroom

Date: 08/08/2024 & 09/08/2024

Time: 11:00 am onwards

6/8/24
Manjiri Mhatre
CSI Chairman

Report on Workshop-2024-25

Date: 8 and 9th AUGUST 2024,

Time: 11:00 AM onwards

Venue: VIVA Institute of Technology

Event: WORKSHOP:Techniques for leading group discussions

Total Participants: 72

The CSI-VIVA successfully organized A five day workshop on “**Techniques for leading group discussions**” at the Department of Computer Engineering, VIVA Institute of Technology. The lecture was conducted by “Dr. Trupti Patil”. She has experience of 15 years in higher education and soft skills. She has a wealth of knowledge and a deep commitment towards fostering effective communication among the students.

She was super enthusiastic to share her knowledge with students. She covered all the points from the very basics, starting by explaining to the students about group discussions. There was a large participation from students of T.E and B.E of Computer Engineering. Overall it was an Informative Workshop.

Thanking You

Subject: Letter of Appreciation.

Respected Madam,

We are grateful to you for your valuable time and efforts in conducting a workshop on "Techniques for Leading Group Discussions" for Third Year and Fourth Year students of the Department of Computer Engineering on 8th and 9th August, 2024. Your workshop was very much informative, knowledgeable, and motivating. Our students will cherish your value-adding words in their hearts.

Hope for similar support in future too.

Thanking You.

Yours faithfully,

09.8.24

Mock Interview

Dear Students,

We are pleased to inform you that a **Mock Interview Session** is being organized under the **Soft Skills Development Lab** to enhance your interview readiness and professional communication skills. This session is specifically designed to provide them with real-world job interview experience.

Details of the Session:

- **Date: Resume Submission:** - on or before 11/4/2024 and **Technical Round:** - 18/4/2024
- **Time:** 9:30 am
- **Venue:** MCA Department

Job Specification:

- **Qualification:** Master of Computer Applications (MCA)
- **Technical Skills:** Programming (Java/Python/C++), Database Management, Web Development, Software Engineering, Data Structures & Algorithms
- **Soft Skills:** Communication, Problem-Solving, Teamwork, Adaptability, Time Management
- **Interview Rounds:**
 1. **Resume Submission** - Students must submit their resumes for initial screening.
 2. **Technical Round** - Shortlisted students will be forwarded for a technical interview.

We encourage all eligible students to participate actively and make the most of this opportunity to refine their interview skills.

Subject: Appreciation for Conduction of Mock Interview Session

Dear Aaditya,

On behalf of the Department of Master of Computer Applications, VIVA Institute of Technology, we extend our sincere appreciation and gratitude for taking the time to conduct the **Mock Interview Session** for the students of **First Year MCA (Semester II)** as part of their **Soft Skills Development** curriculum.

Your professional approach, insightful feedback, and real-time interaction gave our students a clear understanding of the expectations and dynamics of a real-world interview process. The session was immensely beneficial in helping them build confidence and refine their communication and presentation skills. Your guidance has certainly added great value to their academic and career preparation journey.

We truly appreciate your effort and commitment to supporting our students' growth and future readiness. We look forward to more such fruitful collaborations in the future.

Once again, thank you for your valuable contribution.

LANGUAGE LABORATORY

OBJECTIVES

- To develop and refine the language skills of our students.
- To involve students to actively participate in language learning exercises.
- To train the students in language skills, soft skills, inter personal skills, decision making, business communication, pre-placement training, corporate readiness, etc.
- To improve communication skills in formal and informal situations.

LANGUAGE LAB ACTIVITIES

- Pronunciation Exercises
- Listening Comprehension
- Reading Practice
- Vocabulary Test
- Group and pair discussion
- Role-plays
- Presentations

LANGUAGE LAB ACTIVITIES REPORT

ACADEMIC YEAR 2024-2025

English is a crucial component of the engineering curriculum, bridging students' prior education with the demands of their professional lives, where daily English usage is essential. To this end, VIVA Institute of Technology's Language Lab aims to enhance students' communication skills in both formal and informal contexts by familiarizing them with everyday English scenarios. The institute's modern English language lab, known as EWL (program for English Language Lab) - English Wordsworth Language Lab, facilitates English language study, catering to diverse student needs and focusing on improving LSRW Skills, particularly the generation and practice of language sounds.

English teachers foster communication skills and English language acquisition by encouraging students to engage in diverse activities like debates, role-plays, group discussions, and presentations. Language labs further enhance conversational, communication, and pronunciation skills, while also emphasizing employability skills such as group discussion, debate, presentation, and interview techniques, preparing students for future success.

The annual sports and cultural fest of VIVA Institute of Technology, Hitaishi was held from 10th January to 17th January 2025. The theme for the fest was “Sahyadri Sanotsav: Echoes of Maharashtra”. In total 17 sports events, including Indoor & Outdoor, and 4 fitness events were conducted for first 5 days. Sports are played in two segment. ie. Diploma engineering segment and bachelors & masters segment in which the participants thoroughly enjoying competing in. 38 cultural events in the format of university youth festival were introduced, during last two days of Hitaishi.

The Cricket event at "Hitaishi 2025" was a thrilling display of skill, strategy, and team spirit, played with hard tennis balls and featuring the exciting “Magic Over” concept. This special twist added an extra layer of excitement, as one designated over per innings allowed teams to earn double the runs for each boundary or six, bringing intense, high-stakes action to the game. Teams, comprised of players from varied backgrounds, competed in a series of short-format matches, showcasing powerful batting, precise bowling, and agile fielding.

In the cricket event total 29 teams registered though Google forms. The cricket event was held at Cricket ground.

Following are the winners of Cricket event:

- 1st Place: FYMMS
- 2nd Place: SE COMPS
- 3rd Place: BE CIVIL

Hitaishi 2025

Event Name: Kho-Kho
Date: 13-01-2025 to 15-01-2025
Time: 08:45 am Onwards

Programme Summary/Details:

The annual sports and cultural fest of VIVA Institute of Technology, Hitaishi was held from 10th January to 17th January 2025. The theme for the fest was “Sahyadri Sanotsav: Echoes of Maharashtra”. In total 17 sports events, including Indoor & Outdoor, and 4 fitness events were conducted for first 5 days. Sports are played in two segment. ie. Diploma engineering segment and bachelors & masters segment in which the participants thoroughly enjoying competing in. 38 cultural events in the format of university youth festival were introduced, during last two days of Hitaishi.

The Kho-Kho event at "Hitaishi 2025" was a vibrant and energetic celebration of this traditional Indian sport, drawing participants and spectators who revel in its fast-paced action and teamwork. Teams, consisting of skilled players, faced off in a series of thrilling matches held on a specially marked rectangular field. The atmosphere buzzed with excitement as teams showcased their agility, strategy, and endurance in this unique tag sport, where speed and quick thinking are essential.

In each match, one team took the role of "chasing," while the other team "defended." The chasers attempted to tag members of the opposing team as they ran around the field, with defenders utilizing strategic dodging and swift movements to avoid being caught. The Kho-Kho event at Hitaishi 2025 not only celebrated a beloved cultural sport but also fostered community spirit and sportsmanship among participants.

In the Kho-Kho event total 20 teams registered though Google forms. The Kho-Kho event was held at Kho-Kho ground.

Following are the winners of Kho-Kho event:

1st Place: SE CSE AI & ML A

2nd Place: FY MMS

3rd Place: BE ELECTRICAL

Hitaishi 2025

Event Name: Kabaddi
Date: 13-01-2025 to 15-01-2025
Time: 08:45 am Onwards

Programme Summary/Details:

The annual sports and cultural fest of VIVA Institute of Technology, Hitaishi was held from 10th January to 17th January 2025. The theme for the fest was “Sahyadri Sanotsav: Echoes of Maharashtra”. In total 17 sports events, including Indoor & Outdoor, and 4 fitness events were conducted for first 5 days. Sports are played in two segment. ie. Diploma engineering segment and bachelors & masters segment in which the participants thoroughly enjoying competing in. 38 cultural events in the format of university youth festival were introduced, during last two days of Hitaishi.

The Kabaddi event at "Hitaishi 2025" was a thrilling showcase of strength, agility, and strategy, capturing the essence of this traditional sport. Teams from various backgrounds gathered to compete in fast-paced matches that tested their physical endurance and tactical skills. The atmosphere was charged with excitement as spectators cheered for their favorite teams, creating an electrifying ambiance that highlighted the festival's spirit of community and competition.

Each match featured intense action, with raiders showcasing their speed and cunning while attempting to tag opponents and return to their side without being tackled. Defenders, on the other hand, demonstrated impressive teamwork and timing, working together to thwart raiders' attempts. The Kabaddi event at Hitaishi 2025 celebrated not only the physicality of the sport but also the camaraderie and respect among players, reinforcing the importance of tradition and community in sporting events. The tournament was structured in knockout rounds, leading to a climactic final that showcased the best teams..

In the Kabaddi event total 22 teams registered though Google forms. The Kabaddi event was held at Kabaddi ground.

Following are the winners of Kabaddi event:

- 1st Place: SE MECH
- 2nd Place: SE COMPS
- 3rd Place: TE COMPS

Hitaishi 2025

Event Name: Football
Date: 13-01-2025 to 15-01-2025
Time: 08:45 am Onwards

Programme Summary/Details:

The annual sports and cultural fest of VIVA Institute of Technology, Hitaishi was held from 10th January to 17th January 2025. The theme for the fest was “Sahyadri Sanotsav: Echoes of Maharashtra”. In total 17 sports events, including Indoor & Outdoor, and 4 fitness events were conducted for first 5 days. Sports are played in two segment. ie. Diploma engineering segment and bachelors & masters segment in which the participants thoroughly enjoying competing in. 38 cultural events in the format of university youth festival were introduced, during last two days of Hitaishi.

The Football event at "Hitaishi 2025" was a fast-paced and exhilarating competition, featuring six-player teams that brought intensity and skill to the game. The smaller team format allowed for quicker play, demanding agility, teamwork, and sharp strategy from each player. Matches were played in shorter durations to maintain the high-energy tempo, creating an electrifying atmosphere for both players and spectators.

With only six players on each side, every position became crucial, and players had to be versatile, constantly switching between offense and defense. This format encouraged close coordination, with midfielders supporting both ends of the field, forwards aiming for quick goals, and defenders working to protect their side against the fast breaks that were common in the game. Spectators watched with excitement as teams demonstrated exceptional footwork, rapid passing, and smart plays to capitalize on openings. The tournament structure included knockout rounds, with teams battling fiercely to secure a spot in the finals. In the thrilling final match, both sides exhibited determination and skill, keeping the score tight until the very end.

In the Football event total 23 teams registered though Google forms. The Football event was held at Football ground.

Following are the winners of Football event:

- 1st Place: B PHARMA
- 2nd Place: BE CIVIL
- 3rd Place: FE ENGG A

BIS Standard club

Department of Computer Science Engineering (AI &ML)

Competition Name: BIS Quiz
Date: 26nd April 2025

Programme Summary/Details:

The Bureau of Indian Standards (BIS) Quiz is an interactive knowledge-based Programme designed to spread awareness about quality, standards, consumer rights, and the importance of standardization in daily life. The quiz aims to engage participants in a fun and competitive way while educating them on various aspects of BIS, including hallmarking, ISI certification, product safety, quality control, and consumer protection. It provides students and participants with an opportunity to enhance their understanding of national standards and their role in ensuring quality and safety in products and services. The Programme not only encourages learning through participation but also promotes a culture of quality consciousness and responsibility among the youth.
