And Affiliated to University of Mumbai

Department of Computer Science Engineering (AI &ML)

Topic Name: The Basics of Web Development
Name of the Guest Speaker: Mr. Alvin R. Prajapati
Designation: Company Director
Organization/Institution: Alvin ItT Solutions, Palghar
Date: 14th Aug 2024
Time: 9.00 am to 10.30 am

Programme Summary/Details:

The Department of CSE (AI & ML) Engineering of **VIVA Institute of Technology** organized a guest lecture on the topic "**Basics of Web Development**" by **Mr. Alvin R. Prajapati**. The session introduced students to the fundamental building blocks of web development, covering the essentials of HTML, CSS, and JavaScript. Mr. Prajapati explained how these technologies work together to design and develop interactive, responsive, and user-friendly websites. The lecture was interactive and informative, helping students strengthen their foundation in web technologies and understand their importance in modern software development. Overall, the programme was fruitful and enriching, providing students with practical knowledge relevant to both academics and industry applications

Course Coordinator: Prof. Karishma Raut
